## Grand Knight's Report

*By Mark Vampola, Grand Knight*

Just recently, I went camping with my son and the Cub scouts. The night before, I was hoping for the trip to be cancelled for weather considerations, rain looked imminent. That call never came, so early Saturday morning we drove out of town. The mist was quite heavy, practically raining. All I could think about was what a miserable time we were going to have. We got to the camp, everything was soaked outside, so as quickly as possible I pitched the tent, trying to not to get mud on everything in the process. As the morning progressed, it started to dry out a bit. Later, I took a handful of kids out on a nature walk, as a part of some badge work. Once away from the cars, tents, and all the other distractions in camp, we realized how different the world really was. This was nothing new for me, but it was for the kids. As we walked along, we studied all kinds of fascinating things in the forest. Then, as quietly as possible, we hiked about 200 yards to a clearing on the trail. We stopped, stood silently still, and just watched as the forest stayed alive with all its creatures. There were creatures that we could see and those we could only hear. After about 5 minutes, the drone of a vehicle was heard far off in the distance.

Dear Brother Knights,

As you will read further in the Knightline, we had another successful "Festa Italiana" as Brother Sam Alfano will report. We also have another 1<sup>st</sup> Degree Exemplification coming up on November 15<sup>th</sup> and a 4<sup>th</sup> Degree exemplification is coming up on November 6<sup>th</sup>. If you know of someone that would make a good Knight, let Brother Sam know. Also, the 4<sup>th</sup> Degree will once again man the polling booths at St. Mark's on November 2<sup>nd</sup>. Don't forget to vote.

I would also like to draw attention to a friend of mine, Ismael Ulloa, who is suffering from testicular cancer. He has started treatment in August, and is going through a strict regimen of chemotherapy to combat this terrible disease. Ish, as he known to his friends, used to work at Metro Comics and Entertainment and was a substitute teacher and counselor at Santa Barbara High School. He is currently working for the County of Santa Barbara

### **New Members**

A wise man once told me that time surely flies in the life insurance business. Without a doubt, time flies in the "membership business" as well. Even though our fraternal year is not yet half over, June 30 will be here before we know it. Since we all have our sights set on the Star Council Award, now is the time to work towards that goal. The purpose of my column in this issue is to remind you of the wonderful opportunity we have to help our council grow, and to offer a couple of suggestions on how we can best do that.

The month of October brought the Orderwide membership "blitz" recruitment campaign. Now is the time to follow through with all the interested prospective members we spoke with during October. Let's make them members during November.

I can help, not only in explaining to prospects our outstanding insurance products, but also on the many other benefits of joining the Order. Even better, I can help you feel more comfortable in making the membership "sale" yourselves.

In an earlier column, I asked you to "give me a seat at the table" when laying out the council agenda for the fraternal year. I reiterate that plea here. I'll help in any way that I can.

Give me a call – I'd like to meet with you.

## **Festa Italiana Report**

*By Brother Sam Alfano, Dinner Chair*

On October 9, the Knights of Columbus Council 5300 held our annual Columbus Day dinner (Festa Italiana) at St. Raphael's Parish Hall. The greeters at the door not only collected dinner tickets, but also sold tickets for the prizes. The Festa was well attended by 200 parishioners and members of neighboring parishes. It was a pleasure to have Fr. Bruce Correio (pastor of St. Raphael's, and Fr. Laurence Santos (associate pastor) with us that night. Other clergy who attended included: Msgr. Michael Jennett, pastor from San Roque Church, Fr. Tom Elewaut, C.J. former Principal of Bishop Diego High School, Msgr. Steve Downes, pastor of Our Lady of Mt. Carmel and our Council chaplain, Fr. Paul Devot S.J., pastor of Our Lady of Sorrows and Council 1684's chaplain, Fr. Michael Ravencamp S.J., associate pastor and Fr. Dennis Collins S.J. Also in attendance were the Sisters of St. Vincent, some members of their staff and also clergy from St. Mark's Church.

Planning got underway a month before the dinner by sixteen ticket sellers who contacted parishioners and others throughout the community. Primary food items were purchased at Costco's the day before the event. The following day was spent in the preparation of a special pasta sauce (with the crew sworn to secrecy as to its contents) and decorating the parish hall. The antipasto salad (the special creation of Chef Livia Doderio) was especially enjoyed with some folks taking a second helping! Forty pounds of Penna Regata pasta were donated by Trader Joe's and cooked al dente by our pasta chefs, Brothers Ed Barrier and Phil DiMatteo. The Italian sausage and garlic bread were cooked to perfection by the BB crew (Brothers Vince Filippello, John Kirk and PGK Francisco Cabrera). The dinner was tastefully presented by the extraordinary kitchen crew (Livia Doderio, Gloria Merrigan, wife of the first Grand Knight of our council Walter Merrigan, and Maria Cabrera, wife of PGK Francisco Cabrera) and served by energetic teenagers from the St. Raphael's Parish Youth Group. Spumoni ice cream was a delicious finish to the meal.

Those who sought out prizes from local merchants did an excellent job by collecting twenty nine items for prizes. The two accordion players were very entertaining and a sing along livened up the evening. Libations were poured as always to perfection by Brother Felix Sanchez and his wife Julie Sanchez. A kitchen cleanup crew, headed by Brother Knight Tim Hogan, did an excellent job of washing pots and pans, and making sure the kitchen was ready for the pancake breakfast crew who were coming in the following morning.

The Festa Italiana was, as in the past, a fun evening and a financial success as well. We were able to deposit \$1900 into our Council account. The funds will be used to help those in need in our community.

## Volunteers for Martha's Ministry Needed, To be Part of Caring Ministry of Service

*Pictured: Logo of Martha's Ministry  
By Joe T. Kovach,  
KC Member Since 1996*

The women and men in St. Raphael parish who are members of Martha's Ministry are seeking additional volunteers who would like to be part of this special ministry of service.

This group started several years ago with about 12 ladies to assist families who have experienced the loss of a loved one. As part of their care for the bereaved, these members help with the set-up, service and clean up of receptions in the Parish Hall after Funerals.

These women and men are modeled after the loving service of our Lord's dear friends; Bethany, Martha and Mary, from the Gospel of Luke 10:38-42. The artistic logo noted here was designed by Sharon Marshall.

"Acting as reception hostesses/hosts allows the family to visit with friends, enjoy the company of people whom they have not seen in years or spend valuable time with family grieving and celebrating the lives of their deceased loved ones," said Loretta Verhasselt, a volunteer. This sentiment has also been expressed by many other volunteers.

If you would like to be part of this important ministry of service, please contact St. Raphael Parish Office, 967-5641 to add your name to the list of volunteers. You will be contacted, given training and then be on call to assist whenever you are able. Or you may call Maura Pezzati (964-3295), Nancy Willis (964-9459) or Mary Penza (967-9609). They are the key funeral reception committee

leaders.

"We are hoping you will consider signing up to help. We all lead busy lives and some of us are getting a little older so we are hoping if we get enough people to help the same people won't always be called on to help," emphasized Maura Pezzati. She added, "This is a wonderful ministry and only a few hours of your time is needed."

Another leader of Martha's Ministry, Nancy Willis, emphasized, "It is truly a privilege to help our fellow parishioners in their time of need. Many families have been so grateful for this ministry, so please help us continue to share God's loving presence with those who are bereaved."

Rev. Bruce Correio, Pastor, gave his support when this ministry was first suggested and since its beginning, he has witnessed God's love through this caring ministry. Martha's Ministry has been privileged to serve our fellow parishioners during the past four years.

For more information you are asked to contact the rectory or the above noted women, Maura, Nancy or Mary.

Families wishing to use the Parish Hall for a Funeral Reception, are asked to go to the Rectory office to check the calendar to be sure the hall is available on the date requested. If the hall is available the family will be provided with important information.

Please sign up and be of service to your fellow parishioners.

## **Two Special Eagle Scout Projects** **By Thomas Schiferl, Andrew Leicht** **Helping St. Raphael Parish, Rectory**

*Pictured (from left to right): Andrew Leicht, Thomas Schiferl*

*By Joe T. Kovach, Knight Member since 1996*

To help pay for the costs of two special Eagle Scout Projects benefitting St. Raphael Parish, Thomas Schiferl and Andrew Leicht, who are currently doing the work, are selling tickets for a grand prize of one week in a Tahoe House. Only 500 tickets will be sold. The tax-deductible tickets are \$25 each or five for \$100.00. Checks are payable to St. Raphael Church. They will be sold after Masses and also Thomas (964-6013) and Andrew (681-0969) will take telephone orders. The raffle will take place on or around November 27 at the Boy Scout Christmas tree lot or when all tickets are sold.

A woman in the parish offered her 3-bedroom fully furnished house in South Lake Tahoe (Calif. side) to benefit St. Raphael. It is two blocks from Heavenly Ski Resort.

Thomas, born in Goleta, celebrated his 17th birthday on June 10. He is the son of Glenn and Lori (Vitalari) Schiferl. He attended St. Raphael School from pre-school through 8th grade and now attends Dos Pueblos High School.

### **Thomas Schiferl's Special Project**

Schiferl originally came up with the project idea in 2008 and expects to be completed in December 2010. He installed Security Cameras in the Church and the front door of the Rectory to allow the people who work the front desk to know who they will be seeing on the other side of the door. Approximate cost for all parts is \$4,000. He is being helped by his father Glenn, Scoutmaster, J-Comm, Oliver Javier and Nonillon Moratilla.

Thomas joined the Scouts in 1999 with Cub Scout Pack 105. The senior at Dos Pueblos stated, "One of the reasons I became a Boy Scout was the fun and exciting outdoor activities." He recommends other boys and girls in the parish to become scouts because "You learn leadership and many valuable life experiences." "The one Boy Scout Program that stands out a cherished remembrance never to be forgotten is Camp Chawanakee," specified Schiferl. He has attended this camp for seven years in a row. He added, "On my first campout, it rained so hard that the parking lot flooded."

An Altar Server from 5th grade to 12th grade, Thomas envisions, "The Boy Scouts undertaking ideas to move to the 21st century and use modern equipment and forms of teaching." Another special travel destination as a Scout is going to Mojave to launch rockets. When his project is completed a district board of review will determine his Eagle Scout ranking. After this recognition his next steps would be Eagle Palms (Bronze, Gold, and Silver).

Proud parents, Glenn and Lori, were married in St. Raphael Church on June 3, 1989 by Rev. Frank Berna. Glenn works in the UCSB Physics Department and Lori works at St. Raphael School. A daughter, Susan, 19, attends Marist College in New York and is currently in Florence, Italy majoring in Digital Media. Thomas plans to major in Broadcast Production next fall. He has been visiting different possible universities.

Thomas' special interest hobbies include computers, producing DPNews which can be seen nightly on Channel 21 at 6 or 6:30 p.m. He is active with the Parish Youth Ministry and was a major help at this year's Parish Festival.

### **Andrew Leicht's Special Projects**

Andrew's undertaking to improve St. Raphael's security involves installing an electric strike lock on the Rectory door and also a two-way intercom between Receptionist Maria Romero's desk and the front door. Andrew, who was born on April 6, 1993 in Santa Barbara, has been an active Altar Server at St. Raphael's Parish. Since his friends were scout members he joined Cub Scout Pack 105 in 2000. He stated, "I became a Scout because I wanted to make Eagle." Andrew explained that, "The highlights of scouting are taking camping trips and the camaraderie."

His goal is to finish his two special projects

in December so he can earn an Eagle Palm for three months of Troop participation.

Andrew exclaimed, "I recommend other boys and girls become Scouts as Scouting is about learning life skills. It also gives Scouts something to strive for and achieve." The highlights of his experiences with the Scouts include attending Camp Chawanakee, partaking in rocket launches in Mojave and going on all the outings.

The senior at Bishop Garcia Diego High School tentatively plans to attend the University of Notre Dame or a university in California. Andrew enjoys playing soccer for the Cardinals.

His parents, Edward and Jacqui (Grainger), were married on September 16, 1989 by Father John Higgins in St. Raphael Church. They are proud parents of their three children: Megan, 18, who was Class Valedictorian at Bishop Diego High School in 2010 and is currently attending the University of Notre Dame, majoring in architecture; Andrew enjoys golfing with his father, who became a member of the Knights of Columbus this year; and Sarah, 12, who attends St. Raphael School.

Andrew graduated from St. Raphael School and has served as an Altar Server for many years.

Edward is employed as General Manager at Implantech and Jacqui is the Finance Manager for St. Raphael Church.

Brother Knights Edward and Glenn were co-chairpersons for the successful St. Raphael Festival held on Sunday, September 26.

*(Grand Knight's Report, Continued from Page 1)*

The noise slowly got louder and louder, and the forest and its creatures slowly got quieter and disappeared. On the way back to camp, we discussed all that we had seen and heard and how nature lives in harmony, and how different that was versus being in camp. During some free time shortly after that, I sat and reflected to myself, isn't this how we treat our relationship with Our Lord sometimes?

The next day on the way home, my son wanted to see the Cold Springs Bridge. So instead of driving over the bridge, we decided to drive under the bridge. As we stopped off to the side of the road directly under bridge, my son noticed all the crosses and memorials. He was saddened by the sight of this, so we talked about it. On the surface, the number of memorials signified how many people had jumped to

their death, feeling as though their life meant nothing, and wasn't worth living. But on a deeper level, the memorials also signified that these people were still loved by their parents, siblings and friends. As an example, we talked about how parents scold or punish their children for doing wrong. Just because children are punished or scolded for doing wrong doesn't mean that their parents don't love them. To prove that point, we looked over all the memorial markers for each person there and what they said about him or her. Each of these markers was saying how much the person was missed by their parents, siblings or friends. This theme of estrangement and unconditional love is identical to our relationship with our Lord Jesus in our spiritual lives.

The lessons I learned over the weekend was nothing new, but others are so easily trampled by life's "busy-ness".

God is always there, ready to love us and guide us. Life can put so much in front of us that it can become difficult to "see the forest through the trees". As we approach the Christmas Holiday season, our schedules will fill up and get busy, as is always the case. As Jesus reminds us again and again how much we matter and how much he loves us, take some time and let someone else who really needs it, know how much they matter and that you do care.
