#### *Financial Secretary Notes*

**T**he Council officers extend their appreciation to all the Brother Knights and friends of our Council that volunteered their service during Fiesta at Mackenzie Park. The soft-drink trailer was completed and delivered on schedule for acting as a center for soft drink sales. It proved to be a valuable asset. We should know by the middle of September what income we have earned. Income from this event supports Catholic school scholarships.

The next two months will be busy for Council 1684. On September 10, we have a Council Meeting followed on September 15 with a Blue Mass at St. Raphael's Parish. On September 24, we begin the first of our monthly dinners for our Columbian Year 2014-2015. For this dinner, we have invited a special speaker discussing his recent trip to the Holy land.

Father Charles has asked members of Council 1684 to assist with St. Barbara Parish Picnic on the afternoon of September 28. Contact me if you can volunteer your service.

In October, three dates are important to remember. On Wednesday October 8 is our monthly Council Meeting. On the weekend of October 18 - 19 we will assist serving meals for Villa Majella's annual fund raiser. On October 24, our Council again celebrates "Knight's Nite Out;" our annual charity event for local church-affiliated and community-based organizations. A ticket for a dinner for two and a chance to be a winner in the reverse raffle and is still \$125.

Congratulations to the following new members taking their First Degree on the evening of July 9:  
Javier Briones (Holy Cross Parish) and Ricardo Herrera (Our Lady of Sorrows Parish).

## GRAND KNIGHT'S REPORT

**W**e are three months into our new Columbian Year and many things are underway. School has started for many families. Summer is almost over, although the warm weather is not. The days are getting shorter and by some miraculous coincidence, the nights are getting longer. With the rhythm of the season, we are reacquainting ourselves with a familiar routine, Dinner Meetings. September is here. Come have dinner with us.

This Bulletin, like every bulletin, is chock full of important information. You see photos from Fiesta and the construction of our Service Trailer. You can read the minutes to see the issues your Council has been addressing. You can reflect on thoughtful commentary. You can make your dinner plans for the next nine months by referring to our annual calendar. We all know that Business Meetings are always the second Wednesday of the month and Dinner Meetings are always the fourth Wednesday of the month, except for November, December, January, February, March, and June. Kind of like a combination of "30 days has September..." and "i before e, except after c..." That is why we publish a calendar, so you do not need to try to remember some complicated verse to know when we gather. Keep the calendar handy. If something changes, we will let you know.

The topic of dinner plans leads right into an important activity for our Council, A Knight's Nite Out. This is the single largest fundraising event we have. Each year

this event funds the bulk of our charitable donations to local non-profits, which is second only to our scholarship program. Have you attended A Knight's Nite Out? If you have, then you know how much fun it is, especially the reverse raffle. Has it been a while since you joined us? Well let me say that we have missed you and we want you to come back. Never attended A Knight's Nite Out? Consider this a personal invitation from me, please come celebrate with us and support our good works. See Ray Charpentier, he has tickets. A greater value cannot be had.

We have set many goals for this year. The first is to grow our membership. Every Sunday we see Catholic men that should be Knights of Columbus. It is our duty to ask them. Sometimes you have to ask more than once. I cannot recall how many times I was asked before I joined and I am so glad that I did. There is a man in my parish that I have asked at least a dozen times. Each Knight has our own personal view of the Knights of Columbus. Please share that view with other men. Invite them to be our guests for dinner. Refer to the calendar and pick a date when they have time. Drive them to the Dinner Meeting. Introduce them to me. I promise that they will be welcomed with open arms. We are here for them. All they need to do is say yes.

Another goal for this year is to reinforce our connections with the six parishes we serve and the four schools that receive our charitable support. We need Knights to be the Council's ambassadors for these institutions. It requires just a few hours per month and you will be surprised how your life will be enriched. Please consider helping with this worthy effort. Let me know if you are interested.

As Knights of Columbus, we are called to be charitable. Not just with our hard-earned dollars but with our valuable time. This year I would like each of you to give some of both to our worthy efforts. Our former District Deputy Mike Ohler has taken the helm of two new charitable programs for the Los Padres Chapter, the Wheelchair Foundation and the Ultra-sound Program. We need men to participate in these programs and to carry their messages of hope to our six parishes. Please answer the call. Mike will provide all the information you need.

Many of you have participated in our Latin Mass in Serra Chapel. A group of local Catholics is interested in establishing a regular Traditional Latin Mass in our area. Please read my inquiry later in the Bulletin and let me know what you think regarding the subject.

We are planning something special for the September Dinner Meeting. At this point, it is still in the works but we are hopeful we can get our ducks-in-a-row. Come to the meeting and be pleasantly surprised.

In closing, I look forward to seeing you at a Business Meeting, at a Dinner Meeting, in Church, or walking around town. Please tell me what you like about the Knights and tell me how you think our Council could improve. Both are important to me. Tell me how you would like to help, harvest is approaching, the field is large, the workers are few. Be a worker. You are a valuable asset to our Council.

Vivat Jesus,

**Steve Romofsky**

### PEACE BE WITH YOU

Peace Be With You-

*"If you bring your gift to the altar, and there recall that your brother has anything against you, leave your gift there at the altar, go first and be reconciled with your brother, and then come and offer your gift."*  
(Matthew 5:23-24)

In today's liturgy of the Mass, we are called certainly to be a community of believers in the teachings of Christ and a lifestyle of forgiveness.

The "Gathering" before Mass is a time to greet those we haven't seen for a week or more, offer a greeting, get caught up with our friends and then enter the Church in a reverent fashion, not to socialize or be in a ruckus state.

It seems many use the sign of peace for a similar function, to leap around the church and hug and shake hands with as many parishioners as possible, and wave willy-nilly to those across the pews, before and during the preparation of the Eucharist. This tends to distract from the elevation and the "Agnus Dei/Lamb of God" (which offers us a true sign of peace).

The Congregation for Divine Worship and the Discipline of the Sacraments, of the Vatican, led by Spanish Cardinal Antonio Canizares Llovera, has sent a letter to bishops around the world expressing concern about what it considers to be ritual abuses (*August 1, 2014*). The Vatican letter explains: The manner prescribed is as follows: "It is appropriate that each one give the sign of peace only to those who are nearest and in a sober manner. The Priest and Ministers may give the sign of peace to the other ministers but always remain within the sanctuary, so as not to disturb the celebration".

The Vatican letter aims to admonish practices such as: leaving your immediate area, offering holiday or congratulatory messages, using and waving the two-fingered sign for "Victory/Peace" in a general gesture, during the "Sign of Peace". It states that if the rite is abused any local Bishop does have the authority to abolish its practice.

Pope Francis reportedly approved the letter, which confirmed the importance of the rite of peace, before it was distributed to bishops' conferences.

The Rev. Anthony Ruff, a theology professor at St. John's School of Theology-Seminary in Minnesota and editor of the blog "Pray Tell", believes the Vatican letter will have little impact on Catholics, but still thinks it to be an important message to pass on the faithful.

"I suspect such local practices will continue and the Vatican letter won't change much, since most people don't find it irreverent to reach out in friendliness even if it's beyond what the rules allow," said Ruff.

As we all know the Vatican and the Church as a whole doesn't tend to move too quickly in changing what may have become tradition, even if not in direct accordance with its teachings; but I ask we all begin to understand the real meaning of the sign of peace.

As Christians we are called to offer peace in the world, to those we have offended, those who have hurt us and to those in need of support. My hope is; we all continue to follow in Jesus way in offering peace to every home we enter, and everyone we encounter, but to maintain reverence during every liturgy in which we participate.

**GENERAL MEETING OF  
COUNCIL 1684  
WEDNESDAY, JULY 9, 2014**

Twenty members were present when Grand Knight Steve Romofsky called the Council meeting for July to order at 8:18 p.m. Upon closing the meeting doors, Warden James Bauer verified membership cards, and the Grand Knight led the opening prayer and Pledge of Allegiance.

The minutes of the June meeting were accepted as published without a reading due to the length of the program.

The Worthy Grand Knight reported on the following items:

- Roy Rohter made a presentation about getting a traditional Latin Mass started in Santa Barbara. Rohter stated that if a weekly Latin Mass was initiated, it could mean large membership increases to the Council.
- The breakfast, Latin Mass and Officer Installation were a huge success. It was well organized along with a tasty breakfast menu. The Grand Knight praised the Morelos brothers for their work in the kitchen and the rest of the team who set up the hall, cleaned up, organized and assisted.
- The Grand Knight initiated the prospect of getting a Soccer Challenge ready for September.

There was no Treasurer's Report.

The Financial Secretary reported two bills paid.

Under Membership, Javier Briones and Ricardo Herrera were accepted into Council 1684 as new Knights during a First Degree Exemplification held prior to this business meeting. The New Columbian Year has started with a membership bang.

Under Communication, the Council received a letter from Dr. Paul Harrington, Head of School for Bishop Diego High School, acknowledging the \$16,000 donated to the school and thanking the Council for its continued support and generosity.

Under Old Business, Brother Mark

Weitstock gave the Council an update on the new Fiesta trailer, the trailer receiving finishing touches. Several Knights have participated in this worthy project, including the Grand Knight. Brother Mark also brought sign-up sheets for July 30 – August 3. There are three shifts per day for souvenir and drink sales: 11:00-3:00; 3:00-7:00; 7:00-11:00. Please call Brother Mark Weitstock to sign up at 899-2729.

Under New Business, Brother David Borgatello discussed the October Knights Nite Out. To help boost sales he will try to have tickets ready by the next Council meeting. He urged more members to get involved in selling tickets.

Brother John Green brought the following three financial Resolutions to the Council for a first reading:

1. **Whereas:** *The Council endeavors to earn what it can prudently and safely from its assets, present market conditions must be recognized, Bond income is low, at about 2% to 3%, near the level of inflation, and equity total return is about 10%, hence, the portfolio should be adjusted more in favor of equities. A ratio of 60% equities and 40% fixed income (bonds) is presently considered a prudent balance for income with safety.*  
**Be it Resolved:** *That the Council's agent adjust the portfolio to a nominal ratio of 60% equities and 40% fixed income with a 10% leeway. Equities could range from 50% to 70% at the discretion of the Investment Committee.*
2. **Whereas:** *It is desirable for the Council to have a formula to determine how much of the portfolio can be withdrawn each year for the income needs of the Council. Such a formula must protect the assets for the long term against inflation and provide for some growth. Also, for the future officers such a formula must be simple to understand and implement.*  
**Be it Resolved:** *That a formula used by charitable trusts with objectives similar to ours be adopted. The amount that may be withdrawn in a year is 5% of the market value of the combined portfolios of the Council and the Home Association based on the average of the last five year values*

on December 31.

3. **Whereas:** *Implementation of the withdrawal formula must be cautiously and timely adopted.*  
**Be it Resolved:** *That the first withdrawal may be made for the Columbian year beginning July 1, 2015*

*Dated: July 9, 2014*

*Attested by: John Green, Bruce Garcia, Steve Romofsky*

A second reading and vote on the resolutions will occur at the August Council meeting.

Under the District Deputy's Report,

- District Deputy Ray Centeno, Jr. congratulated the new Knights and urged them to attend Council meetings, participate, and be involved with the Knights insurance and financial resources.
- The St. Joseph Council of Carpinteria will be holding their Fiesta on July 11, 12, and 13.
- Council 1684 have achieved Star Council status as well as winning the Columbian Award. The DD congratulated Council 1684 and Worthy Grand Knight Steve Romofsky for a Columbian year well spent.
- This Columbian year's motto: To God be the Glory.

There was no Field Agent's Report.

There was no report on the Good of the Order.

Following a closing prayer by Worthy Grand Knight Steve Romofsky, the Council meeting for July adjourned at 9:01 p.m.

The next Council 1684 business meeting is scheduled for August 13, 2014.

## Fiat Latine

Brother Knights:

There has been a growing interest in having a Traditional Latin Mass (Extraordinary Form) celebrated in Santa Barbara on a regular basis. Our Council has been approached by a representative of the group that is trying to make this happen. I am asking you the following questions:

1. Would you be interested in attending a Traditional Latin Mass celebrated in Santa Barbara?
2. Would you like to see our Council support the establishment of this regular celebration?
3. Are you interested in receiving more information about the status of this good work?

Do you have any comments on the subject of the Traditional Latin Mass?

I would like your input to determine whether Council involvement would be beneficial to our Brother Knights. The support of the Knights of Columbus for Traditional Latin Mass celebrations is not new.

There is a K of C Traditional Latin Mass Association <http://www.kofclatinmass.org/> dedicated to the Extraordinary Form Mass.

The group involved with the Traditional Latin Mass will be addressing all of the details pertaining to the celebration, including: two priests that are suitably trained in the Latin Rite along with trained choir, altar servers, sacristan, and ushers. These people are in the area and are Roman Catholics faithful to the Magisterium of the Catholic Church and obedient to the authority of Pope Francis. They are dedicated to maintaining the traditional Roman liturgy codified by Pope St. Pius V, known as the Tridentine or "Extraordinary" form of the Roman Rite, as one of the universally recognized and honored forms of Eucharistic devotion.

I would appreciate your input very much. Please send me an email, give me a call, or speak to me at our September dinner meeting.

Sincerely,

***Steve Romofsky***

## Insurance Note from Our Field Agent Michael Rachford P.G.K.

### WHY DO YOU NEED INSURANCE?

#### MORTGAGE PROTECTION

A house is more than just a "house," isn't it? If you've laughed in it, cried in it, and lived in it, it's a home—your home. If something should happen to you, will it remain with those who have shared it with you? A life insurance plan can assure that your home stays with your loved ones.

#### FAMILY INCOME

You have worked hard to bring your family's standard of living up to where it is. You shouldn't be willing to give that up—no matter what. They say "you can't take it with you," but earning capacity goes when you do! There is a way to guarantee that they will never have to sacrifice that standard of living, whether you are here or not. Life insurance.

#### EDUCATION FUNDS

Few things concern parents today more than helping their children get a college education. If costs continue to rise, a private university's annual cost may exceed \$30,000 by the year 2005! Money like that can be hard to come by. What can you do about it? Make sure your children have the same opportunities for education whether you live or die.

#### RETIREMENT RESOURCES

Thought about retiring lately? When you do, figure out how much money you'll have. Then think about a life insurance plan that will provide more. Retirement benefits such as Social Security are nice, but do you know how much you'll get? Pensions are a plus, but will they be enough? Supplemental income is usually necessary.

#### EMERGENCY FUNDS

The furnace breaks. The car goes on the blink. The roof leaks. Someone in the family becomes ill. Everyday occurrences in households all over the country. What do you do? Life insurance can help. The cash and loan values of a whole life policy are available to you when emergencies happen. Or even to provide cash for some other event.

#### FINAL EXPENSES

The unfortunate truth is that the last thing you'll do on this earth is create a debt that you won't be around to pay. Final expenses may include burial costs, unpaid bills, and excess hospital bills over health insurance payments. The emotional drain on your family should not be aggravated by concern about money. Not if you can help it. And you can.

Let us get together soon, on the telephone and across the kitchen table. Appointments available mornings, afternoons and evenings most days.
