## Loving God Above All

*By Supreme Chaplain Bishop William E. Lori*

The Ten Commandments are like an “owner’s manual” for our humanity. Far from being arbitrary or outdated, they are God’s way of helping us know how we should live so as to attain true happiness and fulfill the purpose of our existence. What they teach can be known, however imperfectly, by reason. They universally apply to people of all times and places.

Jesus Christ reaffirmed the truth of the Ten Commandments not only by what he said and did but also by his very identity as the eternal Son of God. By assuming our human nature and becoming one of us, he revealed the Father’s love. He revealed us to ourselves and showed us who we truly are in the sight of God. The commandments are thus crucial not only in our human development, but also in our response to the many ways God calls us to share his life and love.

## ‘I AM THE LORD YOUR GOD’

Asked by a young man how to attain eternal life, Jesus told him to keep the commandments and then to follow him ([see Mt 19:17, 21](#)). We can “rediscover” the truth and permanent validity of the commandments by reflecting on how perfectly Jesus showed their fullest meaning ([Compendium](#), 434). In Jesus, the good teacher, the commandments are summed up in loving the Lord with all one’s being and loving one’s neighbor as oneself (435)

**By Ed Barrier, Deputy Grand Knight**

Dear Brother Knights,

I am pleased to report that the Fiesta Coke booth made a net sales of \$10,105.06 (which includes the bottled water). Over Fiesta week, we overcame a number of obstacles. Here is a list of them:

- 1) An observation by the Heath Department inspector by not having a solid tarp over the Fiesta Coke Booth roof. Thanks to Brother Felix Sanchez for buying the Tarp and to Brothers Francisco Cabrera and Jim Bradbury for helping put up the tarp on Wednesday morning before El Mercado opened.
- 2) The last minute change in the Friday Coke Booth schedule due to Brother John Vogel and family's unavailability due to a death of a family friend. Thanks to: Brother Jack Turney and his crew in extending his shift to cover the Friday rush. Brother Tony Vallejo and his family filling the rest of the hours, Brother Joe Darga and his family for filling the remaining hours and Brother Chris Arnoult and his wife for coming in early to help out.
- 3) Brother John Vogel's absence also left a void to help tear down the Fiesta Coke Booth on Sunday. Thanks to Brothers Jim Bradbury, Dan Knauss, Vince Filippello, Bill Furher, and John Kestel.

Despite the early problems we had with Jordano's delivering bottled water to the booth at the beginning of Fiesta week, this was resolved later in the week. We did sell bottled water on Friday and Saturday.

**Membership Director's Report**  
*Sam Alfano, Membership Director*

As we begin the new Columbian year we are challenged to meet the membership goals proposed by the Supreme Knight. Last year our goal was 15 new members. Unfortunately we were only able to add 5 members to our Council. As we begin anew, it is incumbent on each of us to foster new members, not only to increase our ranks but also to infuse the Council with men who are eager to help others and be of service to the needy. This year we plan to distribute \$17,325.00 in charitable contributions.

It is essential in order for us to do these good works to increase our membership. This year our goal is 15 members. We can reach it by the continuing efforts of each and every member.

There will be a first degree exemplification at Serrra Hall on September 8<sup>th</sup> and at our business meeting on September 13. It is essential that we have a good showing at this meeting. There will be a 2nd degree conducted by Council 1684 on September the 15th at Serra Hall. There will be a 3rd degree conducted by the Oxnard Council on Sunday, September 26th.

If you know of any member who needs to

advance in their degrees please let them know of these opportunities. You can call me at 805-967-0595 for clarification or additional information regarding degrees.

If you need forms 100 give me a call.

Let us not wait for other members to take action needed to enlist new members in our Council. Let each one of us take on this call as expressed by the Supreme Knight.

**Basic Knowledge on K of C Insurance Products**

For this month's column, I thought a little "Life Insurance 101" might be beneficial.

Whole life insurance is the most basic plan of permanent life insurance protection, and calls for premiums to be paid for your entire life, or to age 100. You may also consider another permanent life insurance product – one with guaranteed cash values – that offers a limited period of premium payments. The Knights of Columbus offers three permanent life insurance products for which premiums do not have to be paid for all of life.

"Twenty Pay Life" is exactly as the name suggests: a permanent plan with premiums payable for 20 years. After the premiums are paid for the 20 years, the plan is "paid up" and no more premiums are due. Unlike its term counterpart, however, the plan stays in force, the death benefit remains intact and the guaranteed cash value continues to grow.

Another such plan is our "Life Paid Up at 65". With this permanent product you pay premiums until you reach age 65. Then, premiums stop (just in time for retirement), but the plan remains very much in force.

Finally, the ultimate in limited pay is Single Premium Life product. Imagine buying life insurance – permanent life insurance – and only paying one single premium? It's possible.

I have detailed information on all of these products. At your convenience, I'll meet with you and your wife to perform a free, custom-tailored needs analysis, to help determine which of our many life insurance products is right for you and

your family.

Call me – let's talk.

**Father Richard W. Bauer, MM, LCSW**  
**Celebrated His 25th Priestly Anniversary**  
**On August 23 in Namibia, Africa**

*Pictured: Father Rick Bauer showing his special LOVE for the children of God entrusted in Father's care in Namibia, Africa.*

*By Joe T. Kovach,  
KC Member Since 1996*

In early August, Father Richard William Bauer,

son of St. Raphael parishioner, Mrs. Rosemary Bauer, visited his mother and two older brothers, Kenneth and Stephen, in Goleta while on a brief vacation. While here, Father Richard celebrated a few Masses at St. Raphael Church.

The native of Goleta, born on August 1, 1959, was an Altar Server in the parish, attended St. Raphael Grade School and is a graduate of the class of 1973. Father Richard and his brothers all have the same middle name, William, after their father who died in 1987.

Father Richard was ordained in 1985 and became a Pastor in a parish in Salt Lake City. After a few years he came home for a visit with his family. He informed them that he was going to become a Maryknoll Missionary. After serving as an Associate Missionary in Tanzania and Nairobi, Kenya in January 1996, Father Richard received his final vows on May 2, 2005. Currently, Fr. Bauer's assignment is the Executive Director of Catholic AIDS Action in Windhoek, Namibia, Africa. Since then, Father Richard has taken on a challenging and acclaimed work, depicting his special love for the children of God entrusted in Father's care in Namibia.

In his work as a missionary, Father certainly has demonstrated that he has that special tender loving care. These are illustrated in the April 2009 issue article of the Maryknoll Magazine (cover, pages, 4,12,13,14,15,16,17, 18 and Inside Back Cover). In the back cover picture, he is holding a small child, with the caption stating, "One hand can do the work of Mission. Will it be yours? It continues. In Namibia, Maryknoll Father Rick Bauer proclaims the Gospel by providing food, counseling, HIV testing and endless love to babies and children, living with AIDS, often without a parent to care for them." Fr. Rick was also spotlighted on the cover of the December 2000 issue of the Maryknoll Magazine with a child as he and other missionaries find Jesus in AIDS/HIV ministry.

Father Richard is forever grateful to the Knights of Columbus, Council 5300, for their generous gift from a year ago. For those interested in helping him or to write or call him he may be reached at:

**Father Tomas A. Elis, Former Chaplain of  
Council 5300,  
Celebrates Noon Mass at Stow Park for Sociable  
Seniors**

*By Joe T. Kovach  
KC member since 1996*

Father Tomas A. Elis, former Chaplain of the Knights of Columbus, Council 5300 and Pastor of St. Mark's Parish in Isla Vista, celebrated an outdoor noon Mass under the majestic Redwood trees at Stow Park for the fourth consecutive year for St. Raphael's Sociable Senior members on Wednesday, August 18.

Father Elis stated, "I certainly enjoy being part of your Mass celebration." In a beautifully written short note to coordinator of the picnic, Beatrice Scheel, Father said, "As you read out all your other activities coming up, I am thankful for all your work of keeping the members alive and making choices."

The Sociable Seniors Book of Remembrance was placed on the altar by Fr. Elis. Included are 139 deceased members, many past KC members. This was established on December 5, 1990 when the Sociable Seniors group was organized in the parish.

Knights Paul Coyne, Joe Lima and Jack Turney worked their magic with the Tri-tip. Others who helped make it another successful picnic were Jane Good (decorated tables and whipped up the Cole Slaw), Betty Wittak and Betty Kazmerzak (stirred up the best fruit salad ever), Joan Magenheimer and Paul Robillard (teamed up to bake the beans), Fred Orr (did limeade) and Jose Schreier won the hat contest.

Fourteen door prizes were given and nine members celebrating birthdays received red licorice "firecrackers."

## **Joe Darga Heart Recipient**

**This past June 29th, I celebrated my eighth year of new life with a strangers' heart beating inside my chest. Because that stranger said YES to donation, I'm alive, enjoying life to its fullest while watching my grandchildren grow into adulthood. Very few people know the joy life can hold when blessed with an unexpected second chance.**

**I was one of the lucky individuals to receive a heart transplant back in 2002. Too many people waiting for a transplant are not as lucky as I was. Did you know that there are over 100,000 people waiting for an organ transplant in our country and every day 18 names are removed from that waiting list, not because they were lucky like me, but because they just couldn't wait any longer and they died.**

**That's just too many people dying needlessly and that's why I'm on a mission to spread the word about the wonders of organ and tissue donation. It's beautiful, it's awesome, it saves lives, and it WORKS!!!**

**I encourage you to sign up to be an organ and tissue donor. Make the decision now, so that it is not a choice your family has to make later. You can save up to 8 lives through organ donation and impact the lives of up to 50 people through tissue donation. The link at the bottom will take you to a quick, easy and completely confidential on-line donor Registry.**

**Thanks! And please register,  
Joe**

The Ten Commandments — also called the “Decalogue” or “ten words” — are a summary of the law given to Moses as part of God’s covenant with the people of Israel. The first three commandments pertain to love of God, and the remaining seven pertain to love of neighbor. Taken together, the commandments show us the path to freedom from sin so that we can truly love God and neighbor in purity of heart (436). Indeed, the commandments are not mere rules. What God asks of his people is that they express their gratitude by doing what is right and good, in turn becoming the people he created them to be (437).

Following Jesus, the Church recognizes the fundamental importance of the commandments and teaches us to follow them. The Church also helps us see how they are interrelated and pertain to our duties toward God and our neighbor. Breaking one commandment can seriously weaken our love and dispose us to break others. Although weakened by sin, we are enabled to keep the commandments because of the grace of Christ given to us by the Holy Spirit (438-441).

We turn now to the first three commandments, which regard our duty to love God with our entire being. The first is this: “I am the Lord your God. You shall not have other gods before me.” Here, we acknowledge the only true and living God through the theological virtues of faith, hope and charity. Through faith, we believe in God and reject deliberate doubt or unbelief, false teachings (heresy), the total repudiation of the Catholic faith (apostasy), and the willful separation of oneself from the Catholic faith (schism). The virtue of hope “trustingly awaits the blessed vision of God and his help” while avoiding despair or presuming that God will reward us no matter what we do. Charity “loves God above all things” and thus rejects every form of ingratitude and

indifference toward God's love. It also rejects laziness in our spiritual life and, above all, hatred of God born of pride (442)

### **WORSHIPPING IN SPIRIT AND TRUTH**

Both as individuals and as a community of faith, we are to adore and worship God alone. We do so in private prayer and in the celebration of the sacraments, most especially the Mass, and by giving praise to God by how we live. Our human dignity demands that the sincere search for God and one's response to him must be carried out in freedom (443-444).

The worship of "false gods" forbidden by the First Commandment can take the form of power, money or pleasure, as well as demon-worship. Superstitious beliefs are also opposed to authentic religion. In our day, God is often profaned by ridiculing religious faith, and there is an aggressive atheism that seeks to discredit those who profess belief. With "practical atheism," meanwhile, a person decides that not much can be known about God and then proceeds to live as if God did not exist (445). Forbidden also are idols or false images of God. This does not include things such as images of the Trinity or statutes of the Blessed Virgin Mary and the saints; these are not worshipped but simply serve to remind us of heavenly realities (446).

The Second Commandment forbids us to take God's name in vain. The name of God is itself holy and worthy of all praise. When someone shows contempt for God's name (blasphemy) or uses God's name as a curse rather than a blessing, God is dishonored. This commandment also forbids us to swear by God's name (447-448).

The Third Commandment tells us to "keep holy the Sabbath." In the story of creation, God "rested" on the seventh day and asked his people to rest. Since Jesus rose from the dead on Sunday, the Sabbath was changed to Sunday for Christians. We are to keep Sunday holy by avoiding unnecessary work and by attending Mass (450-453). Deliberately missing Sunday Mass violates both the Third Commandment and the first precept of the Church. Simply put, Christ in the Eucharist must be the center of our lives, and that cannot happen if we are absent from Sunday Mass. Finally, as citizens and believers we should do all in our power to preserve Sunday as a day of rest and worship.

By following the commandments in the spirit of the Beatitudes, may our lives truly be "a living sacrifice of praise."
