GRAND KNIGHT'S REPORT

By Brian Klinge, Grand Knight

FATHER MCGIVNEY'S CANONIZATION

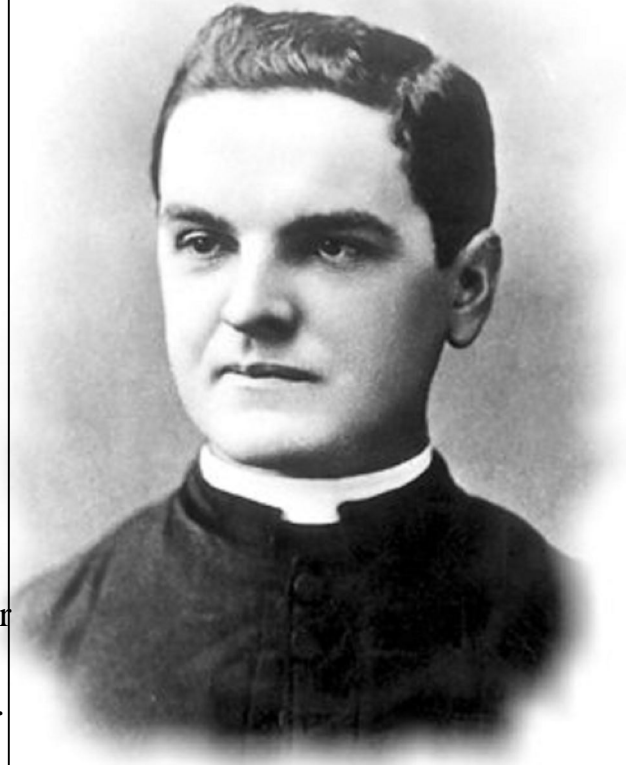

Regarding Father McGivney's canonization, I was asked to reprint the following by our Chapter President, Tim Carvahlo. It is excerpted from the Supreme Convention report by rF Gabriel B. O'Donnell, O.P., on the Cause of Fr. McGivney.

He began with the status of the cause in the forms and formalities. He then went into the following:

"...But it leads to a second, and in a way more important, question in light of our theme, Now is the Time for the Great Catch!' Because when I first began the work of postulating the Cause of Father Michael J. McGivney, in talking to brother Knights, I was quite astonished by the numbers of different attitudes toward the promotion of Father McGivney's canonization.

"Of course most Knights were enthusiastic. But many thought that this possible canonization of Father McGivney would be good for the Order because it would give the Order greater status.

Clergy of the Month Vincentians

June 2003, Knightline 5300, Page 3

Vincent Depaul

Founded in 1625 by St. Vincent de Paul as Priests of the Congregation of the Mission. They were originally organized to give missions for the poor country people at that time so neglected by their clergy in a time of religious and political turmoil. They were secular priests, rather than a religious order. In Europe they were known as Lazarists after their original house in St. Lazare, near Paris. They were known in English speaking countries as Vincentians, and in Spanish speaking countries they came to be known as Paules. They spread their work throughout Europe within the life of their founder. The congregation spread later throughout the world. In Barbary and Madagascar, they even fulfilled the duties of consul, when it was too difficult to find a layman for this office. Some were imprisoned and others were put to death at the cannon's mouth.

Vincent's method was to render all services gratuitously. Therefore, a mission house must have a sufficient foundation to allow the missions to be given without charge. In the United States there are no foundations and it has been the custom of St. Vincent's missionaries to accept whatever offering is made. From 1652 to 1660 more than seven hundred missions were given from the house of St. Lazare alone. Mission preaching has been employed in every age of the Church, but the modern form of systematic parish missions was commenced by St. Vincent de Paul and the Congregation of the Mission. St. Vincent cites an instance: "A mission was given among the banditti and these wretched people were converted by the grace of God." Elsewhere he says: "Of all the means which the Almighty has left to mankind for the correcting of their lives there is none that has produced effects more striking, more multiplied and more marvelous than the exercises of a mission."

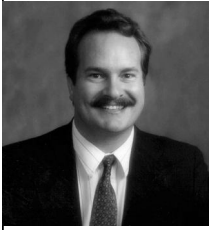

Vincent also founded his community to serve priests. In France in his day many priests, especially in the country, had no practical means of formation. Clerics received their formation chiefly at the universities or in the colleges of the chief cities. The Lazarists provided seminaries as small homes for clerics who attended the universities and colleges. In their seminary, priests received support from other priests and there was a course in liturgy and practical study of moral theology, and when the time came they were aided by a retreat to prepare for ordinations. Later they organized seminaries similar to what we know.

During the French Revolution, the Lazarists were suppressed and their houses taken over by the government. Many of them died martyrs or in prison. At this time, there are 4085 Vincentians worldwide in 84 countries.

The first Vincentians came to the United States in 1816 and to Santa Barbara in 1964. Father Felix Andreis was the first Superior of the Order in the United States. He arrived with one other priest and a brother. Their Retreat Center, formerly their seminary, is located above Santa Barbara on Los Canoas Road. Fathers Walter Housey, Jim Galvin, Roy Persich and Pat Mullen are in residence. They give missions for engaged persons, ecumenical gatherings, clergy, high school and confirmation classes, and parishes.

MAY FAMILY OF THE MONTH
Written by Brian Klinge, Grand Knight

**Bill & Carol McLafferty,
Anna Lisa, Angela, Francesca, John**

For this month, I have chosen another very supportive family, **Sir Knight William (Bill) McLafferty and His Lady, Carol**. They are another great example of the type of family we are proud to have as active members of our Council.

Bill became a First Degree in April 2001 and became a Fourth Degree in November 2002. Bill was proposed for membership by Chris Arnoult. (Further, Bill was one of my finance students when I taught at UCSB).

Bill is on the slate of Officers for the next Columbian Year, and will serve as Advocate.

Bill is a Superior Court Judge employed by Santa Barbara County. He left a successful law career as a local Attorney and Managing Partner.

Both Bill and Carol are a strong and positive influence in our Council. They have a young family-the oldest daughter wants to attend Stanford.

I have found them to be a reliable resource and willing to share their insight and knowledge.

Thank you for your dedication to our Council. We are blessed to have them in our Parish and Council. We are proud to name them as our **June Family of the Month**.

MAY KNIGHT OF THE MONTH
Written by Brian Klinge, Grand Knight

It is my privilege to acknowledge Sir **Knight William (Bill) Regis** as "Knight of the Month." This honor is certainly no surprise to those who know Bill, who is an active member in service to this Council, always helping in whatever way he can when called upon.

Bill joined the Knights May 2001 and completed his Fourth Degree November 2002. He was proposed for membership by SK Bernie Jochum. For the past several years, Bill has served us as our Recorder and keeper of our records, and has regularly attended all Board and Business meetings. Further, he has headed up and done a tremendous job with our Annual Fish Frys during Lent. (As witnessed by this last year's BIG SUCCESS).

Bill's wife Frances passed away last year. She was very supportive of his Knight activities and encouraged him to become active in our Council; she was a remarkable and lovely lady.

I have always found Bill to be willing and helpful in his assistance of other Knights in doing their work and sharing ideas and advice.

It is my privilege to recognize our brother Bill Regis as our June KNIGHT OF THE MONTH. I am sure that Frances would support this decision.

FATHER MCGIVNEY'S CANONIZATION

"Some cynically thought that because the Order is so generous to the Church, we could get Father McGivney canonized in a snap. I think they have been proven wrong.

"What I think became clearer as a possible beautification draws closer to us is that the canonization of our founder would mean that we would have to confront again the special meaning of the organization founded by Father McGivney that we have inherited and to which we have been called.

"To say that our Order was founded by a Catholic priest is one thing. To say that our Order was founded by a Catholic priest who is a saint is quite another. Because to belong to a fraternal organization that came forth from the heart of a saint testifies to the truth that the meaning of this Order can be known through the eyes of faith."

What struck me about these comments is to think we could now be an Order like the religious Orders and we need to think and act in those manners and with that view of faith as Fr. O'Donnell states. WOW!! After all, we are a Brotherhood.

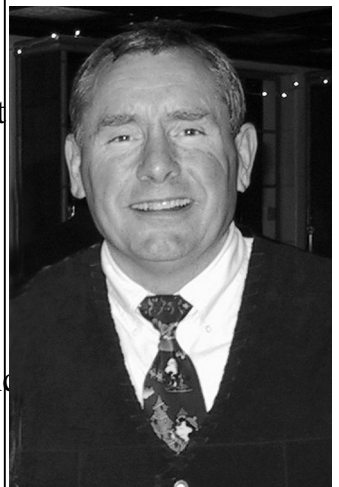

For those of who may not be a member of the FATHER MCGIVNEY GUILD, I would refer you my Grand Knight's Report, page 6 the April Edition of KNIGHTLINE, for information concerning how to join.

Remember, We KNIGHTS OF COLUMBUS today, no different than our brethren who created this magnificent organization so long ago, have a vision of how God can touch the lives of men. May Christ live always in our hearts...and may each and every one of you continue to join with us in the mission of the Knights of Columbus. God love you always. Pax

Infusing Structures
by Bob and Cecilia Marks

We wish to share part of a recent letter from Fr. Frank Pavone,
founding director of Priests for Life:

+++++

"Our mission is working. If you've been following Priests for Life...you know that our vision is based on what Dr. Bernard Nathanson told the clergy about the efforts he and his colleagues made to legalize abortion: 'We would never have gotten away with what we did if you had been united, purposeful, and strong.'

"We at Priests for Life have never thought that the solution to the abortion problem is to build new structures. Instead, we seek to infuse the structures that already exist in the Catholic Church--infuse them with more awareness, vigor, and confidence in advancing the pro-life effort. The Church, after all, is the only entity that has God's promise that it will triumph over the kingdom of Death.

"I'm pleased to tell you that we continue to provide effective service to the structures of the Church. Particularly in these days, when dioceses are facing such financial difficulty, Priests for Life is often able to pick up the slack. You may have heard, for example, that the Los Angeles Archdiocese recently had to close its Respect Life Office. Nonetheless, I was there just a couple of weeks ago, offering without charge a Day of Recollection for the Respect Life Coordinators of the parishes. Licia Nicassio, who has led the Respect Life activities of the LA Archdiocese for many years, knew she could turn to us in difficult times. We have promised to continue to serve that important archdiocese of the country, whether there's an office or not...."

+++++

We strongly ask you to support this valiant effort of these priests who are focusing their efforts in this fight for Life. Join your voice with them in speaking in ONE VOICE.
