GRAND KNIGHT'S REPORT

By Chris Arnoult, Grand Knight

Dear Brother Knights of Columbus Council 5300:

By the time that you read this I hope that our Council will have completed another successful Fiesta Coke Booth fund raising event. Fiesta Coke Booth has been our premier fund raising event, yielding very nice income earnings for a minimum amount of sweat, labor and hard work. My family has enjoyed working the Coke booth, particularly on the evening shifts when so many different customers come seeking a thirst quenching soft drink. Last year was especially fun because we were treated to a very good and very loud rock band that did a great imitation of the late 60's band The Doors.

I am sure that this year will be a big success also, so I want to thank everyone who worked on the Fiesta Coke Booth in advance.

In our July business meeting, the new District Deputy, Cherif Khoury, made an impassioned speech to the Council

Food for Thought

We will be celebrating a number of important feast days in August. Among them is the Assumption of our Lady into Heaven (August 15) and the Queenship of the Blessed Virgin Mary on August 22. As **St Josemaria de Balaguer** states in **The Way**: "O Mother, Mother! With that word of yours, *Fiat*-Be it done!'-you have made us brothers of God and heirs to His glory. Blessed art thou!" **(Page 118 of The Way by St Josemaria de Balaguer)**.

Financial Secretary's Report

COUNCIL DUES

If we consider dues to be the cost of doing business, we are probably close to the truth. For many years, the Council dues were at the level of \$24 per year. As the cost of living increased and the dues remained the same, it became evident that something had to be done. A white paper was prepared that showed the cost of running the Council was above \$24 per member as an average. That included the Honorary Members with their reduced payment level and the Honorary Life members who no longer pay dues.

One of the largest expenses for the Council operation is the Chapter, State, and Supreme per capita taxes. The Los Padres Chapter has minimal operating expenses and bills the Council for approximately \$70 per year. The Supreme Council bills us for around \$500 per year, plus Catholic advertising at another \$100 per year. And then there is the grandiose California State Council at the level approximating \$1,400 per year. This per capita tax burden comes to \$16.30 per dues paying member per year. Adjusting for the Honorary Members who pay \$10 per year, the per member burden is closer to \$17 per year. Other expenses for operation of the Council start with the bulletin and postage at \$3,000. Add another \$3,000, for supplies and other operational expenses, and the cost per dues paying member goes up to \$68 per member. This deficit situation demands that the Council needs additional members to help spread the load of expense per member. Certainly, an increase in dues is not an option. As it is, the cost of operation of the Council is subsidized by council activities.

Report of the 4th Degree
Brian Klinge, Faithful Navigator

I would be completely remiss if I failed to *REJOICE* in the success of our Brother, SK Steve Schlesselmann's, recent back surgery.

Our Assembly enjoyed an *Excellent* FOURTH OF JULY PARTY and did not have its usual dinner Business Meeting in July.

Brother Jack Turney bravely volunteered to become our Assembly's Scribe for this Columbian Year. Jack will take the place of Brother Hal Thompson, who had offered to do this vital job on a "temporary" basis. Thank you both, Jack and Hal!

As I had laid out in our July NAVIGATOR newsletter, this Assembly is once again following our tradition of regular Social, Ladies Night Out (LNO) Events. And, yes, wives are invited! This quarter's LNO is scheduled for Monday evening, September 12, 6:00 PM at Moby Dick's Restaurant on Stearns Wharf in Santa Barbara. Dinner choices will be: New York Steak, Salmon or Chicken, all at a very reasonable price. A good time is anticipated by all. I will tell you all about it in next month's article. Know it is a very worthwhile experience to be a member of the Junipero Serra Assembly.

We are currently researching other local restaurants for subsequent Ladies Night Out Events. We plan to do this quarterly.

Our Assembly is reinstituting an Attendance Award, which will take place during the August Business Dinner Meeting, August 15. Winner will be announced. Who will win??

There continues to be a need for ongoing cooperation between the Third and Fourth Degrees of our Order. I have asked all Fourth Degree members to be in attendance at the Third Degree Council meetings...we all do belong to the same Order!

Remember, as Knights, we need to remain vigilant to the dangers presented in our Church and in the world today and not become complacent. We must

continue to show solidarity with all of our Clergy.

All Fourth Degree members who have email should now be regularly receiving their monthly NAVIGATOR; all others must use Snail Mail, which moves at Glacial Speed.

I have also asked all Fourth Degree members to help recruit new members. If any of the readers of this column, who may be Third Degree members, are interested, please let me know directly and not wait for a Fourth Degree member to ask. Membership requires 6 months from First Degree until the member is eligible for the Fourth Degree. Top recruiters will be mentioned here.

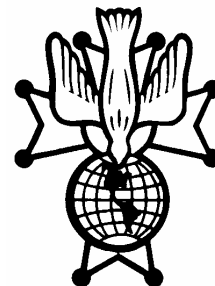

The Exemplification takes place this year on November 5th in beautiful Visalia, adjacent to Sequoia-Kings Canyon National Park. It would make an excellent "mini-vacation."

All Fourth Degree members should be aware of our Ladies Night Out Event, as discussed above. The September Officer's Meeting is on Sept. 6th.

MAY GOD LOVE AND CONTINUE TO BLESS YOU!

Brian Klinge, FDD
Faithful Navigator, Junipero Serra Assembly

PS, As a KNIGHT and Council 5300 member, you and your wives are invited to the Los Padres Chapter Installation, to be held Saturday, August 20. Mass is 5:30PM at St. Raphael's, with a catered dinner in the Hall. Cost is \$20.00 pp. Please RSVP to my home by August 6 at 805-967-4753. It will be an excellent opportunity for you to meet with other Active Knights and learn more about our Chapter, what it does and its mission.

Community Director's Report

BECAUSE OUR CHILDREN ARE WATCHING

We have an opportunity to take a stand against something our children and grandchildren are absorbing through the media. Carl's Jr. has pushed the TV envelope with a sleazy hamburger ad featuring Paris Hilton, the porn star. The Carl's Jr management has stated that they specifically intended to create a "racy" commercial and the CEO says that the only standard of judgment they use is whether "this ad increases sales." Our children and grandchildren are being fed with something else besides hamburgers. Is that OK with you?

Entertainment media is said to be the biggest factor in teaching children morals and values. We certainly maintain the primary influence on our children up to a certain age, but what do they see when they begin to look outside the home at about 5 years of age? What values and morals are being exhibited to them? Do we care enough to take an interest in the entertainment media? Are we powerless against what the media wants to insert into our children's minds? Are we teaching our children a passive and accepting attitude toward the background messages the media feeds them?

Besides the content and background messages our children are picking up in the media, they are also watching us to see what values and morals we exhibit, and what part we adults play in creating a moral society with Gospel values. If we are weak and unable to express our morals and values in society, so will be our children. To positively affect our children it isn't necessary to turn the tide against an entire immoral society and its media, it is only necessary to take a visible stand on our morals and values and to practice them in our own sphere of influence.

The reason that the media is able to exhibit its

lowering standards is because people of good morals and values allow it to happen. A small organization known as the Parents Television Council is a good example of what can be done by people making a stand. This small organization has, almost single-handedly taken big media to task regarding its lowering standards for TV programming and is making a difference. (You can get more information and join at www.parentstv.org).

Fellow Knights, this giant corporation is based in our backyard. We should be taking a leading role in protesting this raunchy commercial and corporate irresponsibility. The PTC has suggested the following actions:

- ☞ Express your outrage by writing to Andrew Pudzer, CEO, CKR Restaurants, 6307 Carpinteria Av. Ste. A, Carpinteria, CA 93013.
- ☞ Contact the local Carl's Jr. franchise and let them know the commercial does not reflect your family values. Ask if it bothers them too.
- ☞ Write a letter to the editor of your local newspaper denouncing this tawdry attempt to increase profits at the expense of impressionable children.
- ☞ Contact your local TV station and urge them not to air the commercial.

Our children are watching.

Pro-Life Director's Report

Today's article comes from the SPIRIT DAILY internet site. With the chances of defeating Roe vs Wade in the making, it's necessary to keep abreast of the remaking of the Supreme Court.

It's unclear how intense the battle over Supreme Court nominee John Roberts will be. "Easy time seen for judicial nominee," said The Washington Times. "Battle Looms," headlined MSNBC. "Confirmation battle looms," added CBS almost identically.

"This should be a straightforward confirmation," said Senator Jeff Sessions, Alabama Republican and member of the Senate Judiciary Committee, which will hold hearings on the nomination.

"The president has chosen someone with suitable legal credentials, but that is not the end of our inquiry," Senate Democratic leader Harry Reid, D-Nevada, opined.

And so we see how unclear, as yet, that the battle lines are.

Predictably, radical groups like the NARAL Pro-Choice America and Move On quickly denounced the selection. Conservatives were generally pleased -- very pleased -- although some fretted that because so little is known about Judge Roberts -- because there is a thin "paper trail" on his views -- he could turn out to be another David Souter, who President Bush's father placed on the Court and who turned out to be pro-choice despite contrary expectations.

While Roberts has argued against Roe versus Wade -- the landmark 1973 decision that allowed abortion -- he has also stated that Roe is the "settled law of the land."

Which views are his and which are those of the clients he had represented?

The reports are that Judge Roberts' wife, Jane Sullivan Roberts, once served as vice president for a group called Feminists for Life. We know that she

attended the College of The Holy Cross and is a member of the board of governors of the John Carroll Society, a Catholic lay organization that sponsors the annual Washington archdiocesan Red Mass before the opening of the Supreme Court term. Judge Roberts is himself -- reportedly -- a practicing Catholic. He grew up in Long Beach, Indiana, where he attended Catholic elementary and high schools. He was captain of the football team and class president at La Lumiere, a Catholic college prep school, before going on to earn undergraduate and law degrees from Harvard.

If confirmed, Roberts would be the eleventh Catholic to serve on the court.

And that alone greatly increases the chance of conflict.

Look at two of the Catholics on the current bench. They are the lightning rods: Antonin Scalia and Clarence Thomas.

"Judge Robert's confirmation hearings are ripe for anti-religious bigotry," said Fidelis President Joseph Cella. "Judge Roberts is a faithful Catholic, who is devoted to his wife and children. With the history of Catholic and Christian judicial nominees attacked because of their religious faith and family life in past Senate confirmation hearings, we call on Senate Minority Leader Harry Reid, ranking member Senator Patrick Leahy, Senators Charles Schumer, Dick Durbin and Russ Feingold to prevent this vile brand of hate politics from entering this important process. Judge Roberts is an eminently qualified jurist, and his outstanding legal credentials and temperament should enable his confirmation prior to the Supreme Court reconvening on October 3."

What You Should Know About Mortgage Insurance

Have you purchased a new house recently? Congratulations! On a more sobering note, this is one of the biggest purchases you'll ever make – and probably came with a sizable mortgage. There's no question that such a large obligation should be factored into your life insurance planning. The real question is which type of policy would best meet your needs. "Mortgage insurance" is actually a form of decreasing-term insurance. The face amount decreases as your principal balance decreases. If you die, the balance of your mortgage will be paid off.

You can also purchase individual term life insurance with a decreasing benefit, and the Knights of Columbus offers this type of policy. Your beneficiaries could choose *not* to pay off the mortgage balance, and instead use the death benefit for some other purpose (education, retirement savings, etc.).

Never rule out permanent life insurance for mortgage protection. The fact is, many people move frequently during their adult years, often to more expensive housing. Owing a mortgage becomes a permanent obligation that doesn't diminish – and may, in fact, increase. A permanent policy would be a wise buy in such situation.

Buying a house is a hectic time. I can help make it a little bit less stressful by outlining your mortgage insurance options for you. Call me anytime.

To contact me with regards to this or any of your insurance needs please email me at dlfarebrother@aol.com or call me at either of the numbers listed below. I look forward to hearing from you.

on the subject of recruiting new members. I remember listening to him telling us that we all should be carrying our Form 100's in our pockets and Shanghaiing potential members whenever the opportunity arose. I also remember myself thinking that he was preaching to the choir because, as we had a limited attendance meeting, and only the "usual suspects" were in attendance.

But after some thought I realized that Cherif was absolutely correct! Council 5300 desperately does need new members. I see the same faces at each meeting and those faces are growing grayer (along with my own face) with each passing month and year. If Council 5300 does not get new members, the Council will slowly devolve, become dysfunctional and probably be forced to disband. This would be a sad commentary on a once very dynamic organization.

I do not want to be the Grand Knight who presides over such an event. So here is my plan. We need five new members by November 1, 2005 and ten additional new members by May 1, 2006. Please! Like the WWII recruiting poster, "I need YOU!" to help recruit.

There are things that we as a Council can do to help our recruiting. Some have been suggested to me already, such as have a recruiting "blitz drive" on a Sunday morning following masses with a message from the pulpit by one of the Knights. You probably have some ideas of your own. So bring them to a meeting and be willing to help out.

Recruitment provides the life blood of new members to our charitable organization. We cannot do charitable acts or the fund raising necessary for these charities or be caring for our fellow Brother Knights if the body politic of Council 5300 is slowly drifting into that domain of gray, old age with no new members to take over.

So much for harping on a sore subject; let's just do it. Be proud of Knights of Columbus Council 5300 and recruit a new member. If you need help in your recruiting activity give me a call. But please do it, ASAP!!!

Chris Arnoult Serving as 44th Grand Knight of Council 5300

Joe T. Kovach, Former Knightline & SPIRIT Editor

Francis Christopher Arnoult is the 44th Grand Knight of the Knights of Columbus, Council 5300, serving as their leader for the July 2005-June 2006 Columbian year. Current membership is at 209 according to Financial Secretary Ralph J. Wengler, who was Grand Knight in 1976-77.

One of Arnoult's goals during his term in office is to increase the membership with 15 new members. "I'd like to see five new members by December 1, 2005" stated the native of Fairfield, Ohio who was born on July 10, 1945 at the Wright-Patterson Air Force Base where his father, John Everett Arnoult served with the U.S. Army Air Corps. His mother, Marie Elizabeth, died in 1998.

Chris and his wife Mary have been St. Raphael parishioners for the past 22 years and are the proud parents of three children, C. Matthew, 28, Michael L., 25 and Sarah E., 17. Matthew graduated from Cal State University at Long Beach, is married and is a Mechanical Engineer in Lakewood, Ca. Michael graduated from Cal Poly San Luis Obispo and is a paramedic in Roseville, Ca. Susan will be a senior at Dos Pueblos High School.

"Mary and I met while we were at the University of Colorado in Boulder and married at St. Thomas Aquinas Chapel on February 25, 1972," noted Arnoult. They lived briefly in Denver, then moved to Santa Maria, courtesy of his job at Martin Marrietta. Later they moved to Thousand Oaks for a few years and have lived in Goleta for the last 26-years. He is employed at RENCO Encoders in Goleta. His previous employment included Magnetic Data Corp., Applied Magnetics Corp., Burroughs Computer in 1000 Oaks and the Martin Marrietta Corp., at Vandenberg AFB. His wife Mary, a native of Manhattan Beach, works at the

Santa Barbara office of Southern California Automobile Club.

The 60-year old Arnoult joined the Knights in the Fall of 2000 sponsored by Donald Aubrey and Bernard Jochum. He became a 4th Degree member in 2004. He remarked, "The Council membership is aging and many members are retiring away from the area or are not physically capable of the energetic work needed to make the Council successful."

Wengler also reported that of the 209 members, 132 are associate members, 62 carry the KC insurance and 15 are inactive. Included in the total, 67 men are Honorary Life members, eight are Honorary and two are disabled. Note these special long term members after the end of this article.

Another of Arnoult's goals is to get some of the camaraderie back into some of the social events for the Knights and their families. "If Council 5300 is all work and no play, who wants to join that kind of an organization?" asked Arnoult.

"I'd like to keep the Council financially successful to continue our charitable activities with monies that we earn," stressed Arnoult. He added, "This year, if we are fortunate, we will complete the last payment of \$10,000 to the St. Raphael Building Fund. This means that in future Columbian years Council 5300 can use its fund raising activities for other charitable causes. We have had these big charitable goals in the past and I think we should continue to do them in the future."

A fourth goal is to be financially successful again this year. "This will need some good fortune, hard work and additional fund raising events" exclaimed Arnoult. Last year the Coke Booth and the Prime Time Band Dinner were very good income generators and, in addition, most of our other social and fund raising events turned a profit. But we cannot rely on good fortune to be our primary fund raising mechanism," concluded Arnoult.

The Knights of Columbus is a voluntary participation organization that members joined hopefully because they wanted to be of charitable service and they enjoyed the company of like minded individuals. Arnoult said, "All members need to have personal pride in the organization to

which they belong and support it in a positive way." He added, "There is a core of members that are doing most of the work in the Council, but there are many tasks that don't require intensive participation."

He also suggested for retired members in their 70s, 80s, 90s or even 100+ (the Council has all of these ages), just expressing an occasional encouraging interest in the Council to a fellow, more active Knight is a way of being a "participating member."

Arnoult's recommendation to his fellow Knights -- the most important thing they can do, regardless of age, is to help recruit new members. He also would like to see Council 5300 get some awards for the many things that members are involved in and do for the community. This means that some people have to volunteer their time to make these applications.

Current hobbies are mostly outdoor activities: backpacking, hiking, motorcycling and off road motorcycle competitions (enduros).

When he retires (probably 5 years away) he and his wife would like to travel in the USA and in the world. If he could retire sooner, he would do so and would like to do some serious, long motorcycle rides. He noted, "My wife thinks I am crazy for wanting endless solo activities." In addition he wants to find some charitable or community work that he could perform as a way to help others.

His favorite sport is seeing the UCSB women's basketball games. "They are really good and even when mismatched with an opponent, they give a good game," beamed Arnoult.

Chris is the oldest of three children. Sister Susan Buckles lives in Sugarland, TX., and the mother of six grown children.

John Jeffrey, the baby of the family, resides in San Antonio, TX. and his family includes two grown children. Chris' father lives in Green Valley, AZ at the La Posada Retirement Community.

The officers and directors for the 2005-06 year are listed on page 15. If a member is interested in any of the Director Openings (Program, Church

Activities, Community, Family Activities, Youth Activities) please see Arnoult.

Upcoming Activities

- 1) August 3-6, 2005 – Viva la Fiesta! As usual, we will be staffing the Coke booth at De La Guerra Plaza from Wednesday to Saturday for the fiesta. The Coke booth is one of our major fundraisers during the Columbian year and there are still plenty of workers needed. This year, in addition to the sodas, we will be wearing our Tootsie Roll aprons, providing Tootsie Rolls for any fiesta goers that want them and soliciting donations for the Tootsie Roll Drive. I've been involved for several years now with the Coke Booth and, speaking from personal experience, *it's a lot of fun!* Please call Chris Arnoult if you haven't signed up yet.
- 2) August 5, 2005 – 24 hour adoration will take place in the church. A great way to wind down

from all the fiesta activity is to spend an hour before our Lord in church. If you are not already signed up for adoration, stop in when you can. You will be glad you did!

- 3) August 6-13, 2005 – Knights of Columbus Family Week.
- 4) August 7, 2005 – Coke Booth Teardown.
- 5) August 12, 2005 – 153rd anniversary of the birth of of Father J Michael McGivney (August 12, 1852).
- 6) August 14, 2005 – 115th anniversary of the death of Father J Michael McGivney (August 14, 1890).
- 7) August 15, 2005 – Feast of the Assumption.
- 8) August 28, 2005 – We will be holding our first corporate communion for this Columbian year at the 9:30 AM Mass. Several pews will be reserved for the Knights and their families in front of the church. In addition, we will have our banner on the altar. If possible, please try to make it. Also, there will be the usual delicious pancake breakfast after the 7:30 and 9:30 AM Masses that morning.

Other Notes:

- 1) Brother John Meagher, who is also a member of the St Vincent de Paul group, has taken over the Catholic Charities food pickup for Brother Fritz Cahill, since Fritz has had to spend more time with his wife, Eleanor.
- 2) After many years of faithful service to the choir, Brother Don Fitch is retiring. Those of us who go to the 9:30 AM Mass, will miss Don's voice and his many contributions to making the choir that much better. Thanks for your great service, Don!

The Knight's of Columbus Soccer Challenge

It's the world's most popular sport. We're the world's largest Catholic fraternal society. It's only fitting that soccer and the Knights of Columbus have teamed up. The Supreme Council is proud to announce a new youth program, the Knights of Columbus Soccer Challenge!

Designed for players to demonstrate the most basic of soccer skills – the penalty kick – the Soccer Challenge is open to all boys and girls in your community, ages 10-14.

All the details about the program are outlined in the *Soccer Challenge Kit* (#SC-kit) that can be ordered by logging onto the Order's Web site at www.kofc.org. It can also be ordered by filling out the Soccer Challenge order form found on page 3 of the *Council Report Forms Booklet* (#1436), or by contacting the Supreme Council Supply Department.

The soccer challenge is one in which the soccer goal is divided into a series of 5 scoring zones, with a point value given to each section. After the participant is given 15 penalty kicks, his or her total number of points will be awarded depending upon the scoring zones that were hit.

The contest will take place on the council, district, regional, state, and international levels.

Brother Knight John Meagher Picks Up Food for Catholic Charities

As mentioned in the program director's notes section (see previous page), Brother John Meagher (an active member of St Vincent de Paul) has taken over delivering food to Catholic Charities. Brother Fritz Cahill delivered food for many years but has had to scale back his activities due to his wife, Eleanor's, illness. Brother John Meagher has stepped in to help. Make sure to thank John when you get the chance!
