GOLETA VALLEY COUNCIL 5300 – 1961-2001

February 2002

Clergy Appreciation Dinner

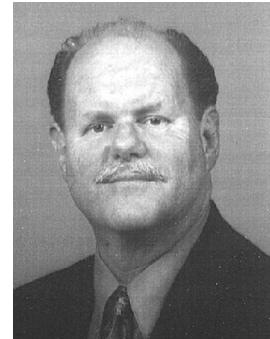

The annual Clergy Appreciation Dinner was held on Wednesday, January 23, 2002 at Serra Hall Santa Barbara Council 1684, Goleta Valley Council 5300 and the Serra Club were the hosts for the very pleasant evening. The evening began with words of great welcome and Grace. Tables of guests rapidly emptied that all could progress toward the kitchen where the chefs had a delicious chicken dinner “at the ready” for the hungry crowd. Serra Hall became the site of a sumptuous culinary moment! The Serra Club invited Brother Tim from Old Mission Santa Barbara to be the guest speaker. Brother Tim presented a well-prepared lecture on Fr. Junipero Serra. From copious research, the history of California’s great missionary priest was recalled. Brother Tim then outlined the process and the progress of a Serra goal: canonization of Fr. Junipero Serra. The presentation by Brother Tim was most informative and well received. The Clergy Appreciation Dinner had its origins in a quiet idea to honor area priests for their dedication to and their efforts on behalf of the Catholic population in Santa Barbara County. The celebration has expanded to include deacons, brothers and sisters as their invaluable contributions to the Catholic presence were recognized. The annual event will continue as an honored tradition.

Grand Knight’s Report ***Youth Is Our Future***

***By: Michael Donovan,
Grand Knight***

Today belongs to everyone but tomorrow belongs to our young people and St. Raphaels Church, School and onsite organizations work continuously to assist our young people toward a good future. Council 5300 encourages its members to support the activities, which involve the youth of the parish and the greater Santa Barbara/Goleta community.

Through the solid leadership of Dennis Santos and John Vasellina, the Youth Ministry presents its annual Valentine’s Day Dinner/Dance on Saturday, February 9th. The young hosts for the festive evening will offer a delicious dinner, entertainment and dancing in a romantically transformed Parish Hall. Toward the latter part of each year, the Youth Ministry also presents its notable Senior Prom, a dinner dance to honor a special category of the population, the senior citizen.

CHAPLAIN'S MESSAGE

FEBRUARY, 2002

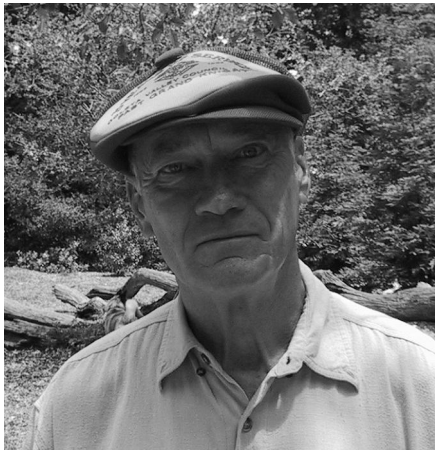

Rev. Msgr. Stephen N. Downes, Chaplain

Lent comes early this year. The Springtime call of the Church to renewal and conversion begins with Ash Wednesday, February 13th. "Ashes to Easter" is the title of a book of prayer meditations by the Auxiliary Bishop of the Green Bay Diocese, Bishop Robert Morneau. "Ashes to Easter" is a good title for the Lenten season. We begin with ashes on Ash Wednesday and the call of the Lord to "return to me with all your heart". The ashes symbolize how temporary everything is and how we are called as disciples of Christ to die to self during Lent so we can rise with Christ to new life at Easter as we celebrate the death and resurrection of Jesus. Fasting, prayer and almsgiving are mentioned by Jesus in the Gospel of Ash Wednesday and are an important part of our turning to God and each other in these Lenten days of renewal. We can fast from food or alcohol as a way of opening ourselves to God and neighbor each day. One writer suggests a fast from discontent, anger, bitterness, self-concern, discouragement, laziness, suspicion, guilt and a feast on gratitude, patience, forgiveness, compassion for others, commitment, truth, the mercy of God. Daily prayer in Lent is life giving and life renewing. Take time to open your heart to God each day in Lent in thanksgiving, in praise, in petition and in cries for mercy. Almsgiving, sharing what you have with the poor and needy can mean giving money (through the Poor Box in Church or the parish St. Vincent de Paul Conference or Catholic Charities). Almsgiving can also mean giving you time to those nearest to

Knight of the Month

Paul Coyne

By: Michael Donovan, Grand Knight

Gertrude Stein and William Shakespeare penned their thoughts that “a rose is a rose is a rose” and “a rose by any other name remains a rose but it is Council 5300’s own Brother Paul Coyne who has truly enhanced the environment of St. Raphael’s by his “petal power”. Paul dedicates annually countless hours to the multitude of rose bushes, which border the church, rectory and school buildings. Parishioners and visitors comment quite often that the beauty and the fragrance of the roses welcome them and make them feel that “church begins outside”. When Paul is not tending the gardens with the gardening crew, he can be found in the kitchen of the Parish Hall cooking up a storm for many of the Council functions, Social Seniors luncheons or Scout events. During the past Christmas Season, Paul added he role of Santa Claus to his resume’ of volunteer work. Civic and church responsibilities are important considerations in Paul’s definition of service and thus he can be found as an election poll worker and as a Eucharistic Minister. It is a privilege to recognize Paul Coyne as Knight of the Month.

Family of the Month

Robert and Laura Clarke

By: Michael Donovan, Grand Knight

It is a privilege to name Robert and Laura Clarke Family of the Month. The Clarke’s are the third couple during this Columbian Year who have assumed complete and first time full responsibility for organizing a Council event. Robert and Laura directed the annual Free Throw Contest at the

Goleta Boys and Girls Club on Sunday, January 27th. Beginning with distribution of flyers to St. Raphael School, retail outlets and the Club itself, Robert and Laura monitored the contest for boys and girls in established age brackets.

Robert, a graduate of Santa Barbara High School, and Laura, a graduate of Dos Puebbs High School, continue their participation in activities for young people. They have two children,

Sarah and Kyle, who attend St. Raphael’s School and thus have an involvement in school programs, currently the February School Auction. The Clarke’s maintain full time employment outside their recently purchased home in Santa Barbara.

Despite all their activities, Robert and Laura graciously accepted the Council’s annual sports event for boys and girls. Council 5300 expresses its appreciation for the commitment of time and energy which made the Free Throw Contest a reality.

Youth Is Our Future

St. Raphael School annually holds its School Auction, a major source of financial assistance for its students. The staff and parents dedicate uncalculated hours and energy to this highly successful effort designed to provide the funds necessary to maintain an institution well respected for its strong Christian Catholic teachings and educational credentials. Council 5300 continues a steady involvement in the activities of the youth. The Council sponsors the Free Throw Contest for area boys and girls. Every participant is recognized with a certificate. Winners of the Council contest will advance to the Chapter contest followed by the State contest and on to the International contest. The annual Essay Contest sponsored by the California State Council provides youth with an opportunity to share their ideas. This year the topic is "My Responsibility as a Catholic in a Free Society". Council 5300 will pass on those judged best to the Chapter who will forward top Essays for each group to State Supreme for final judging. US Savings Bonds will be awarded to the winners of each age group. Consistent with its philosophy of supporting organizations, which encourage young people, the Council offers financial assistance to the Parish's own Scouts and the Venture Crew. Young people require a place to gather and the Knights as a Council and as individuals have donated generously for the Parish Community Center with its facilities for young people.

Families are the primary teachers of society's youth and the Council supports activities, which bring families together: parish breakfasts, the Italian dinners, the Parish Picnic and the Lenten "Fish Fry-days" – coming very soon!

St. Raphael's Church, School and Council 5300 work willingly and diligently to provide the foundation for its youth-our future.

Altar Servers Appreciation Day
 Larry Stigney
 Council Activities Director

Knights of Columbus Councils 5300, 1684, and the Serra Club recognize altar servers in Goleta, Santa Barbara and Carpinteria every year by providing a BBQ for servers and parents at which personalized calligraphed certificates are presented by Bishop Curry. The event this year was at Serra Hall on Saturday January 19th at 2PM. Our responsibility was preparation of 200 trip sandwiches. Council 5300 volunteers were: Joe Ponce, Hal Thompson, Bill Regis, Vince Filippello, Frank Castelo and Larry Stigney. We started the sandwich assembly line just before 1PM and were finished with time to spare. All sandwiches, salad and chili beans were consumed by the estimated 150 attendees.

THE NATURAL
CHOICE
IS LIFE!

We Have Not Forgotten You

**Adoption
not
Abortion**

By Robert and Cecilia Marks, Pro-Life Couple

**Talk to your children
about religious life.**

Located next to Our Lady of Sorrows Catholic Church in downtown Santa Barbara is a beautiful meditation garden. Our own Knights of Columbus Council 5300 in conjunction with the Santa Barbara Council 1684 constructed and built this special memorial for all children lost to the world in the holocaust of abortion. A statue of St. Ann with her child, Mary, is surrounded with life-reflecting vegetation and two large sandstones for sitting in prayer and reflection.

One of the beautiful aspects of our Catholic faith is the belief in the Communion of Saints: the spiritual union that exists between the souls in heaven, those in purgatory and the faithful living on earth. In faith, each of us can join our voice in prayer with the whole body of Christ that this scourge be removed from our country and from the world.

As one sits in this special garden, and meditates on the Annunciation, the words of the Archangel Gabriel to Mary come to mind: "Nothing is impossible with God" With that answer, two unlikely women became mothers, i.e. Mary, a virgin, and Elizabeth, a senior citizen. We are given hope for the future that Life will once again be cherished.

Inscribed below the statue is the quotation from Isaiah 49:15-16 "I will never forget you. See, upon the palms of my hand have written your name." These words show the love the Father has for each of His children. Clothed in this love we have the strength to continue in the struggle to change hardened hearts so that they too can embrace Love.

To have a physical place to go and to know that something has been done to NOT forget so many innocent souls is a great comfort to me and I hope to you also.

January was a good month. It started with the First Degree at the business meeting on January 14. We were honored to have two new members, Joe Castro and Sean Gross. Joe and his family are new to the Goleta area and he is employed at UCSB. Sean is a senior at Dos Pueblos High School, planning to attend for four years at Loyola University in Chicago followed by entering the seminary at Marynoll, New York. There was a Second Degree at Council 2475 in Santa Maria on January 22. Joe Castro and Carlos Cohen were able to attend.

Sean Gross,
Joe Castro

The Third Degree was also at Council 2475 in Santa Maria on January 27. Our proud recipients were:

Joe Castro,
Vincent Filippello,
John Kestrel,
Ted Osborne

I am sure that there will be another opportunity in this Columbian Year for Council 5300 members to participate in second and third degrees. There is interest in advancement on the part of several members who had conflicts of schedule in January. Keep asking men who are known to be Catholic if they have ever been asked to join the Knights of Columbus. You may get a surprising answer.

The Santa Barbara Serra Club

The Santa Barbara Serra Club is part of an international organization of over 20,000 men and women who work and pray for vocations. Serra functions as the official lay vocation arm of the church.

The mission of Serra is three-fold: vocations, vocations and vocations. First, we work for new vocations to the priesthood and religious life. Second, we support the current religious in their chosen vocations and third, we work and pray for our own vocations as members of the priesthood of the laity.

Among the programs the local club supports are Alter Servers Appreciation Day, Religious Appreciation Night and the '31 Club'. The 31 Club is a program where members agree to pray one day a month for the vocations the church needs. You can join us by simply agreeing to dedicate one of your days each month to praying for vocations. One-way of doing this is to attend Monday Exposition or evening devotion at Saint Raphael's.

For information on Serra visit one of our web sites at www.serrainternational.org or www.serraus.org. Or, ask our past club president and soon-to-be District Governor Larry Stigney, l_stigney@msn.com / 967-6058.

you, your family, as well as to others in service activities of the Knights of Columbus. In whatever way we spent Lent. Let us remember that we do so together, as a parish, as a community, as a whole Church. We are turning to God and walking together with Jesus on his way to the Last Supper, the Cross on Good Friday and glorious resurrection at Easter. We are also walking with catechumens who are preparing for Baptism at Easter and candidates for full membership in the Church who will also enter the Church at Easter Vigil. All will renew our Baptismal oneness with Christ dying and rising from the dead at Easter. Lent is our spiritual retreat and renewal in preparation for new life is Christ at Easter. Let us use these days of Lent well.

God of all nations, we are grateful for the first Catholic missionaries who came to our land. They brought countless skills, talents, and traditions with them, but their greatest treasure was their faith. May the Good News of Jesus, which shaped their lives, continue to shape our lives today. Bless our diocese with priests, deacons, and religious to follow in their footsteps. Amen.
