Faith Of Our Fathers: A Reflection On Father's Day: A Statement from the American Bible Society

6/4/2008 © Catholic PRWire
By Roy Lloyd

The third Sunday in June is observed each year in the United States as Father's Day. The origins of this national event are not clear. Some records suggest that it was first celebrated as a church service some 100 years ago in Fairmont, West Virginia, at Williams Memorial Methodist Episcopal Church, now known as Central United Methodist Church.

It doesn't seem like almost a year has gone by, but the Fiesta folks are getting ready for this year's festivities. The Fiesta 2009 will be held during the first week in August. The Knights are preparing to set up our Coke Booth at El Mercado at De La Guerra Plaza. As you know, Jim Bradbury has built an entirely new booth for us this year and we are in the process of painting it. There will be other improvements to the booth as well. The City of Santa Barbara wants the floors of all the Fiesta booths to be painted, and so we must accommodate them. A new sign banner will also grace the booth. After the painting of the new booth is completed, it should be one of the best looking at the Mercado.

I'm looking forward to serving a shift in the booth and I am counting on you, my brothers, to sign up for a shift. The shifts will be scheduled during the four days that the booth will be open. The shifts will be: 9:30 AM to 2:00 PM, 1:30 PM to 6:30 PM, and 6:00 PM to 11:00 PM. There is a half-hour overlap to help the teams assist each other in the transition. This is a fun family activity, and we encourage you to bring your family members to help out on your shift.

SK Jack Turney, Faithful Navigator

JUNE DINNER MEETING

The June dinner meeting will be held on June 15th at 7:00 PM. The dress will be casual for officers and members. Our "Executive Chef", SK Jim Bradbury, will be preparing a special treat for us: RIBS!!! Jim has wanted to serve ribs for some time, but has hesitated because of the officers being dressed in their tuxedos. Those attending this treat should bring their own bibs. The June dinner meeting is in honor of the old officers leaving their current posts and the new officers taking their new posts. The new officers will assume their post at the close of the meeting.

The official installation of Officers will take place Saturday, July 25th, at 11:00 AM at the St. Raphael's Parish Hall with a light lunch buffet following. Wives and family members are encouraged to attend. Mark your calendars for this important event.

FAITHFUL NAVIGATOR'S THANKS

As Faithful Navigator for the last year, I would like to extend my thanks to all the officers for their help and support in making this year a relatively easy one for me. I would also like to give special thanks to the different "chefs" we have had during the year: SK Jim Bradbury, SK Larry Torres and SK Carlos Valenzuela. These men never failed to provide us with a good meal. SK Jose Meza also deserves a big thank you, as he is the helper for all the "chefs."

I look forward to working with the incoming Faithful Navigator and other officers for a successful year.

A New Fraternal Year

A new fraternal year is upon us. Congratulations to all of our newly elected Grand Knights, as well as the other entire dedicated brother Knights who will be serving in either an elected or appointed leadership position in the 2009 -2010 fraternal year. I'm sure you have a list of goals and objectives that you intend to accomplish during the coming year. You have my assurance that I'm eager to help.

One of these goals is surely the attainment of the Star Council award - the most prestigious award the Order offers at the council level. I'm certainly committed to helping on the insurance side, but I'll be glad to help on the membership side as well.

If you know an eligible Catholic man who might be interested in joining the Order (and who among us doesn't?), he's probably just waiting to be asked. I can help you, either by approaching him myself, or by "coaching" you - transferring sales skills that you can use to recruit him and other prospects. As always, I'm at your service.

Let's get an early start on attaining those goals and objectives that are so critical to the growth of any council. Call me - let's talk.

To contact me with regards to any of your K of C insurance needs, please email me at dlfarebrother@aol.com or call me at either of the numbers listed below. I look forward to hearing from you.

Fraternally,

James Dobson's Political Surrender

By Dan Gilgoff, *US News & World Report*, God & Country

Posted: 05/14/2009 04:17 PM ET

Politically, James Dobson has surrendered. At least for the time being. Today, the Focus on the Family founder devotes his typically family-focused radio show to what he calls "the utter evil that's coming out of the United States Congress." He's referring to the hate crimes bill that recently passed the House.

That's not so unusual.

What's surprising is that Dobson tells his listeners that they're politically helpless:

I want to tell you up front that we're not going to ask you to do anything, to make a phone call or to write a letter or anything.

There is nothing you can do at this time about what is taking place because there is simply no limit to what the left can do at this time. Anything they want, they get and so we can't stop them.

We tried with [Health and Human Services Secretary] Kathleen Sebelius and sent thousands of phone calls and emails to the Senate and they didn't pay any attention to it because they don't have to. And so what you can do is pray, pray for this great nation... As I see it, there is no other answer. There's no other answer, short term.

In an age of evangelical leaders like Rick Warren, Joel Hunter, and Richard Land, who've all expressed openness to working with the Obama administration, Dobson clings firmly to the culture

war mentality: You're either with us or against us. He elaborates on why Christians are powerless as long as Democrats are in power:

"I've been on the air for 32 years and I've never seen a time quite like this. It just illustrates what happens when we don't have what the Founding Fathers referred to as checks and balances, where the excesses of one party or one branch of government limit the reach of power hungry and self-serving people and keeps them from doing things that are harmful to the country. That's the way the system was designed. We have 2 major political parties in this country, not one. And bipartisanship is a media creation that's designed to promote one point of view instead of the debate that should occur. And that's why media doesn't talk about bipartisanship when conservatives are in power..."

"... [today] the radical left controls the executive branch through the president, and the Congress... and the Judiciary through the courts... now they control it all, including every department of government. As a result, the legislation that should shock the nation, if people were paying attention, is being rushed into law."

**Paul C. Curzan and Wife Evelina Serve in
Various Capacities
For Knights of Columbus, Church and
Community**

Pictured: The Curzan Family (left to right: Mark, Paul, Lisa, Evelina and Jon-Paul) shown in Hawaiian attire at their 40th Wedding Anniversary in Ocean Isle Beach, NC.

By Joe T. Kovach, 3rd Degree Knight

Paul Clements Curzan, parishioner of St. Raphael Church since 1961, joined the Knights of Columbus newly formed Council 5300 as one of the 25 charter members on May 14, 1962 with Walter Merrigan, as Grand Knight. "I was about 25-years of age, relatively new to the area, still single and wanted to get more involved with an organization that was Catholic and had elements of fraternity and service," pointed out Curzan.

Curzan reflected, "My experiences as a KC member have really been in two distinct phases. Back in the 60's many of the members had young families and consequently the picnics and outdoor events often involved sporting activities like softball games." He added, "By the time I rejoined the ranks of the Knights in 1991, the average age of members had increased somewhat and the Council had taken on a more 'mature' character."

During the 1990's and into the early 2000's Paul was Pro-Life Chairman for the Council, providing the Pro-Life articles for the KNIGHTLINE and

being involved in a number of Pro-Life activities on behalf of the Knights. In 2001 Council 5300 co-sponsored bringing to this area Norma McCorvey, the Jane Roe of Roe v. Wade Supreme Court decision. She spoke to an audience of over 700 people (many of them UCSB students) at the Isla Vista Theatre.

One of Curzan's many cherished memories is the experience of helping to bring McCorvey to town. Paul exclaimed, "Her life evolved from being a pawn in the legal battle of pro-abortion forces that resulted in the Supreme Court legalizing abortion in 1973 to the point in her life where she became a Christian and then later a Catholic and is now a staunch supporter of the Pro-Life movement." Just recently McCorvey was one of the participants who was arrested in the highly publicized demonstration on the campus of Notre Dame University's graduation event when the University honored President Barack Obama with an honorary doctorate of law degree. "Having Ms. McCorvey in our home and being able to talk to her about her life and her book is something I will always remember," asserted Curzan.

Paul enjoys volunteering for the KC events such as the monthly 'gourmet' breakfasts and the Lenten Fish Fry Dinners. Curzan stated, "A proud moment for me as a Knight came when I was able to recruit and sponsor Jim Bradbury as a brother Knight. As everyone knows, Jim is a volunteer's volunteer and I very much enjoy being involved in an event when Jim is part of the team."

"The best thing about being a KC member is the close association with Catholic men and families who are dedicated to service to their Church and to their community," asserted the native of Milwaukee, Wisconsin. Paul explained, "I'd like to see our Council undertake more youth programs. In so doing we would be exposing our youth to the purpose and work of the Knights and would, hopefully, involve more young parents - the fathers of these young people - who could then be encouraged to join the ranks of the Knights." Curzan's recommendation why other men should consider becoming members of the Knights of

Columbus was emphasized thusly, "I think the Catholic nature of the Knights, the good they do for the Church and the community and the camaraderie they provide are all characteristics that can appeal to a wide variety of Catholic men. The K of C may not be for everyone, but I think they definitely deserve serious consideration by all men who are practicing Catholics."

Paul was born in Milwaukee on February 20, 1937. When he was nine years of age his parents (Paul J. and Margaret Curzan, since deceased) bought a General Store in a small rural farming community of less than 200 people, (Caldwell, WI) about 35 miles southwest of Milwaukee and that's where Paul spent all of his early life until he moved to California in 1961. Paul's weekends and summers were typically spent working in the family business which sold everything from groceries and meats to baling wire, chicken feed to work boots, and over the counter pharmaceuticals to gasoline and kerosene. The store and their home were attached structures and the store was open 7-days a week with the exception of Sunday afternoons. So there was no escaping the family business. Paul has one sibling, a younger brother, Harry, who was born 2 1/2 years after him and now resides with his wife Marion in Punta Gorda, Florida.

After moving to the "country" Paul transferred to St. Thomas Aquinas Elementary School in Waterford and graduated in 1951. He attended Don Bosco High School on Milwaukee's south side, riding the Greyhound bus to school until he was old enough to drive. He graduated in 1955. Paul went on to attend Marquette University where he earned his Electrical Engineering Degree in 1960 after working as a co-op student with Kearney and Trecker Machine Tool Company to help cover school expenses. From there Paul went to Purdue University in West Lafayette, Indiana where he earned his Masters Degree in Electrical Engineering in June 1961.

Curzan moved to Goleta in July 1961 from Caldwell, WI. to take his first full time job with the newly formed General Motors research & development facility that later became known as

Delco Electronics. He spent 20-years working in underwater acoustics in GM's Sea Operations Department and later worked on military avionics as well as automotive programs when the Sea Operations Dept. was phased out by GM. The keys to his success in his career were described as such: "staying committed to a task, staying dedicated to the company that paid my salary and maintaining a consistent work ethic." He took early retirement in 1991 with 30-years of continuous service with the company.

Before Paul met his future wife, he fulfilled a lifelong dream of learning to fly an airplane. With some guidance from a pilot friend, he bought a used 2-place airplane (a 1946 Luscombe 8A) for \$1,450 from its owners in Santa Paula. After the purchase, the plane was delivered and tied down at the Santa Barbara Airport. Paul took flying lessons that ultimately led to his private pilot's license in 1963. During that same time frame, Paul attended St. Raphael Parish, which then had a small church on Mandarin Avenue in Old Town Goleta that later became the old Parish Hall at the parish's current location.

It was during the fall of 1963 that Paul met Evelina Cornelia Van Lunenburg at a Dolorian Club (Catholic young adults group) party at Our Lady of Sorrows Parish. She had immigrated to California from Haarlem, Holland in 1961 at age 19 and had become a school teacher at Dolores School (now Notre Dame School) in Santa Barbara. She muses that in those days her class sizes were as large as 52 students. She taught youngsters in first through third grades that included Stephen Montross, who is presently a Permanent Deacon at St. Raphael's and Mark Patton, who is currently a Santa Barbara News-Press sports writer.

Evelina remembers that their first date was a ride in Paul's airplane and that he tested her metal by taking the plane through a couple of aerobatic loops over the coastline. She says she enjoyed that ride and they continued dating. Ultimately they were married at Our Lady of Sorrows Church by Pastor Father Deasy on February 12, 1966. They are the proud parents of three children: Mark, 42, an orthopedic surgeon, Jon-Paul, 40, an electrical

engineer and Lisa, 30, an elementary school teacher. Mark and his wife Tracy live in Cary, NC and have two children, Sean, 6, and Claire, 4. Jon-Paul and his wife Jenny live in Arroyo Grande, CA and have one child, Michael, 4. Lisa and her husband Brennan live in Napa, CA.

Immediately after marriage Paul and Evelina rented an apartment in Isla Vista. While living there, they belonged to the newly formed St. Mark's University Parish under Pastor Father Robert Donahue. Once they bought their first and still current home in Goleta in late 1967, they have been members of St. Raphael's. While in the parish and raising their family, Evelina taught Religious Education (CCD) and later became the Director of Religious Education. Her involvement with the program spanned over 22-years. She is active in many KC functions. She was a member of St. Raphael's Women's Auxilary when that group was active. Evelina serves as an Extraordinary Minister of Communion and she helps out with the washing and ironing of the purificators and altar linens for the parish. Outside the parish she helps out with Villa Majella fund raisers and serves as Master of Ceremonies at their various events.

Paul was involved with pre-parish council activities, working with Father Stephen Downes and a small committee in drafting the original constitution and by-laws for the St. Raphael's Parish Council. Paul was also the photographer for the parish newspaper, The Spirit, for over ten years. Paul was involved with an early version of the St. Vincent de Paul Society when it first formed in the parish. During the Columbian year when Dale Wenzinger was Grand Knight, Paul co-chaired the Coke Booth at De La Guerra Plaza during Fiesta. The Council netted over \$5,000. Paul has also been involved in Pro-Life work for a number of years. He was on the Board of Directors of the Santa Barbara Pregnancy Counseling Center for over 10 years and continues to help with Villa Majella fund-raising events. When their boys were younger, Paul was involved with Scouting as a committee member of Troop 37 and served as coach for youth basketball, baseball and flag football at the Goleta Boys' Club.

Curzan stated, "Over our many years at St. Raphael's we had gotten to know a large number of priests who served the parish over that time span. Rev. Msgr. Stephen Noel Downes stands out in my mind as a very dedicated, devout man who truly gave 110 percent to the Parish during his long 15-year tenure. I also had deep respect for Father Jeffrey Newell who was a very traditionalist-style cleric who 'told it like it was.' Another priest who impressed me was Father Jack Stoeger. As it so happened, he was assigned to St. Raphael's when our daughter Lisa was born about 30-years ago and he baptized her. When Lisa got married four years ago, Fr. Jack came up from Los Angeles and performed that ceremony, personalizing it and making it so very special for all of us."

With their children grown and living out of town, most of Paul and Evelina's travels involve trips to see them and the grandchildren in North Carolina, Napa and Arroyo Grande.

Paul's hobbies years ago included riding dirt bikes in the back country, tent camping, motor home camping, boating and water skiing. During his high school and college years, Paul played accordion in a polka band in Milwaukee. After he retired from Delco, he bought an arranger keyboard and a sound system and began playing for private functions around the Santa Barbara area. He played for a number of KC functions over the 10 years he was active in music and for six of those years entertained monthly at Casa Dorinda retirement community in Montecito. Now he finds enjoyment in taking walks, spending time on the Internet keeping up on the latest news, reading and answering email, playing music on his arranger keyboard at home, and watching some favorite Fox News TV programs.

Evelina, who was born November 26, 1940, has a younger sister Elly living with her husband and their family in Holland and a younger brother Jos living with his wife and their family in Belgium. An older brother died several years ago and Evelina's parents are both deceased.

Other interesting personal items:

(Father's Day, continued from page 15)

Whether this is true or not, the impulse to honor fathers is a worthy one and it comes with the biblical admonition to honor our fathers and mothers.

In the Bible it is Abraham who is counted as the father of faith and he is revered in Judaism, Islam and Christianity. The word "faith" is an important component to remember because it means trust in God—being able to rely on that which is dependable. Abraham trusted God's assurance that his children would become a great nation. The promise came at a point when he and his wife, Sarah, were elderly and childless. And yet Abraham believed that God could do what was foretold to him. He went forward in confidence that God could accomplish, through him, a benefit for all of the world.

Joseph of Galilee is an exemplary father in the Bible. He married Mary, despite the unusual circumstances of her pregnancy. He dared to be unconventional because he trusted that God was working through her and him. He was a righteous man who dared to take on the roles of husband and foster father. And as refugees from danger, after the birth of Jesus in Bethlehem, it is clear that he protected his family by going beyond what was familiar to find a safe haven. We can learn much about fatherhood from Joseph.

Another father that captures the imagination is a man called Jairus. We read about him in the Gospels of Mark, Matthew and Luke. He was a man of importance whose daughter was dying and he came to Jesus, fell at his feet and begged Jesus to help his child. The actions of Jairus revealed his character. He trusted that God could help and it didn't matter that he had wealth and prestige. He humbled himself for the sake of his daughter.

A final father from the Bible that is impressive is the one who had two sons, one of whom went astray. This is, of course, the story told by Jesus of the prodigal son. The father in the parable teaches his two sons powerful lessons of love: the one who went astray who discovered that his father's care came to him even when he had run away from it and the other who struggled to understand such extravagant love in the face of his brother's failures and his own fidelity. The father in the story, like God, never gave up on either of his children.

On Father's Day let us remember that we have been given a heritage of dedication and faithfulness from the fathers we encounter in the Bible and from those fathers who exemplify the best qualities of parenting.
