Grand Knight's Report

By Ed Barrier, Grand Knight

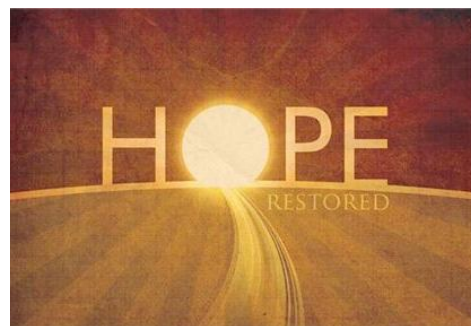

Brother Knights:

Here is a spiritual thought from Pope Benedict XVI:

“Man's great, true hope which holds firm in spite of all disappointments can only be God - God who has

loved us and who continues to love us ‘to the end,’ until all ‘is finished.’

Whoever is moved by love begins to perceive what ‘life’ really is.

... Life in its true sense is not something we have exclusively in or from ourselves; it is a relationship. And life in its totality is a relationship with him who is the source of life. If we are in relation with him who does not die, who is Life itself and Love itself, then we are in life. Then we ‘live.’”

Ways to Pay for Whole Life

We live in a world of options and we are constantly bombarded by choices. Some of these make our lives more complicated, but many of these choices are created with the public in mind.

At the Knights of Columbus, every product we offer has been designed solely for the benefit of our members and their families. When I present an option to you, it's because a team of experts has discussed it at length to be certain it serves your best interest.

That said, we have a few options on how you can provide and pay for the whole life coverage that your family needs. Many whole life policies call for premiums to be paid for your entire life or to age 100. But we also offer permanent life coverage with guaranteed cash values (and the potential to earn dividends, which are not guaranteed) through policies that offer a limited period of premium payments.

First, we offer "10 Pay Life" and "20 Pay Life." Consider paying premiums for 10 or 20 years, and never having to pay for the coverage again. The plan is "paid up" and no more premiums are due. The plan stays in force, the death benefit remains intact and the guaranteed cash value continues to grow.

A plan with similar benefits is "Life Paid Up at 65." The difference over 10 or 20 Pay Life plans is that this permanent product requires you to pay premiums until age 65. The premiums stop (just in time for retirement), but the plan remains in force.

Finally, the ultimate in limited pay is our Single Premium Life product. Imagine buying life insurance – permanent life insurance – and only paying one single premium? It's possible.

To learn more about these products, our long-term care insurance or retirement products, please call me today.

Happy 65th Wedding Anniversary Don & Lucille Aubrey

Lucille & Don at their
Wedding on Dec. 28, 1946

Don & Lucille in recent photo

Lucille, Bro. Leo Gonzales
and Don in Jerusalem

Lucille and Don Aubrey will celebrate 65-years of marriage on December 28, 2011. They were married in St. Francis Church in Bakersfield, California by Rev. William MacLaughlin, after having been high school sweethearts. Don was born on January 14, 1928. Don was a brand new 18-year old second lieutenant in the Army Corps of Engineers and Lucille was a bookkeeper at a hardware store (making more money than her new husband). Thirty-three days later Don shipped to Japan and Lucille joined him one year and seven days later.

Their first child, Dennis, was born there. They returned to the U.S. in 1949 to an assignment in Fort Sill, Oklahoma, where their second child, David, was born. In 1952, Don, by this time a first lieutenant, was transferred to Orleans, France and Lucille joined him with their two children four months later.

In 1955 they were transferred to Fort Ord, California, where their third and fourth children, Stephen and Ann, were born, in 1955 and 1957. Don, now a captain, was shipped to Korea in February 1957. Upon his return, Don and the family went to Fort Bragg, North Carolina in 1958. A second tour in France came in 1961 where they lived in Chauvigny, near Poitiers, later in Dange, near Chatellaroux and finally in Etain near Verdun. It was in Etain that their fifth child, John, was born. During this period, Don was promoted to Major.

During this time, Lucille, who was the only member of her family to leave Bakersfield, was raising their children,

serving as a Pink Lady at hospitals, President of the Officers' Wives Clubs, Den Mother and on many committees. Lucille has traveled to France with two-year-old and three-year-old sons, on a train from Bakersfield to New York City, flying to Frankfurt-Main airport in Germany, taking a train from Frankfurt to Paris, where she said that if Don wasn't there to meet her she was getting on a plane back to the U.S. He made it. She had been delayed one day as there was no compartment on the train from Frankfurt for her and the boys to travel that night. The next night, she and the children were 'bumped' by a full Colonel's wife traveling by herself so Lucille and the sons slept sitting up in coach. This was the first of several challenges that Lucille faced and overcame in Don's 25-year career in the Army.

The family returned to the U.S. in 1965 to California, where Don was assigned as Advisor to the Engineer Battalion of California's 40th Armored Division. This assignment didn't last long. In 1966 he was transferred to Vietnam for 13-months. Don received his Lt. Colonel leaves at Travis Air Force Base just before boarding his plane to Vietnam. Lucille met him in Hawaii on his R&R for a week, about the middle of his assignment.

When Don returned from Vietnam the family moved to Fort Carson, Colorado. Two years later, a General with whom Don had served on three occasions, requested he be reassigned to Frankfurt, Germany, as District Engineer of Land Hessen. In 1970 the Department of Defense was

implementing a plan for an all-volunteer Army. While stationed in Germany, he had seen the results of such a program in France, Germany and the Netherlands. The slovenly, undisciplined and doubtlessly, poorly-trained military in these armies, decided Don to retire. His second reason was that he wanted to return to school and get his college degree.

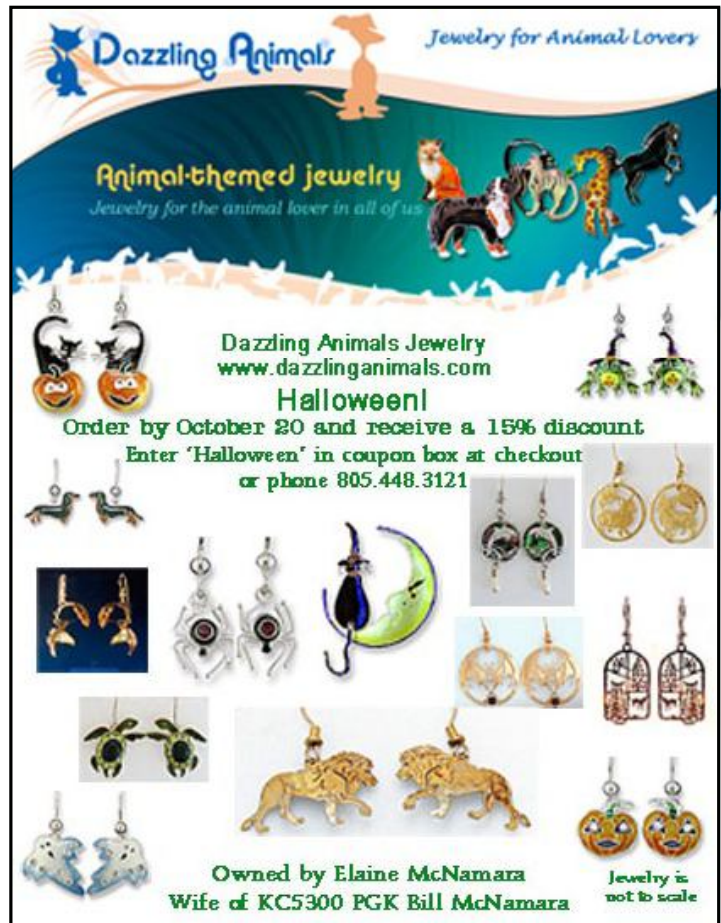

The Aubreys have lived in or visited 49 countries during their 65-years of marriage. These include: Japan, France, Germany, Netherlands, Belgium, Romania, Hungary, Greece and Greek Islands, Canada, England, Wales, Scotland, Portugal, Sweden, Finland, Russia, Denmark, Estonia, Andorra, Liechtenstein, Luxembourg, Monaco, Panama, Puerto Rico, Israel, Spain, South Africa, Kenya, Namibia, China, Berlin/East Berlin, Czech Republic, Poland, Austria, Italy, Egypt, Jordan, Yemen, India, Thailand, Malaysia, Singapore, Mexico, New Zealand, Costa Rica, Majorca, Turkey, Iceland and Switzerland.

On November 1, 1970, he returned to civilian life. The family bought their home in Santa Barbara and Lucille supplemented Don's retirement pay and G.I. Bill by taking a refresher course at the local business college and subsequently working at UCSB as the Office Administrator for the French and Italian Department, where she guide the department for 20-years.

Upon completing his college work, earning an Bachelors and Masters in Mechanical Engineering, Don worked for Able Engineering for a year, for Raytheon for two years and then for Delco Electronics for 14-years. In 1970 Don leaped at the opportunity to join their sons in their oceanographic research business on Cape Cod, Massachusetts, as their business manager, planning for Lucille and him to be on the Cape for two or three years. They returned to Santa Barbara five years later in 1995, where they kept their home and rented it to a church friend during their absence.

Active in the church before going to the Cape, Don and Lucille immediately got back into active work in the church serving as Lector, CCD teacher, Eucharistic Minister. Don became a member of the Knights of Columbus in 1965, was Grand Knight in 1983-84 and Faithful Navigator of the 4th Degree. Lucille was Women's Auxiliary President in 1985-86 and is a Eucharistic Minister. She also bowled with the St. Raphael Women's Bowling League. They have been members of St. Raphael Church for 41-years.

They are proud grandparents of 11 children: Jill, Shelley, Andrew, Nick, Montana, Julie, Chance, Aubrey, Scott, Yasmenn and David Alexander. The nine great-grand-children are Kimberley, Ben, Ariana, Alyson, Austin, Kane, Milo, Whitney and Adalyn.

Uganda Presentation- For those of you who could not attend, Bob Zeman will be doing an 'encore' presentation of the one that he and Fr. Richard Kayizzi did when Fr. Richard was visiting in September. Fr. Richard studied at St. John's Seminary from 2001-2006 and assisted St. Raphael parish from 2003-2004. Come hear about Bob's travels to Uganda last year and see Fr. Richard's great ministry there. Parishioners are continuing their efforts for Fr. Richard Kayizzi, who runs a boys boarding school in Uganda. Last year, with the help and prayers of so many, Fr. Richard was able to purchase a car he so direly needed in his ministry! This year, Fr. Richard is currently overseeing the construction of teachers' housing near the school to help reduce the distance the teachers travel and aid in their ability to fulfill their obligations at the school. Mark your calendar for **Tuesday, December 6 at 7 p.m. in the Parish Hall** for an informative and inspirational evening!

(Grand Knight's Report, continued from page 1)

In these uncertain times that we live in, we must be thankful for all the blessings that we have: family, fellowship with our brother Knights and, most importantly, the gift of life that God has given to us. Despite all the turmoil that we experience in our lives, the gift of life that God gives to us expresses God's love for us. In order to express God's love to others, we should pray and also help others who are in need. This can be done either by "clean" charity (donating money) or "dirty" charity (by actually participating in helping others). Both are necessary, but the latter engages the volunteer to experience how others less fortunate than us need our help. By actually help others in need directly, we as Knights practice one of the principles of our principles: Charity.

One of the ways you can demonstrate this principle is to set aside some time to participate in helping others. This past month just a few days before Thanksgiving, the Knights helped St. Mark's University Parish in Isla Vista with serving the homeless. Brothers Bill Calvo, John Peyton, Jim Bradbury, Shane Soliz and Tom Bauer were on hand to help Fr. John Love to help with this event. There was a similar event at my home parish, Our Lady of Sorrows, during Thanksgiving at Brewer Center. This event was also for the homeless and for others who do not have a family to share Thanksgiving with. I would encourage my Brother Knights to find opportunities in the month of December to help others and not be caught in the commercialization of Christmas that occurs annually. The distribution of candies for widows is one such opportunity. Please see Brother Joe Darga if you want to help.

I am proud to report that the Council passed our Council Budget and approved helping Sarah Arnoult's (PGK and FS Chris Arnoult) mission with Intervarsity, a non-denominational Christian organization. I also presented Fr. Bruce Correio a check of \$1000 dollars to St. Raphael's Church. This \$1000 donation was part of the Ralph Modugno resolution that was passed recently by our Council.

We also had a presentation at our business meeting by Monika Rodman Montanaro who is the Italian coordinator of Rachael's Vineyard Ministries, an organization which helps promote the virtues of family in Italy and helps minister to people who

tragically chose abortion over life through counseling. Several other Knights of Columbus Councils have supported this ministry. To find out more about this ministry, visit Monika's website:

www.vignadirachele.org or contact her via e-mail: mimmont@hotmail.com.

We have also completed our online surveys about the Council and the Knightline. Out of all our members, only 14 have responded to both surveys. The results are in this edition of the Knightline. The conclusions from both surveys: Council Meetings and leadership received an average rating. Council activities rank above average. The preferred method of delivery of the Knightline is print (followed by the Web) with the most read articles in the Knightline are Council News, Calendar of Events, and the GK report.

Have a Merry Christmas. Hope to see you at the Christmas party on Dec 9th. I am working with PGK Dan Knauss to get the ticket sales going. We will have Brother Mell Hueston who will be the DJ and the MC for this event.

Please keep in your prayers SK Leland Jansen, who passed away recently.

Please see the flyer for more details. Vivat Jesus.

Troop 105 and Cub Pack 105 Announce Christmas Tree Lot Sales through December 18

By Bro. Ed Leicht

Boy Scout Troop 105 and Cub Pack 105, both of which are chartered by Goleta Valley Council 5300, announce that their Annual Christmas Tree Lot opened on Saturday, November 26.

The tree lot is again organized by Brother Ed Leicht and Mr. Robert Zaida who are both active adults in the Troop. Sales will continue through Sunday, December 18 or until they run out of trees!

Last year the boys sold about 500 trees, and they are hoping for a higher number of trees this year in spite of the continued difficult economy. To support this goal the organizers have launched the following programs:

We pay the Sales Tax Campaign: The tree lot organizers have launched several campaigns to make it clear that the tree prices posted on the lot include sales tax. Many of the competitive tree lots in close vicinity appear to have lower prices.... Until you add in the sales tax!

Pictured: New signage for the Tree Lot (and School, too) on Hollister Ave.

Coupons: Discount coupons are printed in the Church bulletin at St. Raphaels, are included in the "Tuesday folders" taken home by children enrolled in St. Raphael's School and in the newsletter emailed to parents of Bishop Diego High students, and are also handed out by various tree lot volunteers. Rumor has it there's even a coupon in the Knightline! An electronic version of the discount coupon is located on the troop's website at

this internet address:
http://www.goleta105.com/treelot/web_coupon.jpg

Discount Area: In recognition of the current economy, there is an area of the tree lot set aside for more economically priced trees. These trees will be available in a variety of heights and species.

Pictured: Boy Scouts, Cub Scouts, and Parents all pitch in to unload the 2011 tree delivery!

Services and Misc: As in past years, the Troop will offer tree delivery and state-certified fire retardant at nominal charges. Also for sale are wreaths, tree preservative, and tree disposal bags.

For more information on the Scout Tree Lot, please contact Brother Ed Leicht via email: treelot@goleta105.com. For more information on the activities of Troop 105 (Scoutmaster is Brother Glenn Schiferl) or Cub Pack 105 (Cubmaster is Brother Mark Vampola, PGK), visit their website www.goleta105.com.

Let's support our Brother Knights first by purchasing our trees at their tree lot and second by telling our friends!
