Goleta Council's rich History will be preserved

*Written by Frank Castelo
Grand Knight*

Thanks to Paul Christiansen, we have begun a written record of our history that we can put on our website for all to see. PGK's, wives, officers, and etc; Please send highlights of events that occurred during your term or that you have records or memories of, check for information that you may have tucked away in a closet somewhere. We can even add pictures. We will add it to what Paul has started and get it up to date. I will include highlights for my term and ask my Deputy Grand Knight to continue the tradition. This record will be useful for promotional projects, to show to prospective new members, general interest and other historical purposes.

New Indoor World Record set on

March 9th Fish Fry

*By Terry Sliger
Council Activities Director*

For those of you present on Friday, March 9th, 2001, you were part of the new attendance record for Council 5300 Lenten Fish Fry's. We thank all 177 of you and encourage you to pass on the good word. The dinners of grilled fish, salad, steamed vegetables, rice pilaf and dessert have been met with rave reviews. Tom Cordiero's crew has created an event that is effusive with fun, fellowship and good eating. We wish to thank Tom's crew including his wife Pat, Carlos Valenzuela, Joe Lima, Eleanor Paulazzo, Ed & Janet Page, Al & Kitty Mecklenburg, Carol Stone, Frank Castelo, Joe Ponce, Felix & Julie Sanchez, Vince Filippello, John Vogel, Evelina Curzan, John Kestel, Frank Pineda, Dale Wenzinger, Mike Donovan and Marie Lundfelt.

We must give special thanks to Tom Cordeiro who has been in great pain with his back. He has orchestrated this years Fish Fry from a horizontal position and again made it happen. In fact on the night of our first fish fry the crew was preparing with great tension and festivity as the rumors were becoming true; there would be no Capt. Cordeiro to lead the production. Just when matters could have become unraveled and quality tenuous; there in the doorway stood, like the great knight "El Cid" on his horse; "El Cordeiro de Goleta" to lift the spirits and smooth the way. The man, the myth, the legend had risen and done it once again!

The successful K of C event continues to give our council the financial resources to help and service the needs of our parish and area community. Gross proceeds for the first week were \$980 for meals, \$71.90 for the beverage bar and \$92.00 for the raffle. Great job to one and all!!!!

CHAPLAIN'S MESSAGE
APRIL, 2001 Rev. Msgr.
Stephen N. Downes, Chaplain

The daily prayers of the Church during Lent often ask God's help so we will be ready "to celebrate the great paschal mystery... the feast of our salvation". Early in Lent (on Friday of the First Week of Lent) we pray: "Lord, may our observance of Lent renew us and prepare us to celebrate the death and resurrection of Christ." Now in April, we reach the end of Lent on Holy Thursday evening and begin the Sacred Triduum (of Holy Thursday, Good Friday and Easter). With Christians everywhere we celebrate Christ's great love for all at the Last Supper as shown in washing the feet of the disciples, giving us the great commandment to love as he loved and all we need to live that commandment of love in his great gift of the Holy Eucharist. On Good Friday we relive with great love and wonder the suffering and death of Jesus on the Cross. On Holy Saturday evening we celebrate the Easter Vigil or Night watch of the Resurrection, watching and waiting, to celebrate the Resurrection. In the joy of

I thank you in advance for your support and a special thanks to Paul for helping me get this project started. You probably have noticed that the Lenten Fish Fry's have been very well attended as well as the Wengler's Crab dinner. It takes planning and hard work, but the effort is paying off as reflected by the smile I get from our financial secretary Bill McNamara's face. Thank you all for your continued support. I know that the good dinners at a great price are what make it work, and as usual, if it weren't for all the volunteer help, it wouldn't be possible, and that is why this council keeps making history. God bless you and have a Happy Easter.

APRIL MEMBERSHIP DIRECTOR REPORT

Written By: Bernie Jochum

Recruitment is a never-ending activity. Just as our gains for the current Columbian year looked very positive, a sudden reversal took over. In the past month three of our Brother Knights have been called to meet their maker, (Dick Mohr, Frank Grant and Sal DeAlba). Also two brothers moved from this area and have transferred to councils in their new area. That means we have lost five members. As of today, I have one request for readmission and one form 100 for a new member. We need a concerted effort to obtain new members. If you know a Catholic male over 18 years of age who is even mildly interested in hearing more about the Knights or who has expressed interest in the past, but has said "maybe later", please let me know and I will assist you in trying to demonstrate to that individual the benefits of joining now rather than later. Recruitment is every member's obligation. Let's all work together to obtain our goals.

It's Time to Revisit the Partial-Birth Abortion Issue.

Although every attempt to ban partial-birth abortion in the past was thwarted by a veto of our former President, it is expected that this issue will come up once more within the Congress. If it passes both houses again (which it should, since polls have shown that a significant majority of American citizens are opposed to partial-birth abortion), we can expect our new President to sign such a ban into law.

Those who oppose this ban try to justify their position by claiming they could only support a ban if it includes an exception to protect a woman's health. At first blush, this seems like a reasonable clause to support. After all, who would want to do harm to a woman's health. But in reality, those close to the debate on both sides of the issue know full well that such an exception would render a ban meaningless. Why is that so? Well, the health of the woman issue is in reality a gigantic loophole. Pro-abortion activists often hide behind this loophole and use it as a way out of supporting legislation that they are opposed to.

The loophole that former President Clinton and others have hidden behind is in the Supreme Court decision known as Doe vs. Bolton. Doe vs. Bolton was the companion case to Roe vs. Wade, and it contains the definition of health.

The Supreme Court Justices knew that their broad definition of health would best be buried in a lesser-known case because most Americans would be outraged by the definition. And it worked. How many of us are aware of this case, or how it defines health? Not many I suspect.

youngsters, has turned into a daily event of service and charity. The Cahill's have been collecting and distributing food, clothing, toys and household effects for the needy in this labor of love since 1981. And they have been involved in these efforts 6-7 days a week since that date!

Many times during the week the Cahill's set out collecting these needs from any source that they can. These sources include public donations, members of the parish, parish hall events, local business donations, supermarkets and the Knights of Columbus. Distribution of the food & clothing is delivered to needy families, Catholic Charities and other needy service groups that help "reduce the needs of those less fortunate".

Fritz, a third degree member of the Knights of Columbus Council 5300, and his wife Eleanor have been recognized and received numerous awards from a long list of community organizations, Catholic organizations, service organizations and politicians from every level. David Willis, Regional Director with Catholic Charities says; "...Our cupboards would be almost bare if not for the Cahill's incredibly generous volunteer work and our staff and clients are most appreciative of their ongoing work on our behalf."

Doe defines health as, "...in light of all factors- physical, emotional, psychological, familial, and the woman's age relevant to the well being of the patient. All of these factors may relate to health." With those words, the justices in effect made abortion on demand, for any reason, at any time, the law of the land. And they created a shield for cowardly politicians to hide behind.

In a 1983 report issued by the Senate Judiciary Committee, it was stated that, "The Senate Judiciary Committee observes that no significant legal barrier of any kind whatsoever exists today in the United States for a woman to obtain an abortion during any stage of her pregnancy." And of course, nothing has changed since that report was issued. Let's pray that Congress and our President will act soon to ban this most grizzly procedure that many have rightly referred to as "infanticide."

Named Knight of the Month

Written by Frank Castelo

Grand Knight

I selected Dale for Knight of the month because of his continued help and support since his service to us as the Grand Knight. Dale first joined the Knights of Columbus in 1950. Dale and his wife Florence, moved from Colorado to Santa Barbara in 1982 where he worked for Santa Barbara Research until his retirement in 1983 when he joined Council 5300. In addition to being our Grand Knight during 1999-2000, Dale has held several other positions during his membership in the Knights. Dale graduated from the University of Nebraska with a degree in mechanical engineering and was a licensed engineer in Colorado and California. He worked on the ICBM program as a propulsion systems engineer, and later as project manager on the Colorado Occidental oil Shale Project. Dale served in the US Army from 1952 to 1953. Dale is also a neo-natal blood donor and has donated forty-seven times. (each donation equals eight infant transfusions). His wife Florence was a music teacher and choir director, they have five children and thirteen grandchildren. Dale has been a great supporter of the knights as our publicity director and has assisted in various promotional events by designing and printing tickets, flyers and other computer related services. Speaking for our Council, We Thank you Dale for all your help. God bless you and your family.

Knights Of Columbus Saint Raphael's Council 5300 The Early Days

Back in the formation of this council, there was a request of the Supreme Council that there be a Council established in Goleta, Ca. This Council bears the name of Saint Raphael, Patron of the Parish Church in Goleta. St Raphael Council of the Knights of Columbus was chartered May 14, 1962. There were thirty-seven charter members. The first grand Knight was Walter Merrigan Jr. Walter was the force behind getting the council started in the Goleta area. After approximately seven months of work, through his leadership, a Council was born. The naming of the Council was the work of the naming committee, made up of brothers Frank Mackey, Frank Diani, and Andy Fitzpatrick. "St. Raphael's Council" was submitted and accepted by the Supreme Council of the Knights of Columbus. On May 14, 1962, the charter was issued under the name of St. Raphael's Council number 5300. The first officers were: Grand Knight Walter Merrigan; Deputy Grand Knight Andrew Fitzpatrick, Chancellor Raymond Munyana; Warden Richard Donlon; Recorder Vincent Poirier; Financial Secretary Pete Moglia; Treasurer Charles Burke; Inside Guard Jesus Contreras; Outside guard Paul Curzan;

"The awards the Cahill's have received are also a testimony to the caring and Christian love of many members of our parish who bring food for the needy Sunday after Sunday, at Christmas, Easter and Thanksgiving. Each and all will be richly blessed by God!" states Msgr. Stephen Downes. Fritz is the very first to acknowledge all those who have helped with this Christian charity and service, including Kevin Bratton, Paul Coyne, Bernie Johum, Knights of Columbus, the faculty and students of St. Raphael School and many others.

To give you an understanding of the great service that the Cahill's orchestrate and perform I must note the following numbers of their various programs and distributions:

Collected and distributed at Thanksgiving: 125 Turkeys, 20 Hams, 50 parish families received 2 bags of groceries including Turkey, Ham and 10 lbs. of Potatoes. 1 Lg. Van, 2 med. Vans and 1 pickup loaded with food delivered to Catholic Charities!

Collected and distributed at Christmas: 38 Hams, 26 Turkeys, 20 parish families received 2 bags of groceries including Ham or Turkey and 10 lbs. of potatoes. Large truckload of food delivered to Catholic Charities. 10 Bags of new toys delivered to Catholic Charities. Also distributed 12 Christmas Baskets donated from BPOE (Elks) to our parish families.

Summary for first 6 months food distributions of Columbian Year:

| | | |
|-----------------------------|---------------------|-------------------|
| *1193 <u>dozen</u> Eggs | *11,000 lbs. Rice | *9,000 lbs. Beans |
| *128 lbs. Apples | *5110 lbs. Potatoes | *20 lbs. Flour |
| *13 cases Corn/String Beans | | *155 lbs. Cheese |
| *96 packages Ramen | | *78 cans. Tuna |

In the Lenten season when we are called to penance and to understand the meaning of self-denial and sacrificial giving, we need to look no further than the Cahill's as models to emulate and follow!

Fourth Degree Knights Report Faithful Navigator Edmund Page

The Faithful Navigator, Faithful Comptroller and Faithful Captain attended a meeting on March 3 rd, 2001, in Bakersfield, CA. The meeting was conducted by the Master of the Central District of California, Don Gentleman. One of the important membership provisions discussed, which is for this year only. A new applicant's name can be submitted for membership into the Fourth Degree after six months as a member in the Knights of Columbus. This means that if a Knight makes First Degree by May 1, and completes his Third Degree by November, the candidate will be eligible to enter the ranks of the Fourth Degree. For those members of the Knights that are aspiring to join the Fourth Degree, The Exemplification will be held Saturday, November 3, 2001 at the Antelope Valley Inn, 44055 N. Sierra Highway, Lancaster, CA 93534. All Third Degree Knights meeting the criteria for joining the Order should mark their calendars for meeting this Exemplification date. We are expecting a good turn out of new candidates. We sadly report the loss of one of our cherished brothers. Sir Knight Frank Grant passed away on March 12, 2001 This little guy with a beautiful disposition, loved by all, fought a lifelong heroic battle with cerebral palsy. At the funeral which was held at St. Raphael's Church, Monsignor Downes officiated at Mass. Sir Knight Donald Aubrey, for the Assembly, presented as a memorial to Frank, a Sacred Pix, with scrolled engraving to sister Nancy Robinson and brother Thomas Grant. This Sacred Pix will forever remain at St. Raphael's Church. The Color Corps under the command of Sir Knight Paul Coyne led an entourage of over 20 Sir Knights in full Color Corps Regalia. This happens to be the largest turn out of Color Corps that any of us can remember. After the Funeral Mass a reception was held in the parish hall.

The Early Days***

Lecturer Frank Mackey; Advocate Paul Christiansen; Chaplain Reverend Edward Heypfling.

Many of the original officers served as Grand Knights. Now that the Council was formed, it became a part of the Maria Ventura District, and the Los Angeles Chapter. Because of the commute, attendance at chapter meetings took place about every three months. The district had to keep the councils informed. The first priority was to build the membership in the new Council and to learn the Knights of Columbus Procedures, exemplification of degree work, and all the many rules and regulations of the order. For the most part, they were first-degree members. This Council did however; participate in the Chapters big project, Rancho San Antonio. This was the Archdiocese Welfare Institution for delinquent boys. The big money raiser for their project was a barbeque on the grounds of Rancho San Antonio. Because of the commute, we sent a monetary contribution. The first home of the Council was St. Raphael's Paris Hall on Mandarin Drive in Goleta. Meetings took place here until the hall was demolished in early 1963. The Council then moved to its present location on Hollister Avenue. In the early years, it was difficult to fill the required programs that made up the council's activities roster as set forth by the Supreme headquarters. Special emphasis was put on Community activities, youth activities, and council activities. Boy scout troop #105 has been sponsored by this council from then until this present day, the scouts are still active in the Goleta area. A cub pack was also sponsored, and the council also helped in various in the establishment of St. Raphael's School. And through our chapter project, assisted Ranch San Antonio. The council was made up of mostly young members then, with small children. This council was among the few councils that included a lot of family activities such as picnics, beach parties, and the big fundraiser which was known as "old Spanish days Fiesta". In 1964, this council was asked to take over and run the soft drink concession stand at the El Mercado Plaza during the four days of the Old Spanish Days Fiesta celebration in Santa Barbara. This activity provided the council with enough operating capital for the entire year. This operation required all the members and their families to man the concession booth. This project is still an important part of the Council's activities. Under community activities, one of the great programs for the council was, "The Christmas basket and Toys for Needy Families". Some of the brother Knights would give up their Christmas eve to put on a Santa Suit, deliver a basket of food, including a turkey and staples for a Christmas dinner which including a toy or two for the youngsters. These gifts were anonymous and the families never knew where they came from. The council took care to select families that were not on someone else's list. The method of getting enough toys for this project was to

plaintiff Jane Roe in the 1973 Supreme Court case Roe v. Wade that legalized abortion in all 50 States. Miss McCorvey spoke to an overflow crowd of 525 people, two-thirds of who were UCSB college students. A reported 200 additional people were turned away at the doors. Many of these students considered themselves to be "pro-choice." What was fascinating was their attentiveness to what Miss McCorvey had to say. It is fair to say that she is not a polished speaker. But she spoke from her heart and said what was on her mind. The audience seemed to respect that, even though many may have disagreed significantly with her position. She spoke with pride that she is now 100% pro-life-no exception. She also talked in depth of her conversion to Christianity and later to Catholicism.

What was not generally known was that Miss McCorvey was feeling quite ill the day of her talk in Santa Barbara. Fortunately for us, she had medication with her that she took earlier in the day and was able to carry on with her presentation that evening.

In addition to the size of the audience, which exceeded our expectations, the other very positive aspect of this project was the fair and balanced media reporting that surrounded the event. In the week preceding the event, the local newspapers (News-Press, Goleta Valley Voice and Santa Barbara Independent) had published information about the event, including, in several cases, a letter to the editor that was aimed at getting free publicity.

In addition, on the Friday before the event, the UCSB newspaper, Daily Nexus, ran a front-page story on the upcoming talk. This undoubtedly had a lot to do with the large attendance by the students. In the vast majority of this publicity, Knights of Columbus Goleta Valley Council 5300 received acknowledgement as cosponsor.

KEYT TV was present the night of the event, interviewed Miss McCorvey prior to her talk, and presented a favorable (at least by local standards) lead-off news item on the 11:00 PM news that evening. The next day, the News-Press ran what was generally considered to be a reasonably balanced article on her talk.

Our Council is grateful for the help and cooperation of the UCSB Veritas Forum, the College Republicans and Crusade for Life of Santa Barbara. Each organization made a unique contribution to the success of this event. Because of teaming with these organizations, Council 5300 incurred no direct costs for putting on this event.

The Early Days

have a Christmas party and charge toys as the cost of admission. Another practice that was instituted was to have monthly corporate communion; Breakfast cooked by fellow brother Knights followed after the mass. The first newsletter was published in 1964, it had two pages and included a calendar of events, announcements and other bits of news to get the word out. By 1964, membership had grown to 100 members and budgeted operations were instituted. The membership soon got the idea when they were told that if it were not in the budget, they would not get the money. The building fund was established in 1965. It was started with a raffle. A one-dollar raffle ticket enabled you to have a chance to win a color TV for first prize, a ten-speed bike for second prize, and a portable tape recorder for third prize. The raffle netted a starting fund of just over twenty-eight hundred dollars. Regular deposits were made on a monthly basis from various activities. The council moved to a new meeting format in the third year of the Council operation, one business meeting was held each month, and a second meeting was held each month as a social dinner meeting, with guest speakers, usually civic leaders, business leaders, and members of the clergy. If an emergency came up requiring a special meeting, the officers would have a closed meeting before or after the dinner, with officers and Knights only in attendance. In 1965 the council joined a service club slow pitch softball league in the Goleta Valley. The game took place on Sunday afternoons, so it became a family affair to see Dad and other fellow Knights play ball. This activity brought more recognition and respect for what the Knights did as a council than anyone could have imagined. The Goleta Council became well known in the valley in the many years they participated in the softball league. As the council grew, it became more active and able to follow the six point program guidelines directed by the supreme Council. The practice of giving flowers to mothers on Mothers day began, and continues to this day.

VOCATION PRAYER

Merciful Father, the celebration of the Easter mysteries renews our hope in the new life you offer. Send us forth as confident witnesses of the death and resurrection of Jesus. Give us faithful servants who will teach, sanctify, and lead us. Amen.
