GRAND KNIGHT'S REPORT

**By Brian Klinge, Grand
Knight**

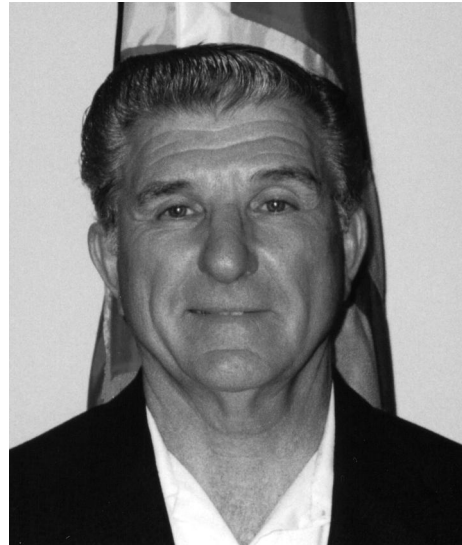

One of our basic missions, I believe, is to continue to build a Culture of Service within the communities we serve, as evidenced by Knights helping others through Catholic Charities (Brother Fritz Cahill recently informed us that we now provide assistance to approximately 850 families) and sponsoring the recent flu shot clinic with the Health Ministries Group at St. Raphael's. In excess of 600 doses of the serum were administered to parishioners and the public at large!

What other knights and I have learned is that fraternalism still matters. *Continued on Page 4*

Isaiah 9:6-7

6For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful Counselor, The mighty God, The everlasting Father, The Prince of Peace.

7Of the increase of his government and peace there shall be no end upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even forever. The zeal of the LORD of hosts will perform this.

**Financial Secretary's Report
16 October– 15 November 2002**

The council recorded expenses of \$585.18 and income of \$4,140.61 during the October 16, 2002 through November 15, 2002 period. In addition to normal expenses for office supplies, copying, and meeting refreshments, the 8 expense items included \$150 for the annual bulk mail fee; \$105.63 for the dinner for the Regional Religious Conference; \$69 in per capita dues to Los Padres Chapter; and \$100 to Catholic Charities.

The Tootsie Roll drive for the mentally retarded provided the largest income item at \$2,311.55; almost \$1,640 of this income will ultimately go to charity. Other large income items were Fiesta Italiana at \$931, the 27 October breakfast at \$661, and member payments (mostly dues) at \$167. Donations at several events provided the remaining income.

The Council suspended two members, Kenneth Herrera and Charles Cohen, for lack of payment, and lost a third member with the transfer of Fr. Vaughn Winters to Santa Maria. The First Degree Exemplification on 11 November provided two new members: Stephen Schlesselmann and Raul Guzman. With these losses and additions, membership declined by one to 198.

Jerome Becker's name was drawn for the attendance prize at the November business meeting, but Brother Becker was absent. The December business meeting attendance prize will be \$40.

**GRAND KNIGHT'S REPORT
By Brian Klinge, Grand Knight**

In fact, as pointed out by Supreme Knight Carl Andersen in speech delivered at the National Congress of America September 26, is that fraternalism matters today more than ever.

Since September 11 of last year, our nation learned again lessons of service and sacrifice, of compassion and heroism. We were reminded that Americans want to be a part of something bigger than their own self-interest. And we learned that Americans will help their neighbor whether he lives across the street, the country, or an ocean.

That being said, what can we do to help society take the next step-to convert the commitment to service into a new Culture of Service that will make it a permanent part of daily life in the 21st century? What can we as Knights and fraternalists do to strengthen and sustain what President Bush has referred to as "communities of character"? In order to make the new Culture of Service a lasting legacy of Sept. 11, I believe that we who have been so involved in fostering this Culture on a daily basis need to look back, back beyond Sept. 11, to the earliest days of each of our organizations and us. We need to return to our roots. Each of our societies has in its own way developed a unique Culture of Service. Each of us needs to renew our founding vision of what families can accomplish when they join together for each other's goodwill and the common good.

We must all do more to show the community at large the contributions made by our unique Cultures of Service. Knights must not hesitate to make clear that the Culture of Service that is our tradition is one that is inseparable from the communities of character that are part of our tradition.

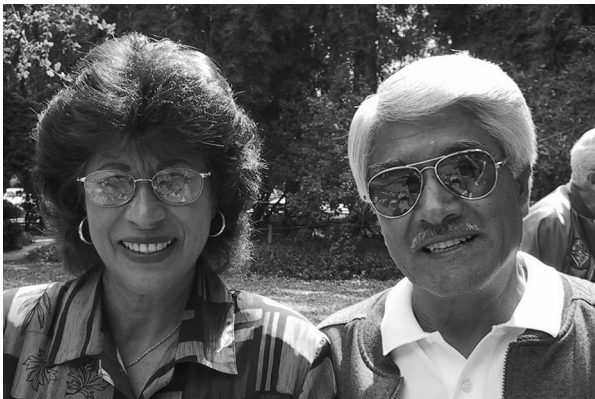

In the midst of the current business and economic environment, fraternalism makes a bold assertion: WE ARE ORGANIZATIONS WORTH PLACING ONE'S TRUST IN, WORTH PLACING ONE'S FINANCIAL RESOURCES IN AND WORTH BASING ONE'S BELIEF'S ON.

Pope John II has said, "No one is so poor that he cannot give, and no one is so rich that he cannot receive."

If ever there was a more perfect recruitment message for any of our organizations, I cannot think what it might be. *Vivat Jesus!* May you and your families have a blessed, safe, and enjoyable Christmas.

DECEMBER FAMILY OF THE MONTH

Written by Brian Klinge, Grand Knight

For this month, I have chosen another very supportive family, Felix (PGK) and Julie Sanchez. They are another great example of the kind of family we are proud to have as active members of our Council. Felix has been a positive influence in our Council, having initially joined in December '76 and became a Fourth Degree in June '96. Felix was Grand Knight during the Columbian Year 1998-1999. Felix is an HONORARY MEMBER, a status achieved by age and twenty-five (25) years of consecutive membership. He is always more than willing to participate in Knights Activities, including being a member of our Calling Committee.

(When I was recuperating from my stroke and Felix took me daily to have my blood tested at SBMF Clinic, thank you Felix for being there).

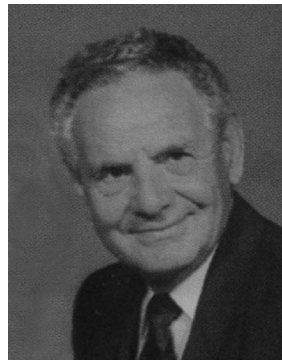

Julie is very supportive of Felix's activities within the Knights (for which I am grateful). She is always more than willing to take an active and helpful role in our Activities. Both Felix and Julie are active in our Parish, and participate as Ministers of the Eucharist; we are blessed to have them in our Council. We are proud to name them as our December Family of the Month.

DECEMBER KNIGHT OF THE MONTH

Written by Brian Klinge, Grand Knight

It is my privilege to acknowledge a long-standing member of our Council, our Brother 'Sir' Knight Ralph Modugno as "Knight of the Month." This honor is certainly no surprise to those who know Ralph, who is always behind-the-scenes.

Ralph and his wife Helen own Santa Cruz Markets and are very supportive of Knights Activities by discounting the cost of the food we serve at our breakfasts and dinners (without his generosity, these meals would be not be as financially successful as they have become for our Council). He also allows us to collect money for our Annual MR Tootsie Roll Drive at Santa Cruz Markets.

I believe Ralph has turned the daily operations of the markets over to his two sons. One store is located in Old Town Goleta and the other is located in Santa Barbara.

Walter Swiacki proposed Ralph for membership. Ralph took his First Degree in 1948 and became a Fourth Degree member in March of 1988.

He is an HONORARY LIFE MEMBER, a special status achieved by age and twenty-five (25) years of consecutive membership.

Ralph is now enjoys his retirement here in the Santa Barbara Area, and, no doubt, assists his sons with the stores. He readily uses his expertise and experience gained in the food business for the benefit of St Raphael's Parish, and our Council.

As previously mentioned, Ralph has helped us with numerous pancake breakfasts, Fish Fry's, Memorial Day and Labor Day.

Although it is difficult for him to attend regular meetings, many of us have always found him willing and helpful to assist brother Knights in doing work and sharing ideas and advice.

Ralph's wife, Helen, is very supportive of his activities within our Council, for which I am very grateful. Thank you. We are all thankful for his dedication to the Knights, our Council and providing his support, expertise and experience to those members fortunate enough to know and work with him.

GOSPEL OF LIFE
Make a Difference!

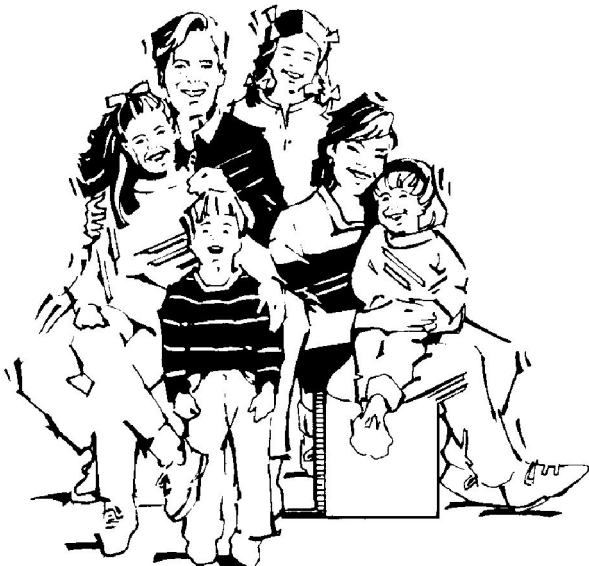

By Robert and Cecilia Marks

One of the places a child should be safest is in the womb of his or her mother. However for the last thirty years the vocation of "motherhood" and title of "mother" has been degraded and relegated to the lowest occupation a woman could have in the eyes of the world. Let's be bold and elevate the Father's gift of sharing in His process of creation to the very summit of vocations.

Alice Von Hildebrand writes: "I feel very deeply that every woman is born to be a mother. But it is a great mistake to limit this mission to biological maternity. Great and noble as the latter is, it is an incarnation of something much deeper: sharing of one's very life; an ardent desire to give oneself to others, willingness to suffer so that another may live. This is why women are ideal nurses; this is why St. Edith Stein, a Jewish convert who died in a concentration camp characterizes women as those who "cherish, guard, protect, nourish and advance growth" in keeping with their "natural, maternal yearning." There is a spiritual motherhood. An openness of one's heart to whatever is helpless, feeble, or need)".

A woman's vocation is to love and to nurture. Understanding this, we can see that abortion is a crime par excellence of our decadent and sad century. Not only does it sin against God, against the Child Jesus, against the sacredness of human life, but it kills one of the most noble and tender qualities rooted in the female heart: The vocation to protect what is weak."
