## Grand Knight's Report

*By Ed Barrier, Grand Knight*

Dear Brother Knights,

Here is a spiritual thought from Sister Elvira Petrozzi, the Italian foundress of the worldwide Cenacolo Community:

*"God wants our trust, and only then can he help us. To see persons open to trust is a sign of the Holy Spirit, and if our "Yes" to him is true, even when we find ourselves in situations of suffering, this will not be a suffering that damages, but one that strengthens us and transforms our tired faith into living faith.*

*Obedience doesn't take away suffering, but gives us strength to leave all that disturbs us on the altar. Your problems remain in good hands; in the hands of God . . . Sometimes we carry heavy weights in our hearts. We have to deposit them in the heart of God."*

## **Raising Awareness About Life Insurance**

Each September since 2003 has been designated as Life Insurance Awareness Month. Like most awareness-raising campaigns, Life Insurance Awareness Month was created because there is an overwhelming lack of understanding of the product among the general public. Each year, the Life Insurance Market Research Association puts out the results from a recent survey, and unfortunately, the numbers they report continue to be discouraging.

A recent survey found that 76 percent of people polled did not have a personal financial advisor. Sixty-eight percent of that same survey group said their opinion of the current economic conditions was somewhat unfavorable or very unfavorable.

In other words, a majority of those surveyed were uncomfortable with the economy and the uncertainty it brings, yet they did not seek professional assistance. Maybe they spoke with their friends and family. Maybe they hoped the instability would go away on its own. Maybe they did not know to whom to turn.

If you fall into this category, please remember that as a member of the Knights of Columbus, you have a full-time, professional agent you can call your own. My primary responsibility is the care and service of your family's life insurance, retirement and long-term care needs. I'll answer your questions because I want your decisions to be informed ones. I want to help.

Another LIMRA statistic said 43 percent of people did not buy life insurance because they worry about "making the wrong decision." Talk with me, your agent, and, afterwards, you'll understand that the only wrong decision was not purchasing sooner to protect your family's future.

## Joe Darga

Heart Recipient

This past June 29<sup>th</sup>, I celebrated my ninth year of new life with a strangers' heart beating inside my chest. Because that stranger said YES to donation, I'm alive, enjoying life to its fullest while watching my grandchildren grow into adulthood. Very few people know the joy life can hold when blessed with an unexpected second chance.

I was one of the lucky individuals to receive a heart transplant back in 2002. Too many people waiting for a transplant are not as lucky as I was. Did you know that there are over 102,000 people waiting for an organ transplant in our country and every day 18 names are removed from that waiting list, not because they were lucky like me, but because they just couldn't wait any longer and they died.

That's just too many people dying needlessly and that's why I'm on a mission to spread the word about the wonders of organ and tissue donation. It's beautiful, it's awesome, it saves lives, and it WORKS!

I encourage you to sign up to be an organ and tissue donor. Make the decision now, so that it is not a choice your family has to make later. You can save up to 8 lives through organ donation and impact the lives of up to 50 people through tissue donation. The link at the bottom will take you to a quick, easy and completely confidential on-line donor Registry.

Thanks! And please register, Joe

### KELLER'S KINDNESS RECALLED...

*This is in response to the article about the L.A. County Sheriff's Department paying tribute to Torrance Police Department's Officer Thomas Keller who was killed while performing his duty ("Running for the fallen," Saturday).*

*I can't measure up to the fine people who have praised Officer Keller's fine character but I thought this small incident would also speak to Keller's outstanding and thoughtful character.*

*The year 1986 will indeed live in infamy for my family on so many levels. It was year that my family lived in turmoil due to problems with a wayward child. At a loss of what to do because nothing seemed to be working with this child I called the Torrance police and just threw my arms in the air and pled for help.*

*I was amazed not just that they really showed up but there were many and they were truly concerned and made every effort to help even though this was out of line with normal police work. Among the officers who responded to our plea for help was Officer Keller. He was attentive and made every effort to understand.*

*There would be other occasions in 1986 when we would have contact with the Torrance police in reference to the wayward child. Sometimes other officers would respond and listen and offer solutions in a professional and caring manner and on occasion it would be Officer Keller, so we got to know him a little.*

*To emphasize Officer Keller's caring nature, one day shortly before that sad day I was sitting deep in thought about our kid when I heard a knock at my door and there stood Officer Keller. We just looked at each other, both at loss for words. I hadn't called him, but there he was and he finally said that he had been thinking about me and was wondering how things were.*

*We talked for a while as I filled him in on how things were going, and he said he would stay in touch and he left. Well, he couldn't stay in touch because two days later he was shot and killed.*

*Officer Keller's kindness at a truly rough time for our family will never be forgotten. This old Marine knows a good man when he sees one. His kind are few and far between and will be greatly missed.*

*Semper fi, Officer Keller, and thanks. - Jim Davis*

## Tribute to Thomas Joseph Keller

On April 17, 1986 Thomas Joseph Keller, a Torrance Police Officer, was killed in the line of duty, three months before his planned wedding.

He was born April 29, 1960 on Long Island, New York. In 1962 Tom and his family moved to Dana Point and in 1970 to Santa Barbara. He attended Dos Pueblos High School and did well scholastically. He was an active boy, involved in Cub Scouts, Boy Scouts, little league baseball, YFL football, YMCA swim team, as well as the Dos Pueblos High School varsity swim team.

After graduating high school he joined the Marine Corps. He ended his four years of service as sergeant achieving the goal he had set for himself, and was awarded three medals of commendation during his tour of duty. After his discharge, in 1982 Tom applied to and was accepted by the Torrance Police Department. In was his vocation.

On April 17, 1986 while Tom was on patrol, a 911 call came in from a sporting goods store describing a deranged man with a gun. It was the end of his shift, he could have gone home, but that wasn't Tom. He was the first officer on the scene, arriving within minutes, taking cover behind a car directly in front of the store. The store keeper and customers fled out the back. The deranged man sort ammunition for a hand gun he had picked up, to be used to kill his boss who had fired him the previous day. While roaming the store he found an unsecured MI Carbine rifle with a fully loaded extended clip on the rifle rack -- the weapon he used to kill Tom. Tom's fellow officers pulled him to safety. The Paramedics close by responded immediately, finding Tom cradled in the arms of his close friend and fellow officer. There was nothing the paramedics could do.

A modest section of land was set aside by the downtown Torrance business community near where Tom was killed. The small lot was converted into a public park and was dedicated as the "**THOMAS KELLER MEMORIAL PARK.**" The local business people truly understood the significance of Tom's sacrifice -- that had this deranged man with the weapon he had found, been able to escape into the community, not only would their lives have been at risk but many others as well.

Recalling Father Henry Van Son's reference to Tom, "No Greater Love Hath Man Than He Lay Down His Life For His Neighbor." - mk

*(Grand Knight's Report, continued from page 1)*

Once again, we had a very successful pancake breakfast and blood drive. We served 80 breakfasts and twenty complementary breakfasts for blood donors. The total numbers for the blood drive are not in, but we did have one report of one person that fainted during one of the masses after giving blood. This is a reminder to all to listen to the nurses that you should have something to eat after giving blood and to rest after giving blood.

The Knightline has been successfully transition to our new editor, Laura Schuberg. Laura is a member of St. Raphael's Youth Ministry and has agreed to help the Knights with the Knightline after we could not find a replacement editor during the last Columbian Year. Brother Joe Kovach, who is our proofreader for the Knightline, has also taken on the duties to being our Advertising Sales person. So far, the feedback on the Knightline has been positive. Thank you, Laura and Brother Joe for taking on these important positions and helping our Council out.

We also had a very successful fundraising with our Fiesta Coke Booth at El Mercado at De La Guerra Plaza. DGK Patrick Donohoe ran the Coke Booth this year with help from our usual Fiesta crew. Our best days were on Friday during the main parade and Saturday during the Fiesta Children's parade. There were some problems during the tear down of the booth, but special thanks go to Brothers Frank Donohoe and Bill Furher for helping our DGK in taking down the Coke Booth efficiently.

At our next business meeting, we will vote on the resolutions that were published in last month's edition of the Knightline. We did not have the opportunity to vote on these resolutions due to the Knightline being delivered after the August business meeting. Hopefully all our Council members have looked at these resolutions on the website ([www.kc5300.org](http://www.kc5300.org)) and will offer their inputs and suggestions. I am also hoping to bring in a guest speaker, Monika Rodman Monanaro, to talk about her work with the Rachel's

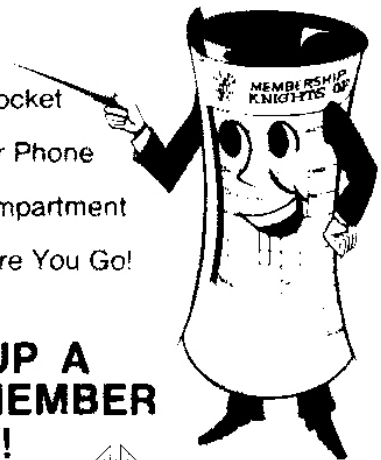

Vineyard Ministries in Italy, which the Knights will be supporting.

And remember, if you see a prospective member for our Council, contact either our Membership Director, Brother Sam Alfano, or any of your Officers so we can give him a Form 100 and become an active supporter and helper of the Church.

Please keep in our prayers Brother Joe Bauer Sr and his wife Zea who were in a car accident. The latest reports are that they are recovering. Also, Brother John Klink's mother, who recently passed away and Monica Rodman Monanaro's father, who is being treated for cancer of the esophagus.

## **Over 100 Persons Attend Noon Mass at Stow Park; Father Tomas Elis, Former Council 5300 Chaplain Returns for 5th Consecutive Year as Celebrant**

By Joe T. Kovach, KC Member since 1996

Father Tomas A. Elis, former Chaplain of the Knights of Columbus Council 5300 and former Pastor of St. Mark's Parish in Isla Vista, celebrated an outdoor noon Mass with over 100 parishioners from St. Raphael and St. Mark's enjoying the Mass and meal under the majestic redwood trees at Stow Park.

Father Tomas came under difficult health conditions for his fifth consecutive year for this annual Sociable Seniors picnic, held this year on Wednesday, August 17. Deacon Randy Saake of Holy Cross Parish assisted him.

Father Elis stated, "I certainly enjoy being part of your Mass celebration." In a beautifully written note to coordinator of the picnic, Bea Scheel, Father said, "As you read out all your other activities past and those coming up, I am thankful for all your work of keeping the members alive, in good spirits and making choices."

The Sociable Seniors' Book of Remembrance was placed on the altar by Fr. Elis. Included are 147 deceased members, many past KC members. This was established on December 5, 1990 when the group was organized in the parish.

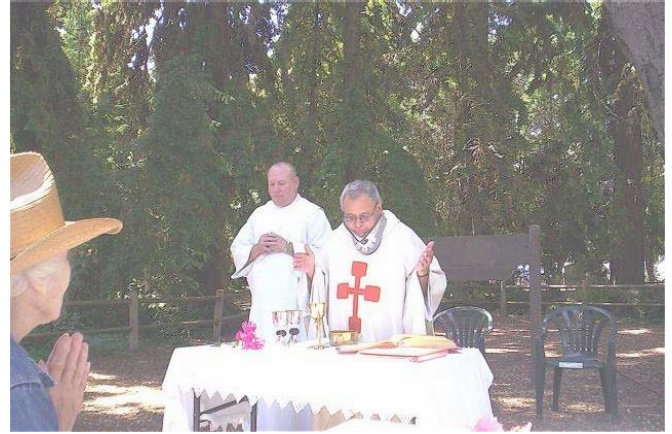

Father informed everyone that on Easter Sunday he suffered a serious medical setback caused by a staph infection in his head and neck. Surgery took place to straighten his head and neck by having screws secured into the first seven vertebrae of his spine. He didn't think he would live and remarked, "I went to the heavenly gates but did not pass yet, so I am back." Full recovery he prays will be within at least one year. He recently celebrated his 68th birthday and his 41-years as a priest.

Father gave a very heart-warming and impressive homily. He told the gathering, "We need to be thankful we are up and about." He added, "We need to pray for our family, relatives and friends, whether they are good or bad, and to be more patient with each other."

Father currently is the Senior Priest at St. Mel's

Church in Woodland Hills.

To begin the Mass, Helen Nooney led everyone in singing with assistance from Molly Shawl and Paul Robillard the song 'We Gather Together.' At Communion they also led in singing 'Oh Lord, I Am Not Worthy.'

**Pictured:** *Father Tomas Elis celebrating the Holy Sacrifice of the Mass with Deacon Randy Saake.*

Knights Paul Coyne and Joe Lima worked their magic with the tri-tip with assistance from Mike Donovan and Ray Zaida. Others who helped make for another successful picnic were Jane Good who does the shopping and oversees everything (decorates tables and whipped up the coleslaw), Hal Thompson set up the table for the Altar, Marie Lundfelt prepared a box of supplies from the Rectory for the Mass, Paulette Ley drove to Solvang to bring bougainvillea to brighten the tables, Betty Wittak and Betty Kazmerzak of St. Mark's (stirred up the fresh fruit salad), Gladys Brown made coleslaw from her mother's great recipe, Joan Magenheimer and Paul Robillard (teamed up to bake the beans), Fred Orr did limeade, Nancy Willis brought fancy cookies and Mirtha Donovan won the most decorative and colorful hat contest as seven women participated.

After everyone had eaten, Fred Orr read off the 16 members who celebrated birthdays in July and August. Joan Magenheimer informed the group of the various travel trips she has planned, Janet Page noted that she had tickets for the September 19 Blue Mass and Dinner to be held at St. Raphael's Church and Parish Hall. Joe Kovach reported that Monica Bilski, wife of Dick, had recently died and to remember her in your prayers.

## Knights of the Month

For this month's Knight of the Month, there are two Knights that deserve recognition: PFN Bill Fuhrer and PGK Frank Donohoe. Brothers Bill and Frank helped our DGK Patrick Donohoe break down the Fiesta Coke booth. They surmounted various obstacles: including difficulties with removing screws tightly installed in sides and floorboards which slowed the disassembly. The other challenge was that with just two open bed trailers and a single passenger van, there was insufficient space capacity to take the supplies back to storage at St Raphael's in one load. Brother Bill Fuhrer had to stay at de la Guerra Plaza to 'mind the store' for 90 minutes until Brothers John Vogel, Patrick and Frank Donohoe could unload and return with one trailer to relieve Brother Bill and make the last pickup.

Despite having difficulty breaking down the Fiesta Coke booth, Bill and Frank manage to overcome several obstacles to achieve their goal. Thank you Bill and Frank for helping out.

This month's Family of the Month goes to the Coyne Family. Brother Paul and his wife, Roberta along with the rest of the family helped out with the Fiesta Coke booth this year on Saturday. They have participated in the Fiesta Coke booth since 1974. Paul and Roberta have been married for 51 years. They have four children (Diane, Paul Jr., Michael and Donna) and are the grandparents of five children: Michael McClenathen, also a brother Knight, Matthew McClenathen, and Cameron, Meagan and Henry Coyne. Roberta is currently Past President of Woman's Service Club of Goleta, Current President of the Goleta Valley Cottage Hospital Auxiliary, and avid bridge player. They are both docents at the Mission, and continue to be a docent at the Presidio. They are also members of the Friendship Force International, Cosmopolitan Club and Raytheon Wine Club.

Brother Paul has served as a Past Grand Knight, District Deputy, Chapter President, and is currently the Faithful Controller and Corps Commander for the Junipero Assembly for the 4<sup>th</sup> Degree.
