## **Labor Day Picnic**

*By Brian Klinge, Deputy Grand Knight*

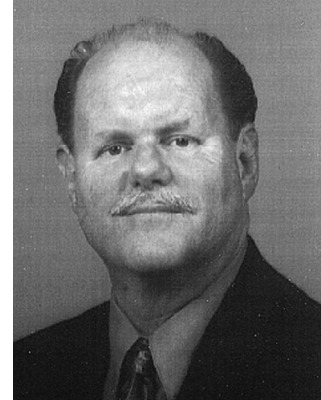

The month of September started off with a VERY SUCCESSFUL LABOR DAY PICNIC at STOW PARK! The sun arrived late morning and early afternoon. The sky was blue, everyone who attended was festive and the food was GREAT. God blessed us with this wonderful day. It was terrific to visit with fellow knights, their families and friends. Brothers' Joe Ponce, Tom Cordeiro and Terry Sliger did their "magic" with Tri-Tip on the grill. We wish to give special thanks to Santa Cruz Market for the TriTip. Together, everyone present consumed one hundred pounds of beef (50 cows, a small herd). WOW!! A Big Thank You to Sir Knights Tom Puerling for handling the beer and soft drinks and Ken Kuether for a terrific auction, and who sold it if it was not nailed down. I also need to thank my wife, Judy, and my son, Cory, for stepping up to the plate and supporting me in "Chairing" this event. Overall, this event has grown to be special time for the Knights an one that is greatly anticipated and well attended.

## **GRAND KNIGHT'S REPORT**

**"OCTOBER –**

**RESPECT LIFE MONTH"**

*By Michael Donovan, Grand Knight*

The events and activities schedule for October proves beyond doubt how wonderfully dependent Council 5300 is on Brother Knights and their families! Nothing on the schedule would be successful without their wholehearted commitment.

The October schedule begins on Sunday, September 30 with the St. Raphael Parish Picnic, which celebrates our life as a Community of Faith and our Parish's Patron Saint, St. Raphael, the Archangel. The Council participates in the picnic from set up to working in booths to clean up at the end of a joyous day. We hope to see the families there! Following the Parish celebration will be the Octoberfest dinner, Italian dinner, the annual MR Drive, Halloween Party, Keep Christ in Christmas (greeting card program), the Essay Contest and the Basketball

**PROGRAM DIRECTOR'S REPORT**

By Brian Klinge, Program Director

October is the one month where we hold two major parish / community events, the Octoberfest dinner / dance on Oct. 6<sup>th</sup> and our Italian dinner with entertainment on Oct. 19<sup>th</sup>. It is a chance to enjoy fine German and Italian cuisine along with family, friends and neighbors and to help celebrate Columbus Day. The proceeds help the Council to meet our Building Development Funds commitment to St. Raphael Parish. The Council's Youth Director, Brian Duquette, has two events in the start up process, the Essay contest and Free Throw Contest. When called on, please volunteer. As of this writing we do not have a Keep Christ in Christmas Chairman, but will have one by the time you receive the Knightline Bulletin. As these activities arrive, please call one of the Program Directors and volunteer your time. When called upon give of your time. We need all of you to be active Knights in order to fulfill our obligations as a Council. As stated earlier, I will let you know in advance to other upcoming events.

*If I am in sickness, my sickness may serve Him...*

*He does nothing in vain*

*Venerable John Henry Cardinal Newman*

The Council was saddened to learn the death of Rosemary Myer who passed away this past Sept. 25<sup>th</sup>. She was the mother-in-law of Tom Puerling, PGK. Our prayers go out to Tom, Patricia and their family. This month also let us especially pray for the repose of the soul of Monsignor Raul Vale former pastor of Guadalupe parish, who has died in his native Guatemala. May Rosemary and Mgr. Raul enjoy forever the eternal banquet of heaven.

Cornelius P. Van Son while visiting Holland became ill and needed surgery. He is now recuperating. Keep him in your prayers for a speedy recovery to full health.

Pray also for Brother Joe Darga with heart problems; Marie Christiansen, wife of brother Paul Christiansen, with complications of cancer; Richard Scholl's brother, Alan Scholl, with heart problems, and his cousin John Roth, who has suffered strokes.

We also pray that God may ease the pain of the families and friends of those who have died in terrorist attacks in New York and Pennsylvania, and especially for the many rescue workers who died helping others. The Lord does nothing in vain.

**Let us continue to pray for:**

**CHAPLAIN'S MESSAGE**

**OCTOBER, 2001**

**Rev. Msgr. Stephen N. Downes, Chaplain**

We begin the month of October still reeling from the terrible events in New York, Washington and Pennsylvania. Its almost impossible to comprehend the violence of these terrible deeds and the suffering and death of so many innocent people. The First Sunday of October is traditionally Respect Life Sunday, a time when the U.S. Bishops invite us to focus on God's gift of life from conception to natural death. As Catholics we are called to a Gospel of life and to cherish and respect God's gift of life and each other. The First Reading for Respect Life Sunday this year is from the prophet Habakkuk and a very appropriate Reading for us right now. The prophet confronts violence in his own day as we do so much in our time and cries out: "How long, O Lord? I cry for help but you do not listen!...Destruction and violence are before me". We can cry out on Respect Life Sunday also: "How long, O Lord, until as a nation we cherish and respect the life of the innocent, unborn child and the life of the old, the sick and the severely handicapped? How long until the end of the violence of the extremists who took so many innocent lives in New York, Washington and Pennsylvania? When will there be a change of heart? When will each and everyone seek peace and justice and an end to death, violence and war? God's response to Habakkuk and to us: "Hold fast to the vision of faith, hope and love – the vision will have its fulfillment. Do not lose heart". Instead, let us pray for a change of heart in each and everyone

The council recorded expenses of \$1,123.12 and income of \$1,637.00 during the Aug 16, 2001 through Sept 15, 2001 period. In addition to normal expenses for pantry supplies, office copying, and meeting refreshments, the 10 expense items included \$154.42 for the July bulletin and copies of the membership roster, \$673.10 for the Labor Day picnic, \$112.12 for supplies for the July and August parish breakfasts, and \$100 to Catholic Charities. The income included \$517 from the August 26th parish breakfast, \$1,060 from the Labor Day picnic and \$60 in member payments.

The council lost one member this period when Brother Thomas Trautt took a Withdrawal card, and gained a member on August 22nd when John Giordano received his first degree membership.

## MEMBERSHIP REPORT

By Ralph Wengler, Membership Director

We had a busy month of September with the Second and Third Degrees conferred on five members: John Giordano, Bob Marks, Jim Bradbury, Bill Regis, and George Romish. In the name of Council 5300, I congratulate each of these fine Catholic Gentlemen for moving on in their journey toward Knighthood in our Order. Along with them, having been Second Degree Knights before the month started, were: Francis Arnoult and Mark Christman.

They are also to be congratulated for achieving Knighthood in our fine Order. As announced last month, the degrees were to be held in Santa Maria. Another Third Degree was scheduled in Camarillo on the same afternoon. A few days before the degree date, I received an email canceling the Santa Maria event. Changing the Location required a few phone calls on the part of Frank Castelo. The change in plan also caused a change in attendance. We lost a few who only would only have attended in Santa Maria, but did not gain anyone who only would have joined us in a trip to Camarillo. John Mahan assures that he will try to schedule another Third Degree in Santa Maria, sometime before the end of the year. Please keep up the recruitment activity. We have everything going for us with new members who should have additional contacts, an excellent group of officers, and an insurance field agent who really knows his business

Let us also pray for the full recoveries of Brothers Larry Torres, Jack Stampe, Brian Klinge, and Fred Cota. For all of the above and those unknown to us in distress, but whom The Lord knows well, remember them in our prayers. Pray also for their families that God may give them strength to bear in emotional and financial stress. If you know of any corrections or changes to this Report, please contact me via [richardscholl@hotmail.com](mailto:richardscholl@hotmail.com) or by phone.

**KNIGHT OF THE MONTH**

**Tom Puerling, PGK**

**By Michael Donovan, Grand Knight**

Brother Knight Tom Puerling is no stranger to the “Knight of the Month” column and it is an honor to recognize him for continuing faithful service to Council 5300.

Tom was asked to accept responsibility for the highly successful “Parish Pancake Breakfast”. These events present a significant commitment of time, talent and energy but Tom enthusiastically said “yes!” This year round event is in addition to his duty as Faithful Captain of the Fourth Degree Unipero Serra Assembly.

Tom, a long time employee with Ingalls Plumbing and Heating, voluntarily uses this expertise and experience for St. Raphael Parish. Family, the center of Church, Council and society, called him to be a caregiver for a much-loved mother-in-law, Rosemary Myer. Rosemary died on September 25 and the Council extends to Tom and Patricia its sincere sympathy and prayers.

Despite concerns on many levels, Tom maintained the “beer and soda station” during the Labor Day Picnic, attends Officer meetings and contributes from his wealth of knowledge and experience. Tom is an Eucharistic Minister at Mass for the Parish.

Tom who joined the Knights of Columbus on November 11, 1988 became a 4<sup>th</sup> Degree Knight on January 30, 1993. He was Grand Knight for Columbian Year 1997-1998 and has held most of the Council’s offices. He is currently a member of the First Degree Team.

Tom, you have my personal thanks and the appreciation of Council 5300 for the Knowledge, experience and inspiration you have provided.

**FAMILY OF THE MONTH**

**Brian and Judy Klinge**

**By Michael Donovan, Grand Knight**

It is a privilege to once again name a “Family of the Month” and this month, I have the honor of acknowledging Brian and Judy Klinge.

Brian joined Knights of Columbus Council 5300 on January 12, 1998 quickly assuming responsibilities as an active Brother. For the Columbian Year 1999-2000, Brian was elected to the Office of Recorder and for the Year 2000-2001, he became Chancellor.

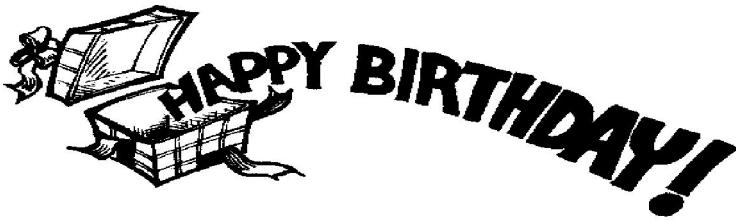

Serious illness struck both Brian and Judy, his wife, but despite these medical challenges and with great support from family, friends and Council members, they have overcome these obstacles and continued an active lifestyle of family, work and service. Brian has moved up to the position of Deputy Grand Knight and has accepted the post of Council Program Director.

The success of the Labor Day Picnic can be attributed to Brian and Judy who chaired this event, their first. Supported by Brother Knights and their families, the food and supplies were ordered, the calling committee went into action, Stow Park was set up and returned to good order!

Brian, a 4<sup>th</sup> Degree Knight as of October 9, 1999, is a past lector for St. Raphael’s. He and Judy have enthusiastically taken upon additional responsibilities of Council service despite fulltime employment. Brian directs his own company while Judy is with the University of California, Santa Barbara.

Brian and Judy have met serious challenges, maintaining positive attitudes, which encourage us all.

It is a privilege to name Brian and Judy Klinge: Family of the Month.

Free Throw Competition. There is an activity to include everyone and your participation is strongly encouraged.

October is the month to honor Christopher Columbus, Patron of the Knights of Columbus. The civil calendar observes Cdumbus Day on Monday, October 8; however, the traditional date is October 12<sup>th</sup>. October is also of vital important because it is "Respect for Life" month. Families are encouraged to pray the Rosary, praying for an end to abortion.

The MR Drive is scheduled for the weekend of October 19-21. Joe Darga has spearheaded the drive as chairman for the past two years and volunteered to serve again; however, an unexpected flare up of a dormant medical problem has prevented him from continuing in the MR Program. Vince Filippello and John Kestel have stepped forward, relying on Joe's quiet experience and guidance and requesting asistance from Brother Knights. The MR Drive, a project for the greater Santa Barbara/Goleta community, assists men, women and children with mental disabilities. The "Keep Christ in Christmas" card program begins in October and concludes on November 23. The program is a reminder of the true meaning of the Holy Season. Funds from card sales become contribution to various Council charities. At present, there is a need for a "Keep Christ in Christmas" chairman. Please contact Brian Klinge at 967-4753, Chris Arnoult at 964-6324 or me at 967-9506 to volunteer your time or for additional information.

# THE NATURAL CHOICE IS LIFE!

## GOSPEL OF LIFE

### What is Stem Cell Research?

**By Robert and Cecilia Marks, Pro-Life Couple**

With the recent media blitz involving stem cell research, many of us have been expected to have an opinion without a minimum knowledge of the subject. Because our Church really does shepherd her flock, she was ready to make a stand against embryonic stem cell research as soon as comments were made public. Please not that the Church is **NOT** against stem cell research using adult stem cells.

The Catholic Church had stated many years ago that it was morally incorrect to have in-vitro fertilization (ICF). This process consists in collecting sperm and ovum, which create embryos in a petri dish or a test tube. These embryos are later implanted in a woman's womb to aid infertility. Due to the fact that multiple implantations are required to obtain a successful pregnancy, clinics save more fertilized eggs than needed. Because this practice has become widespread, we are now faced with a large number of these embryos living outside of the human womb in a research lab. The Church has stated that these embryos have life and must now be allowed to die a natural death.

Stem cell are certain cells that have the ability to divide for indefinite periods in a culture (petri dish) and to give rise to specialized cells. Our bodies have an ample supply of human stem cell that can be used for research without destroying life to obtain them. These cells are found in our bone marrow, fat cells, and umbilical cords to name but a few. First reported in 1998, adult stem cells have received comparatively little interest for research mainly due to the fact that lengthy and careful studies are needed in their use.

Another reason for using adult stem cells rather than embryonic cells has to do with "tissue match". For a patient to be treated, he must have the stem cells that will be a "tissue match" which his body will accept. If embryonic stem cells are used there must be a "tissue match" with the patient receiving them. The envisioned process in adult stem cell research would use the patient's own stem cells for their cure which would eliminate the need for this "matching" process.

Finally, science is meant to serve humanity. Science is not a religion that humanity serves. Those who work in medical research have been given a gift from God, Our Creator. A gift is meant to be used responsibly to serve God's people both ethically and morally. The Catholic Church looks at the "Big Picture" rather than on the short-sightedness of the world as to how decisions will affect mankind. I appeal to my fellow Knights to favor and to educate others in the area of adult stem cell research as the preferred direction in which to proceed.

so hearts will be softened and converted to the Gospel of Life. We pray especially to Mary during the month of October, traditionally the month of the Holy Rosary. Let us pray that we may love and cherish the life of each person as Mary loves and cherishes her Son Jesus and each one of us. Let us remember that Mary Immaculate is Patroness of the United States and so through her we pray for God's blessings on our nation and light and wisdom for our President and all in government so their decisions will be for peace and justice.

The summer blood drive was held on Sunday August 26<sup>th</sup>. There were fortysix people who registered. Thirty-seven were able to donate. Although the thirty-seven units of blood collected was below our usual count, the Blood Bank personnel were more than satisfied. Many thanks to all the donors and workers who were Livia Doderio, Janet Page, Hal Thompson and Eleanor Palazzo. This event was staffed for a total of seven hours.

**James Abels, Faithful Navigator**

We are deeply saddened by the loss of Monsignor Fernando Valle who died in Guatemala City, Guatemala on Wednesday, August 29<sup>th</sup>. He was pastor to Our Lady of Guadalupe Church from 1972 until 1996. He also was a beloved and respected Faithful Friar of our assembly from 1990 to 1992. The funeral and internment took place in Guatemala City, Guatemala, his native home. Our Color Corps participated in memorial services for him at Our Lady of Guadalupe Church on Saturday, September 8<sup>th</sup> where Bishop Curry presided. As is the custom when a 4<sup>th</sup> Degree member dies, a chalice engraved with the deceased Knight's name was presented at the service. It will be sent to Guatemala City for use in one of the poor parishes there.

An upcoming October event is the plan to take our wives to the theater on October 21<sup>st</sup>. The play is "Nonsense Jamboree", a country western musical, which is being staged at the Gracie Bar B Ranch, located in Refugio Canyon.

The major upcoming event is Exemplification, the induction of new members into the 4<sup>th</sup> Degree. If you are interested or know another 3<sup>rd</sup> degree member who might be, please call our Membership Chairman Bernie Jocum at 967-1709. The cut-off date for applications is October 1, 2001. The induction ritual will be held at the Antelope Valley Inn in Lancaster on November 3, 2001.
