Financial Secretary Notes...

The most important event for January 2014 is the upcoming Clergy & Religious Appreciation Dinner being held at St. Raphael's Parish Hall. This year Council 5300 have the honor of sponsoring this important occasion. More information for purchasing tickets in advance can be found on Page 9. Clergy, religious and spouses of deacons are free. The keynote speaker for the evening is Fr. Joel Henson, Chaplain for the Knight's Los Padres Chapter. Father Joel is an outstanding chaplain as well as a remarkable speaker.

At the Memorial Mass on November 13, Fr. Charles Talley, our Chaplain said the Mass honoring our brother Knights and Catholic daughters who died during the past year. I thank all that attended, and the Borgatello family for providing the meal.

On December 4, our Council held a First Degree Ceremony for five new Knights. Congratulations to brothers Mario Cervantes, Nicholas Mina and Stephen Dewalt from St. Raphael's Parish - Council 5300, and Jose Naranjo and Dr. Chris Sandner from Our Lady of Sorrows - Council 1684. The Christmas Dinner on December 11 was a happy occasion for those that attended. The Treble Clef Singers provided entertainment.

In celebration of Valentine's Day, our February dinner will be held on Wednesday, February 12 starting at 6:30 PM. This is our annual Valentine's Dinner for brother Knights and their spouses free to brothers and their wives. Our February Council meeting is scheduled for Wednesday, February 26.

GRAND KNIGHT'S REPORT

Steve Romofsky

Worthy Brother Knights, I am sitting at my computer organizing my thoughts for this issue of the Bulletin. Today is the eve of Christmas Eve. We are in the final stages of Advent awaiting the birth of Jesus. Winter is here. The Solstice has passed and the days are slowly starting to lengthen. It is the midpoint of the Columbian Year. It also time to bid farewell to 2013. A year that marked the Centennial of our

Council and many comings and goings. Ahead lays many fun activities and worthwhile functions with your Brother Knights. Tempus fugit.

Since my last report, your Brother Knights have celebrated the annual Memorial Mass, conducted our second First Degree of the year, and been entertained by the Santa Barbara Treble Clef Chorus at our Christmas Dinner. Hopefully you were able to join us for one or more of these events.

Our Chaplain, Fr. Charles Talley, celebrated the Memorial Mass with us on Wednesday, November 13th. Together we prayed for the souls of our Brother Knights who had passed away the preceding year. Joining together for this Mass is both an intimate and powerful experience. Thank you to Fr. Charles for presiding over this memorial. Thank you to David and Louise Borgatello for hosting the dinner that followed the Mass.

On Wednesday, December 4th, we conducted the second First Degree of the year and welcomed in five brothers to our order, two from our Council and three from Council 5300. It is an honor and privilege for our Council to host this ceremonial and to share it with our Brother Knights from Council 5300. Thank you to the members of the First Degree team.

Wednesday, December 11th, brought us our annual Christmas Dinner. After a sumptuous feast, thanks to Brother Ralph, we were entertained by the Santa Barbara Treble Clef Chorus, under the direction of Katie Saxson. The ladies were in fine voice and the show provided the proper holiday spirit. Mum's the word but a little bird shared that one or two wives of Knights might be joining the Chorus. Always good to be entertained by familiar faces. At the dinner we recognized Steve Riffero for all the good work he has done including the

Blue Jackets Teenage Club. Our Council continues to support good works like Steve's. Charity is a key principle of the Knights.

I am looking forward to many things: seeing Brother Knights at the Clergy Appreciation Dinner, joining with fellow romantics for the Valentines' Day Dinner, initiating new Knights at another First Degree, supporting our local students via the K of C Free Throw Challenge, and working with Habitat for Humanity a fine local and national charity. Please join in the good times.

Speaking of Charity, the Christmas Dinner also gave us the chance to give witness to the generosity of others. Most dinners feature a 50/50 Raffle for a cash prize or an adult beverage. Riley Peterson, daughter of Hank and Sue, won the cash prize at the Christmas Dinner and then donated it back to the Knights. I thanked Riley at the dinner and I am acknowledging her generosity here. It is said that a small child will lead us. Thank you Riley for showing us the way.

Pull out your copy of the Directory, call a Brother Knight, and invite him to one of our socials. You will both be glad that you did. I am looking forward to seeing you at a social or a business meeting in the coming months.

Vivat Jesus,

Steve Romofsky

Deacon's Corner:

ONE PERSON AT A TIME

In the spirit of the Season; I wish each of my brother Knights, and your families, a very blessed Christmas and the happiest of New Year's.

As we have recently ended our Year of Faith as proclaimed by our Pope Emeritus Benedict, and embraced by our new Holy Father Francis, I wonder if we have fulfilled the wishes of our Church leaders.

We were called to study the Word of God and embrace the principles of our faith, and what we learned through the reading of the scriptures...."God is good, and we are to serve our fellow man". It all sounds easy enough until we actually try to put it all into practice.

I know many, if not all of our Brothers have served in many capacities to help the less fortunate in our community, whether it be; the poor, the unborn, the elderly or imprisoned; and for that we are all grateful, and that is what makes our organization so great; but too often we turn our backs or speed our pace when passing by

those in need, whom we don't know.

There's a story of the Blessed Mother Teresa, who was standing in the midst of many lepers, and the young Priest standing next to asked "How do plan on saving all the people?" and she responded, "I'm going to start with this one!"

And that's what we're called to do, not to save everybody and certainly not change the world single handedly, but we are called to help those we encounter in our daily lives, maybe only one person at a time- in the true spirit of Christmas, and certainly not to turn a blind eye to those who are reaching out to us.

This year, my wish is that we all be aware of those closest to us who may be need and may desire to see the face of God. My wish is that we all take the opportunity to show those in need God on Earth, in our own compassion.

In the Spirit of Christmas

K of C ultrasound machines saving the innocents from modern-day Herods

Mike Engler

After the first Christmas, when King Herod decided to murder all the baby boys in Bethlehem, little did he know that God would send a miracle to save Baby Jesus from the Massacre of the Innocents.

And when courts and lawmakers forced abortion on our country, they never dreamed that one day God would send us a scientific miracle that would save countless babies from the modern-day massacre of the innocents.

That miracle is ultrasound technology, which is showing millions of pregnant women that they're not carrying an "egg," a "blob" or a "clump of cells," but a baby - a living, breathing, growing, squirming, thumb-sucking baby who even looks like mom or dad. Almost every abortion-minded mother who sees her unborn baby on the ultrasound screen decides against killing him or her.

That's why one of our Order's most effective baby-saving programs is our Ultrasound Initiative, which helps donate ultrasound machines to pro-life pregnancy centers. So far, our Order has given 388 ultrasound machines (valued at almost \$20 million) to pregnancy centers, where they're saving thousands upon thousands of babies from the abortionists.

In fact, K of C ultrasound machines are now saving babies' lives in all 50 states, plus Canada and Jamaica. Some areas, such as California, Texas, Michigan and Missouri, have received more than two dozen machines. Pregnancy-center workers are raving about the results:

"The ultrasounds have already made a difference in 52 pregnancies!"

"We saved 95 lives in 2012, and so far this year, we've saved 73."

"The ultrasound you helped provide has been a blessing to hundreds of babies!"

"Being able to have a virtual image of the life they are carrying makes all the difference in the world."

"Women who were on the edge of abortion heard their baby's heartbeat or saw it on the screen, and immediately changed their mind. Whew, and praise God!"

When a local and/or state K of C council raises at least 50 percent of the cost of a machine for a qualified pregnancy center, our Supreme Council pays the rest out of the Culture of Life Fund. To learn more, visit www.kofc.org/ultrasound

In a world that seems ever darker, our Order is shining a bright light of truth and hope through our pro-life efforts. Among our New Year's resolutions, let's all decide, with the help of God and His Mother, to do more to save the infants whom Baby Jesus came to redeem.

REACHING OUT TO THE COMMUNITY - HABITAT FOR HUMANITY

Greetings Brother Knights,

I trust that you all enjoyed a joyous and inspirational Holiday Season with Family and Friends, filled with wonderful memories of 2013. Now that the New Year is upon us, hopefully My Brothers you have recommitted yourselves to Service to The Church, our Council and Community. As we look around at this old world of ours it's plain to see that the need for love and compassion has never been greater. My reason for submitting this letter in the January Bulletin is mainly to introduce myself and implore you my Brother Knights to join me in a renewed quest to answer the call to Community Service.

For those of you whom do not formally know me, my name is Marc Russo; I've been a member of Council 1684 for 5 years and recently have become a member of Juniper Serra Assembly 44. I have been married for 22 years and have a 17 year old Daughter who attends Bishop Diego High School as a junior. Over the years I have acquired several vocations including that of a General Contractor, I also hold a Doctoral Degree in Metaphysics. Of late, our Grand Knight has appointed me to act as a liaison between our Council and Habitat for Humanity, I'm sure that many of you are familiar with their good works within our community. Presently, I'm seeking to form a committee comprised of Brother Knights with the intentions to organize and motivate individuals and groups interested in doing Community Service not only with Habitat for Humanity, but anywhere else that there is a need.

Please join me in this endeavor to strengthen our Councils positive impact in our Community, your ideas and suggestions will be important to our success going forward. For those Knights interested in my proposal to form a Committee regarding the aforementioned, I really need your help! Contact me by e-mail at marcrusso7@aol.com or by phone at 805 689-3430.

***INSURANCE CHECK-UP FOR 2014 - MAKE IT A
NEW YEAR'S RESOLUTION***

Where did 2013 go? Wow that was fast. I hope you and your family had a great finish to 2013. Now, the first quarter of 2014 is upon us.

Hopefully, you've established a few goals for this year. I've learned a great tip regarding resolutions. First, write them down. It's not too late if you haven't already done this. Commit your goals to paper and post it someplace you will see it often. Writing down a goal is the first step towards achieving it. I don't know exactly how this works, but I've heard stories of the success this simple task can bring. Whether your goal is to exercise more, give more to charity, read more, watch less television and get out to the ballpark more often you're more likely to accomplish it if you write it down.

Second, resolve to have an expert look at your finances. I recommend that you have a team of experts help you, and I should be a part of this team. Schedule some time to visit with me, your professional Knights of Columbus insurance agent, and I'll provide an "insurance check-up" (at no cost!) that will quickly identify any gaps in your family's life insurance program, long term health care and disability insurance. You may want to fill those gaps now, not later. Unlike many other products, you don't just need money to obtain life insurance; you also need good health, and no one knows when your health could change. Our your retiring this 2014? I would like to share with you the "Safe Harbor", investments the Knights of Columbus offers in the way of annuities.

My check-up is free of charge? When was the last time you received something for free that could be providing value to you and your family for generations? Call me today.
