GOLETA VALLEY COUNCIL 5300 – 1961-2003

February 2003

RECRUIT, RECRUIT NEW MEMBERS

By Brian Klinge, Grand Knight

Now is the time to surge forward and provide our Brother Sam Alfano (805967-0595) with the names of prospective new members. The mathematics of recruiting is: we need in order to get thirty that will actually hear a presentation. Of those, only one-third will sign up at that time. The quality of the people referred will have a dramatic affect on the results of the actual signups of qualified members, and will certainly affect the long-term condition of our Council.

WE NEED NEW MEMBERS TO KEEP US ON TRACK FOR OUR CALIFORNIA MEMBERSHIP GOAL OF 10 ADDITIONAL NEW MEMBERS BY JUNE 2003. (See Sam's article on the membership drive.)

I cannot emphasize enough how important it is to get new members with fresh ideas and energy; if you have not already done so, please provide Sam with the name and information on someone you think would be a good candidate.

We are having the Annual State Deputy Testimonial Diner on February First at the Knights Hall in Ventura. I want to thank all who have helped get new members thus far this year.

K of C 5300 Business Meetings A Full Fare Affair

The December and January business meetings have been made much more enjoyable due to the efforts of Mark Christman and the snack food that he has been providing for brother Knights after the meeting. Mark has been serving polish sausages (the cooking during the meeting is a killer) and roast pork loin slices with bread or tortillas and condiments and a few hot peppers for the daring types. This food is a pleasant ending to successful business meetings and there has been a big crowd around the warming oven and the serving counter.

Thanks to Mark for the great food and service. Come to the meetings and enjoy the good snack food (it's almost an entire meal) and the camaraderie of your fellow Knights.

CLERGY OF THE MONTH

FRANCISCAN SISTERS OF THE SACRED HEART

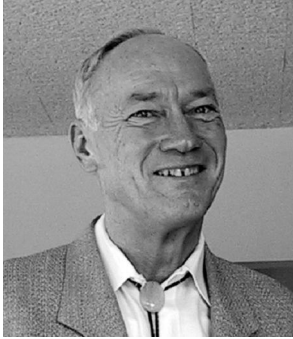

By Richard Scholl Deputy Grand Knight

This is a new bulletin feature honoring our clergy and fostering the virtues to which they are dedicated. Each month we will select an order in Santa Barbara and give a history of their special works of charity and the ideals they uphold. We hope you like this series. For this first month I have chosen a group close to me, the Franciscan Sisters of the Sacred Heart. I work with members of this order in my job, an aunt was a member of the order, and several relatives have worked closely with them at St. Francis Hospital.

In 1866 at Seelbach, Germany, Father Wilhelm Berger founded a group of women modeled after St. Francis of Assisi and St. Vincent de Paul and dedicated to the pursuit of holiness through works of neighborly love. They were to be “Sisters of Mercy, Joyous and Poor”. The sisters cared for the needs of the poor, for the sick in their homes, for victims of typhoid and smallpox epidemics raging in the area, for orphans’ homes and schooling, and for the elderly. The order earned the Iron Cross for nursing soldiers on the battlefield. However, Chancellor Bismarck ordered the sisters to disband or leave Germany. So, Mother Anastasia Bischler led a pilgrim band of sisters to Indiana, where many German immigrants fleeing religious persecution were settling, then on to Illinois, California, and Brazil. In California, the sisters located in San Francisco, Santa Barbara, and Los Angeles. The sisters were invited to Santa Barbara by Fr. Michael Reichardt O.F.M. to provide hospital care. In 1908, the sisters started by purchasing for \$23,000 the Quisisana Sanitarium and renamed it St. Francis Hospital. They began to expand services immediately, adding a surgical wing in 1910, and culminating in a new 100 bed facility opened in 1923. But that dream was shattered by the earthquake of July 29, 1925, which destroyed the entire structure. However, not one patient was injured. The sisters set up tents on the property and finding the statue of the Sacred Heart unscathed amid the rubble, saw a sign of God’s will to rebuild. With the sisters’ faith and courage arousing the community’s support, a new hospital opened in August 1927. As before, the sisters have continually expanded to serve the community needs. They established a school of nursing, a clinic for the poor, made large building additions in 1956 and 1984, and many area remodels for expanded services and new technology. In 2000, St. Francis Medical Center was sold to Catholic Healthcare West, and now, due to the pressures on the healthcare industry, the hospital is for sale. The statue of the Sacred Heart still stands at the hospital.

During almost 100 years of presence in Santa Barbara, the Franciscan Sisters of the Sacred Heart have truly been “Sisters of Mercy, Joyous and Poor”. Three sisters now live at the convent at the hospital and work in the hospital, at the associated retirement home, and at St. Vincent de Paul school. The sisters’ motherhouse is at 9201 West St. Francis Rd., Frankfort, Illinois, 60423 where 37 retired sisters live. About 130 members of their order are working in Illinois, Indiana, California, Brazil, and Belize.

**Financial Secretary's Report
16 December 2002– 15 January 2003**

The council recorded expenses of \$1,868.50 and income of \$6,091.55 during the December 16, 2002 through January 15, 2003 period. In addition to normal expenses for office supplies, copying, and meeting refreshments, the 10 expense items included \$310 to the City of Goleta for Stow Grove reservations for Memorial Day and Labor Day; \$323.36 for food and \$121.78 for decorations for the Christmas party; \$264.50 in per capita assessment by Supreme; \$160.55 for printing the December bulletin; \$100 to Catholic Charities; and \$315 to St. Raphael's SPIRIT for ads in the Christmas edition. These ads included our regular ad, three Third degree photos, and five Fourth degree photos. The assembly has already reimbursed the council for the Fourth degree photos.

Income included \$1,061 from the Christmas party; \$149.44 from the assembly as reimbursement for food for a Fourth degree dinner; \$175 reimbursement from the assembly for photos in the SPIRIT; \$356 proceeds from the 29 December breakfast; \$166.75 from Keep Christ in Christmas card sales; and \$4,166.86 in member payments. The member payments include \$389.86 for the 365 club (Columbian Charities).

The council lost one member and gained one member during this period. On 30 December, Frank Lynch transferred to Council 6145 in Newton, PA. Those who knew Frank remember him as an energetic knight. We wish him well. At the 13 January business meeting, Terry Sliger introduced Leonard Cruess, who is transferring in from Council 1684. Brother Cruess is an honorary life member. Membership remains at 198.

The attendance prize went unclaimed at the January business meeting since Bernie Jochum whose name was called was absent. The February business meeting attendance prize will be \$50.

FEBRUARY FAMILY OF THE MONTH

Written by Brian Klinge, Grand Knight

For this month, I have chosen another very supportive family, Sir Bob Marks and his Lady Cecilia. They are another great example of the kind of family we are proud to have as active members of our Council. Bob has been a positive influence in our Council, having become a Fourth Degree Knight this last November 2002.

Both Bob and his wife Cecilia co-author the Gospel of Life for our Knightline newsletter each month. This interesting and informative column reflects their strong commitment to Faith and Family and to the Rights of the Unborn, the most vulnerable of society's members and their willingness to stand firmly against ALL which challenges life from conception to natural death. (The Santa Barbara News-Press has printed their pro-life letters in its Letters to the Editor Column for several years).

Bob and Cecilia contribute their time and talents for the benefit of our St. Raphael Parish. Cecilia worked as the Director of Early Childhood Education; both serve as Eucharistic Ministers and participate in the Small Prayer Group Program, assist with the annual Parish Picnic and in past years, were very active in the Parish Scouting Program.

As a team, Bob and Cecilia prepared the First Annual Day of the Unborn for the Knights of Columbus, which encouraged all Knights to witness to the Rights of the Unborn.

Bob and Cecilia are the parents of Five (5) children and as a family celebrated the wedding of their son Christopher last April 2002, where Father Steve presided.

It is with great thanks and praise that I am

As mentioned above, both Bob and Cecilia are active in our Parish, we are blessed to have them in our Council. We are proud to name them as our February Family of the Month.

FEBRUARY KNIGHT OF THE MONTH

Written by Brian Klinge, Grand Knight

It is my privilege to acknowledge an active member of our Council, our current editor of our Knightline publication, Ted Osborne.

Believe me, without his level of commitment, Knightline would not exist in its present state. We continue to receive acknowledgement for this fine publication.

For a non-"techie," the opportunity of working with Ted is an experience into the complex world of computers, software and hardware. (His apartment is a computer science laboratory of the technical workings of the computer, i.e., scanners, library of manuals and CDs. All of these are used regularly by him in the preparation of our Knightline. His suggestions concerning the formatting of articles and taking digital photographs have significantly broadened the skills of regular contributors to the Knightline.

Ted became a Third Degree member in 2002. When he is not working his computer skills for our benefit, he can be seen cycling through Santa Barbara, Goleta and bicycle trails in Los Padres National Forest.

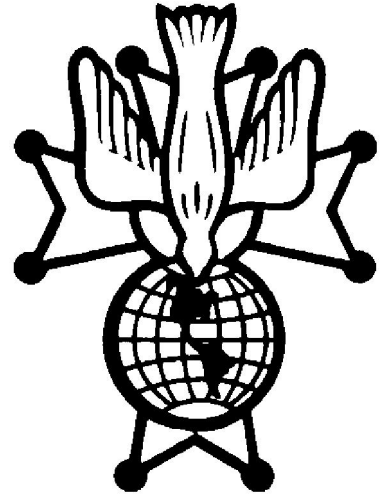

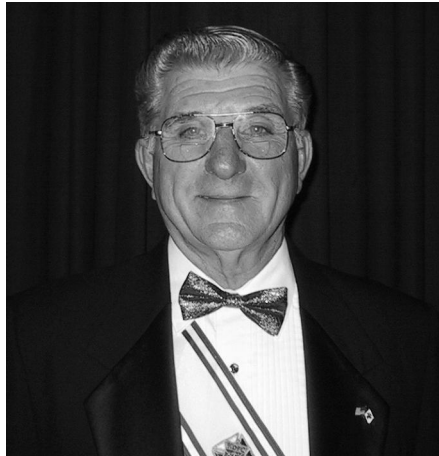

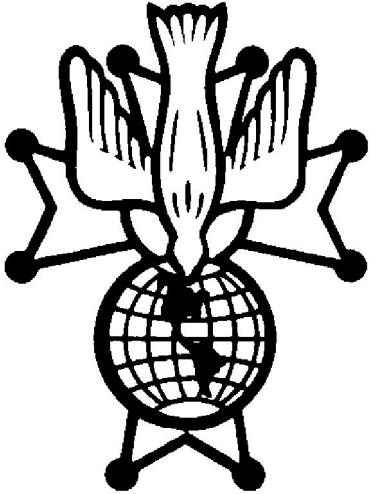

He can occasionally be seen at our social functions with his digital camera, taking pictures for our future articles.

It is my privilege to recognize Ted Osborne as our February KNIGHT OF THE MONTH.

*THANK YOU FROM THE PARISH BREAKFAST CHAIRMAN
TOM PUERLING*

Brothers, as January 2003 slips into the past, we need to concentrate on the year ahead. Months fly by and are gone before we know it.

I'd like to thank all those Worthy Knights who have helped me with the Parish Pancake Breakfasts in the past several years. We have 3 cooks now, which alternate quite nicely, Ralph Wengler, Carlos Valenzuela, and Terry Sliger. As you know we will be leaving the area for Orcutt this mid-year. Someone needs to come forward to chair the breakfasts. Give me a call and I'll give you all the information you'll need to carry this worthwhile function into the future, 967-0876.

BY FAITHFUL NAVIGATOR, TOM PUERLING

As Faithful Navigator of Junipero Serra Assembly 0044, I'm out recruiting new members for our next exemplification. The 4th Degree is the patriotic branch of the Knights of Columbus. Now more than ever, we need to stand behind our freedom, display our flag, and pray for guidance for our country's leadership. Be proud of our flag, our National Anthem and our other songs of patriotism and freedom. The exemplification will be at the Marriott in Buellton, California, Saturday, November 1st. Now is the time to join us. You won't have another opportunity to attend this close to home. Did you know that our Regional Bishop, Rev. Thomas Curry is a 4th Degree member? Also, past associate pastors, Fr. Vaughn Winters, Fr. Alberto, past pastor Msgr. Stephen Downes, Msgr. Henry Van Son are 4th degree members. Join our ranks, become a member of our color corps and march in the Fiesta or 4th of July Parades, Flag Day ceremony in Goleta or the Confirmation ceremonies from Carpinteria to Goleta. We need you; we want you, to strengthen our ranks. Did you now that when a 4th degree member dies, a chalice or pix is given to a church somewhere in the world, inscribed with his name, to be used at the celebration of Eucharist? What an honor! Talk to any 4th degree member for more information. Let's have a large representation from our two councils Santa Barbara 1684 and Goleta Valley 5300. Pray for our clergy and for vocations.

Vatican calls Catholic politicians into line

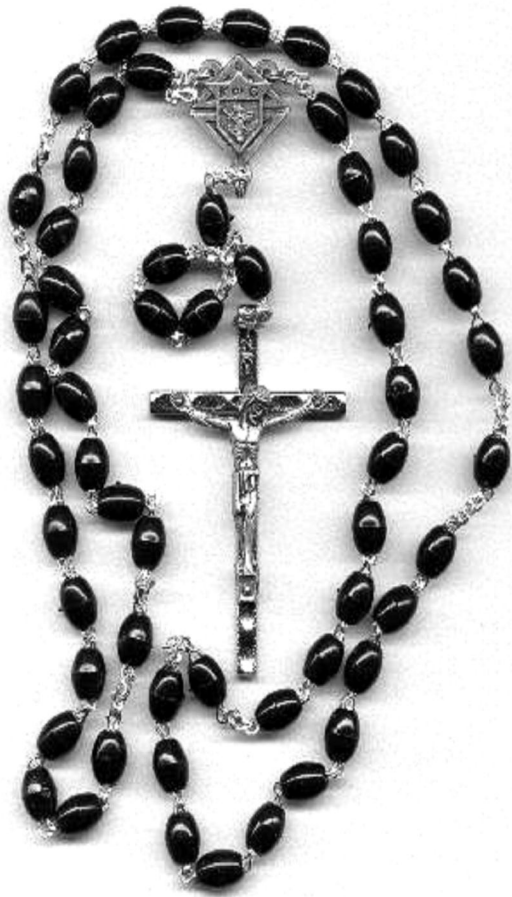

By Philip Pullella

VATICAN CITY, Jan 16 (Reuters) - The Vatican told Catholic politicians on Thursday they must oppose laws on abortion, euthanasia and gay marriages and can not accept compromises on Church teachings when formulating policy or legislation. The instructions were contained in new guidelines, which the Vatican said it was publishing now because recent "unsettling" scientific advances, such as embryo research, and social changes had made it necessary to clarify the Church's position again. The document, called "Doctrinal Note on Some Questions Regarding the Participation of Catholics in Political Life," also turned the screws on Catholic publications, saying they could not put forward different views for the sake of pluralism. The guidelines, which reaffirm traditional Church teachings, said Catholic politicians had to be reminded of them because of confusion that developed over Catholic doctrine. The 17-page document said Catholics in political life "cannot compromise" in the name of tolerance, pluralism or freedom of choice when making or supporting legislation. "Democracy must be based on the true and solid foundation of non-negotiable ethical principles, which are the underpinning of life in society," said the document by the Vatican's doctrinal department, the Congregation for the Doctrine of the Faith. "Those who are directly involved in lawmaking bodies have a grave and clear obligation to oppose any law that attacks human life. For them, as for every Catholic, it is impossible to promote such laws or to vote for them," it said.

NO RECOGNITION FOR SAME-SEX MARRIAGE

The document, specifically approved by Pope John Paul, called for laws protecting the family, which it said had to be "based on monogamous marriage between a man and a woman, and protected in its unity and stability..." "In no way can other forms of cohabitation be placed on the same level as marriage, nor can they receive legal recognition as such," it added. The Vatican is firmly opposed to recent moves aimed at legally recognizing same-sex marriages in several European countries and in North America. The Netherlands has recognized registered gay partnerships since 1998 and it passed laws allowing same-sex couples to marry and adopt children in December 2000. Several other European countries have given gays rights just short of those enjoyed by heterosexual married couples. Asserting that fundamental moral laws were at stake, the document restated the Church's opposition to abortion and euthanasia and urged respect for the rights of the human embryo. In an apparent reference to the dangers of cloning -- which the Church rejects along with stem-cell embryo research - - the document warned of potential laws that are "heedless of the consequences for the existence and future of human beings (and) attack the very inviolability of human life." It also criticized Catholic organizations and publications in some countries for taking "ambiguous or incorrect" stands. Such bodies could not support political forces or movements with positions contrary to the teaching of the Church on ethical questions, the document said.

Keep Christ in Christmas

Council 5300 volunteers sold 68 boxes of religious Christmas cards this past season. They manned the doorways to St. Raphael's for three Sundays and sold them at the pancake breakfast, the blood drive and the Ladies Boutique. Gross proceeds were \$531.50 and net proceeds were the good will shown to parishioners and participation in the distribution of approximately 1,000 beautiful religious Christmas cards. Thanks to all who volunteered.
