Grand Knights Report

Knight's membership continues to grow. Lenten Season begins.
Written by Frank Castelo, GK

Thanks to the efforts of our brother knights that supported our membership director, Bernie Jochum, during February's membership drive, we have at least four potential new members to add to our ranks. We also expect one or two Insurance additions. We are very close to ensuring winning the Star Council Award, but we will not give up our State goal for 30 new additions. Thank you all for your support and a special thanks to Bernie, Don, Dale, Felix, Mike, Tom, Frank M.Stan, and Paul for your help. By the time you read this most of them will be ready for their second degree as well. With the Lenten season, this is a good time for reflection and new spiritual growth. 15 knights, will attend our annual retreat at Mater Dolores and it

Handi-Capables Mass & Luncheon **Catholic Charities and women's auxiliary host an enjoyable outing for Handy-Capables.**

Written by Frank Castelo, Grand Knight

It was a sunny Saturday morning, when the busses started pulling up at St. Raphael's hall with their wheelchair passengers. The Knights of Columbus, as usual helped them off the buses and into the hall, still bright with the decorations that the youth group put up for their valentine dinner- Dance last week. Don Aubrey headed the Knights team, which included Joe Ponce, Bernie Jochum, and myself. Monsignor Steve greeted our guests, served mass and gave us his blessing. The Ladies Auxiliary served lunch, by starting with a nice Jell-O salad topped with whipped cream, followed by a chicken with rice casserole, dinner roll with butter, and finishing off with a valentine decorated cake and refreshments. As a special treat, Rebecca Baur graced us with very nice piano entertainment, which we all enjoyed very much I was given the pleasure of meeting Jinx Glisson, Activities Director at the Santa Barbara convalescence center who was present, seeing to the comfort and needs of our guests. A special thanks to the Saint Raphaels Women's Auxiliary who cheerfully prepared and served this delicious meal, and made sure everyone enjoyed themselves. Those Ladies were: Shirley Detman, Virginia Mayer, Billie Carroll, Maura Piazzeti, Laurie Schiferl and her daughter Susan, Linda Duller, Donna Yamasaki, Evelina Curzan, Shirley Stockero, Marie Mlodziec, and Josie Schreier. The Handi-Capables group, we were told, was originally formed by Father Steve, over twenty years ago, and continue to flourish to this day thanks to Mgr. Steve's concern and dedication to serving the needs of the sick and disabled in our parish and community. A special thanks also goes out to Andy Zeko, Tony, and Charles Sailer, as well as the other

Program Director Report

Charity – Working with God to help others

By Michael Donovan, Deputy Grand Knight

The California State Council Calendar of Events for March shows that meetings are scheduled to start planning the Columbian Year 2001 – 2002. Now would be a good time for us to consider what events the Council could do to raise funds for charity and/or support a worthy cause that is not presently on our calendar this year. Take the time to look around you and see if you can come up with some ideas to put on the Events Calendar this coming Columbian Year to raise funds and help those in need.

CHAPLAIN'S MESSAGE
MARCH, 2001

**Rev. Msgr. Stephen N.
Downes, Chaplain**

We begin March with the ashes of Ash Wednesday still on our foreheads and the great call of the Church ringing in our ears: "Turn away from sin and be faithful to the Gospel". During Lent we turn back to God, seeking the Lord while he may be found. The whole Church is called to "turn" through prayer, fasting and almsgiving. For forty days we will walk together with Jesus towards Jerusalem and the Last Supper and the death and resurrection of Jesus. On this journey of forty days we will walk with the catechumens who are preparing for Baptism at Easter and the candidates who are preparing for full membership in the Church. Lent is a 40-day retreat to discover the meaning of Baptism and our dying to sin and self to live even more for Jesus and others as we open our hearts to his presence in the world and in our lives. Time for prayer or Mass each day, or daily Bible Reading; or fasting from food or alcohol or television so we can hunger for God and feel oneness with the many people in our world who are hungry

20 February 2001

We pray for the recent passing of Monsignor Thomas Hayes, who was a friend of The Fourth Degree and all Knights. MAY GOD BESTOW HIS BANQUET UPON THIS FINE MAN.

We similarly mourn the recent loss of one of our own members, Dick Mohr. We shall continue to pray for his wife Terry and their family. May GOD grant them his peace and understanding.

Brother Bernie Jochum's sister-in-law, Ann Tully, passed away February 3. We pray for her and for Brother Jochum's families. May God grant them peace through his infinite understanding and WELCOME Ann Tully to HEAVEN, WITH ALL ITS GLORIES. We continue to pray for the speedy recovery of Brother Fred Cota, who recently had heart surgery. We understand he is doing better, but still has some peripheral vision problems. May GOD and all his angels restore his health and aid him through his recuperation. We shall continue to pray for Brother Frank Mackey, who we recently learned was in the hospital for reasons unknown. The Council continues to pray for those other members of Brother Wasil's family: his sister Rose Mc Roberts (emphysema), wife Judy (diabetes). May GOD grant this entire family HIS Peace, with the recent loss of Brother Wasil's brother-in-law. We shall commence praying for Brother Tom Cordiero's sister, Ann Zicket, who is in the hospital in Northern California suffering with a variety of blood disorders. We shall further be praying for Brother Cordeiro's own health, as he has been suffering some recent back problems. Further, we were asked to pray and remember Deacon Wayne's niece who is currently having health problems. MARCH MEMBERSHIP DIRECTOR'S REPORT

Bernie Jochum, Membership Director

February was a busy month. Following Supremes recommendation that all councils make a concerted effort to have a membership drive, we decided to try an open-house. This is expected to bring together a large group of potential candidates at one time. We requested all members to submit names and information on men who meet our requirements. i.e., a practicing Catholic male over 18 years of age. Fourteen members submitted well over 100 names. The lists were consolidated to remove duplications and current members of our council as well as Santa Barbara Council 1684. This resulted in 73 individuals to be contacted. These names were assigned to 14 members breaking down to approximately 5 names per individual. It is expected that 20 potential candidates will attend with their wives on Sunday, the 25th of February. At this time, we will explain the benefits and responsibilities of membership by showing films, displaying copies of our bulletin, scrapbooks, awards and other items to demonstrate our activities. We have invited our insurance representative, our chaplain, Msgr. Steve and members. Based on the anticipated signing of a group of candidates, I have scheduled a first degree for our regular meeting, March 12. My personal thanks to the Brother Knights, who submitted names, made calls and those who have agreed to participate. I know I'll probably miss some names, but here is a listing of my helpers as of this time: Don Aubrey, Chris Arnoult, Frank Castelo, Paul Coyne, Paul Curzan, Joe Darga, Leonard Gonzales, Brian Klinge, Jose Meza, Steve Montross, Joe Pando, Tom Puerling, Felix Sanchez, Rick Scholl, Terry Slinger, Hal Thompson, Jack Turney and Dale Wenzinger.

Whatever Happened to Jane Roe? The Norma McCorvey Story

By Paul Curzan

More than a quarter of a century ago, in January 1973, Norma McCorvey became one of the most influential figures in American history - except nobody knew who she was. In 1969 Norma was pregnant for the third time. She was naïve, uneducated, poor and carrying a baby she didn't want. She unsuccessfully sought an illegal abortion and ended up being the plaintiff, Jane Roe, in a class action lawsuit against the Texas abortion law. She claimed that her pregnancy was the result of rape. But this story was fabricated in an attempt to strengthen the case. The lawsuit ultimately ended up in the US Supreme Court and resulted in the now infamous *Roe v. Wade* decision that legalized abortion in all 50 States. Norma never had an abortion. In fact, all three of her babies were adopted. Her life was filled with failures, abuse, alcoholism and drugs. She was used by the pro-abortion movement as a symbol of freedom of choice, yet she was never allowed a platform or position with any of the national abortion rights groups such as NARAL, NOW or Planned Parenthood. Instead, Norma was an embarrassment. She has been called "white trailer trash" by some of those on the abortion side. Jane Roe, of course, was a heroine to their cause. In 1995, Norma was working for an abortion clinic called *A Choice for Women* in Dallas, Texas. She was the marketing director and booked appointments. In March of '95, the Operation Rescue National office moved in next door. Its director, Rev. Flip Benham, began preaching to Norma about the biblical position on abortion. His words fell flat with Norma until the day he apologized to her for not speaking the truth in love. This apology became the springboard for Norma to become open to the message

***Rodriquez Family Chosen for:
Family of the Month
Written by Frank Castelo, GK***

I chose the Rodriguez family for family of the month because of their involvement and dedication to the Hispanic community and their ministries. Jorge and his wife Virginia have been very active in their support to St. Raphael's church as catechists.

Virginia, Jorge and Jorge Jr. moved to the United States from El Salvador in 1988. They were Elementary and Secondary School Teachers. They lived in Minnesota until 1988 when they came to Santa Barbara. They joined Saint Raphael Parish the same year. By 1989 our Pastor Msgr. Steve invited them to start the Religious Education Program in Spanish, since there was no Program for the Hispanic Community. From the beginning they were always supported by Msgr. Steve. Virginia and Jorge went to the Archdioceses of Los Angeles for three years to take classes to become Master Catechists in order to teach Faith Formation Courses open to adults in the Santa Barbara Region. These courses are coordinated by the Archdioceses of Los Angeles. For many years they have been forming leaders, Eucharistic Ministers, Lectors, Ushers, and Catechists to serve in our parishes. This ministry is a free gift to our people. Virginia is now the Director of Religious Education at Saint Raphael's and Jorge is the Coordinator of Hispanic Ministry for the Santa Barbara Region of the Archdioceses of Los Angeles. They enjoy their ministries and have such a great passion for the work at the Parish, especially when it is related to help the poorest of the poor. On Tuesdays, Wednesday and Saturdays you can see them, rain or shine, getting ready for the CCD at our Parish. Every time you see the Rodriguez's they will greet you with a big smile. Thank you, Jorge and Virginia for your contributions to St. Raphael's Church. God Bless you.

I'm happy to announce that my choice for Knight of the month is Michael Donovan, our Deputy Grand knight. Mike is a Eucharistic minister both at mass and also to the sick and homebound. The church grounds benefit from his care as a volunteer gardener, and he recently joined the Vincent De Paul Society. Mike also volunteers for the United Way of Community Investments. Mike was also a past member of the welcome committee and a visitation volunteer for the Parish development Program. Mike enjoys bowling, hiking, walking, and works in the information technology Division at AGIA in Carpinteria. You also see Mike at many of our Parish and Council social events helping out in the Kitchen. Thanks for all your help and support Mike, you have been a great help to me on our many projects, Congratulations.

Promises to be a great experience for us all. We expect to have record turnouts for the fish fry's this year as the word has been getting out. As most of you had heard, Tom Cordeiro has been having back problems and needs our help to make sure the Fish Fry's go according to plan. If you would like to be involved in helping out, please call Mike Donovan or myself.

Rev. Benham had for her. At the same time, little 7-year-old Emily Mackey, the daughter of the Operation Rescue National Office Manager Ronda Mackey, began to build a daily friendship with Norma. One day in June, Emily asked Norma to consider going to church with her sometime. Three weeks later Norma accepted the invitation. From that point on, Norma's life was changed. She became a convert to Christianity in July of 1995 and was baptized by Rev. Benham. As she grew in her study of the bible and became more educated about the development of the human child in the early stages of pregnancy, Norma's positions on issues ranging from the protection of the unborn to sexual conduct came into line with God's Word. On January 21, 1996, Norma went to Georgetown University and took part in a public apology for being part of the events that made abortion-on-demand the law of the land in America. In January of 1998, she was standing with the pro-life side in demonstrations marking the 25th anniversary of the Supreme Court decision that she once called, proudly, "my law." On Aug. 17 of that year, in yet another milestone in her spiritual journey,

The Norma McCorvey Story**

By Paul Curzan

Continued from Page 6

McCorvey announced she was received into the Catholic Church. Her position on abortion is now very clear-- only God has the right to take a life. Abortion is wrong and must be stopped. For many, her conversion to the cause of life is an almost providential sign of reassurance that the war against abortion is not futile, despite the militancy of U.S. law and court decisions. McCorvey is convinced that *Roe vs. Wade* will be overturned. She now devotes her time to this effort and has co-founded an organization called "Roe No More Ministry." Our K of C Council 5300 is fortunate to have the opportunity to cosponsor Miss McCorvey in coming to our area to tell her amazing story. Several of the other cosponsors have been chosen so as to facilitate publicizing this event to the UCSB college students; the venue has been chosen to make it convenient for the students to attend. In addition, over 40 Christian Churches in our community have been sent bulletin information and have been invited to publicize this event to their congregations. The Isla Vista Theater seats 525 people. Come and help us fill the theater to overflowing. The date is Sunday March 11 at 7:30 PM. We look forward to having many brother Knights and their families support this major pro-life event.

Religious/Clergy Appreciation Dinner
Tom Puerling, PGK

By the time you read this we will have participated in two admirable projects. On Sunday, January 28 we helped the Serra Club of Santa Barbara put on the annual Altar Servers Luncheon for all of the altar servers in the Santa Barbara region. We expected to serve between 150 and 200 at Holy Cross Church following a 2:00 pm Mass served by Bishop Curry. Thanks to Joe Duwel and Paul Lorillard for their help. On Wednesday, January 31 we expected to serve the annual Religious/Clergy Appreciation Dinner to just under 200 Knights and Religious/Clergy guests. Father Jack Stoeger was the guest speaker, following a short talk by Bishop Curry. Frank Castelo presented Monsignor Downs with the \$10,000 check for the Council 5300's donation to the building fund. Thanks to Terry Sliger, Hal Thompson, Bruce Velasco, Felix & Julie Sanchez, Dale Wenzinger and anyone else I may have missed for helping to put on the dinner. Now is the time you should be thinking about the silent retreat coming up the first part of March. Anyone who has been there always raves about it. It would be nice to get a large turnout from Council 5300. For more information please contact Bruce Velasco or Tom Puerling.
