Grand Knight's Report

By Ed Barrier, Grand Knight

Brother Knights,

Here is a spiritual thought from Thomas à Kempis, Medieval Catholic monk and author of The Imitation of Christ:

“So long as we live in this world we cannot escape suffering and temptation. Whence it is written in the book of Job: The life of man upon earth is a warfare (Job 7:1) . . . Yet temptations, though troublesome and severe, are often useful to a man, for in them he is humbled, purified, and instructed.

The saints all passed through many temptations and trials to profit by them, while those who could not resist became reprobate and fell away. There

is no state so holy, no place so secret, that temptations and trials will not come. Man is never safe from them as long as he lives, for they come from within us . . . Often we do not know what we can stand, but temptation shows us what we are . . . Let us humble our souls under the hand of God in every trial and temptation for he will save and exalt the humble in spirit.”

Ways to Pay for Whole Life

We live in a world of options and we are constantly bombarded by choices. Some of these make our lives more complicated, but many of these choices are created with the public in mind.

At the Knights of Columbus, every product we offer has been designed solely for the benefit of our members and their families. When I present an option to you, it's because a team of experts has discussed it at length to be certain it serves your best interest.

That said, we have a few options on how you can provide and pay for the whole life coverage that your family needs. Many whole life policies call for premiums to be paid for your entire life or to age 100. But we also offer permanent life coverage with guaranteed cash values (and the potential to earn dividends, which are not guaranteed) through policies that offer a limited period of premium payments.

First, we offer "10 Pay Life" and "20 Pay Life." Consider paying premiums for 10 or 20 years, and never having to pay for the coverage again. The plan is "paid up" and no more premiums are due. The plan stays in force, the death benefit remains intact and the guaranteed cash value continues to grow.

A plan with similar benefits is "Life Paid Up at 65." The difference over 10 or 20 Pay Life plans is that this permanent product requires you to pay premiums until age 65. The premiums stop (just in time for retirement), but the plan remains in force.

Finally, the ultimate in limited pay is our Single Premium Life product. Imagine buying life insurance – permanent life insurance – and only paying one single premium? It's possible.

To learn more about these products, our long-term care insurance or retirement products, please call me today.

\$1 Million Mausoleum Renovation at Old Mission Santa Barbara

By Jason Womack

In November of 2011, Old Mission Santa Barbara completed an extensive renovation and restoration of its Historic Mausoleum. The project began as a relatively simply roof repair, but it quickly turned into a more than \$1 million project. Shortly after repairs had commenced, it became readily apparent that the building required more work than was originally assessed.

With the help of a handful of dedicated Mission associates, Father Richard McManus expanded the project into a full restoration and refurbishment. The scope of the new project included adding French drains to divert the flow of ground water away from the Mausoleum; designing a new electrical system to properly light the interior; replacing all interior surfaces and making needed structural improvements; using handcrafted and historical products, such as 200-year old floor tiles from the Andalusia region of Spain, as part of the interior design; and installing a marble-clad Columbarium for the inurnment of cremated remains. This Mausoleum has become the symbol of the future of the historic cemetery.

This project, however, was more than just a renovation and restoration, it was a resurrection of the Franciscan ministry to the dead, a re-emergence of the need of the Franciscan community to bring back this essential component of Old Mission Santa Barbara and to reconnect its historic cemetery to the greater community.

For more than two centuries, Old Mission Santa Barbara has been the burial site of thousands of native Chumash people, Franciscan friars and many local people and families.

Adding the Columbarium to the Historic Mausoleum is the centerpiece for tying the old to the new. This serene and beautiful Columbarium is open to all people of faith and goodwill and will remain a place of peace and welcome for families and friends to remember and pray for their loved ones.

For more information about the niche sales, please contact Bro. Eric Pilarcik, OFM at (805) 569-5483 or thm@sboldmission.org. Website is www.thmsb.com.

Pictured above are Jason Womack, Director of Development and Communication at Old Mission Santa Barbara and Brother Eric Pilarcik, Mausoleum Director. Bro. Pilarcik, native of Michigan, is a graduate from the University of Notre Dame who then joined the friars in Los Angeles. Before joining the Franciscans he was a real estate broker and a location scout/manager for the movie productions. Most recently he was stationed at St. Elizabeth's in Oakland completing his theology studies at the Franciscan School with a focus on the California Mission Revival movement and the re-building of the 21 missions in the early 1900's. Bro. Eric has been at Old Mission Santa Barbara since November 2010 and became the Mausoleum Director in December 2011. He is responsible for all aspects of the Mausoleum operations and sales.

Jason's position at the Mission entails a variety of activities, from assisting with advertising and promotions and managing press releases to developing both the Mausoleum and Mission websites to eventually assisting with fundraising for a variety of causes, first and foremost being for the Preservation Fund to restore parts of the Mission. A native of Auberry, after college he and his wife spent seven years in San Francisco before coming to Santa Barbara (his wife's hometown) to purchase Coffee Cat in downtown Santa Barbara. They have owned their business since 2003 and are still holding on through the economic downturn.

A special remembrance as a Knights of Columbus Council 5300 member occurred in 1980 when Grand Knight Stan Nowak sought three members to construct a large Cross at Old Mission Santa Barbara as a special favor for Father Virgil Cordano. Dick with Ogie Sedlak and Ray Looney did the masterful work in Karr's garage. The Cross was made of natural redwood with a lifetime guarantee of 100-years. Instead of placing the Cross in cement the three 'wise' men bored a hole in the bottom of the Cross and inserted a special stainless steel plate and pipe and then placed the Cross into it and the cement followed.

Pro-Life UPDATES: Right to Life News Recap for 2011 (And looking forward in 2012)

It appears that 2011 was a year of great advances for human rights to life. The year continued the shift of efforts to promote right to life legislation in the states. Bills that require a sonogram before an abortion passed in several states and are in process in others. The Texas sonogram requirement law was upheld by a federal appeals court. Sonograms have proven to be a major tool in convincing mothers that life is the best choice. Also, bills that limit abortions on the basis of fetal pain passed in several states and are under consideration in others. Altogether 460 pro-life bills were introduced and 70 passed. Many abortion clinics have closed in the past year and state regulatory agencies are stepping up from their poor performance in investigating problems in abortion clinics. Several abortion providers are under prosecution as horrific conditions in their clinics came to light. One of their most egregious practices, used in prosecutions, is the killing of children born alive after a “failed” abortion.

What is on the pro-life work list for 2012? According to the National Right to Life Committee, the most important items are fetal pain bills and the defeat of Barack Obama. The NRLC calls Obama “the most anti-life president we’ve ever had”. Although he professes to be against abortion privately, he actually voted twice in the Illinois legislature against protection for infant born alive after abortion. A vote for these laws would not have diminished his support of abortion rights, yet he chose to cater to his abortion industry constituency. Fetal pain laws have been enacted in 5 states and already in 2012 bills in 3 states and the District of Columbia have been introduced.

The NRLC ranks California as 49th of the states in upholding a right to life. It appears that we Knights of Columbus, protectors of the innocent, have some work to do. What can we as individuals do? For those who want to give of our time, we can pray at Planned Parenthood on Sundays, participate in Walk for Life, help at pro-life clinics, and talk to others, especially our children, about our convictions. For monetary support, we can give to appropriate organizations such as National Right to Life Committee, American Life League, and Life Network (Santa Barbara pro-life clinic). We can take pride that our Council 5300 is exporting the use of sonograms internationally.

Walk for Life: Standing Up for the Unborn

SAN FRANCISCO, January 24, 2012

(LifeSiteNews.com) – Tens of thousands of pro-lifers gathered in front of San Francisco’s City Hall, and then filled the city’s main thoroughfare, walking about two miles down Market Street to the Embarcadero in the 8th Annual Walk for Life West Coast on January 21.

Estimates of how many walkers participated vary from 40,000 to 55,000. “The San Jose Mercury News says 50,000,” Gibbons Cooney, head of Walk For Life West Coast media relations told LifeSiteNews, “but I think more because our stationary video camera showed people passing solidly at the foot of Market Street for 1 hour & 10 minutes.”

Organizers said this year’s new route down Market Street made the event an even bigger success, providing more exposure for the Walk through the heart of San Francisco, with participants banging drums, playing guitars, chanting “We are pro-life,” and stopping all traffic for more than a mile.

Abortion rights protesters, who held their own rally called ‘West Coast Rally for Reproductive Justice,’ which was reportedly attended by about 80 people, briefly attempted to disrupt the Walk by pulling an orange plastic fence across Market Street, but police quickly removed the group of counter-protesters.

Before the Walkers proceeded down Market Street, Baptist preacher Rev. Clenard Childress, who has spoken at seven of the eight Walks, urged the participants to focus on the light of the Culture of Life they were giving witness to, and said that the Holy Spirit would be their guide.

How can we learn from the trials and temptations that we experience in our everyday lives so that we can deepen our relationship with God? One of the ways to reflect and grow with our relationship with God is to set aside some time to listen to what He has to say to us. We have various ways we can choose. One is Eucharistic Adoration. You can go either to the Bishop High Chapel Monday through Thursday and sign up for an hour of devotion. Another is to attend the Stations of the Cross during Lent at St. Raphael's Parish at 5:30 PM. And yet another way is to join a Bible Study group.

To remind you of our past and upcoming events:

On January 22nd, our Council sponsored the St. Mark's and St. Raphael's Youth Groups to participate in the Walk for Life in San Francisco, California.

Brothers Francisco Cabrera, Chris Arnoult and I went to St. Mark's Parish on Wednesday during Rush Week to raise awareness about what our Council and the Knights of Columbus do. We have a follow up visit scheduled soon.

Don't forget to purchase your tickets for the Clergy Appreciation Dinner, which is scheduled for Friday, February 3rd at 6:30 PM in St. Raphael's Parish Hall.

Brother Michael Donovan has once again agreed to chair the Friday Fish Fries starting on February 24th. If you are interested in participating, please give Brother Michael a call: 967-9506.

Adoration of the Blessed Sacrament (Times and Locations):

Mon, Tues, Wed, Thurs: Bishop High Chapel, 8:00 AM-8:00 PM.

Wed: Our Lady of Sorrows: 12:45-6:00 PM.

Thurs: Holy Cross, 1:00 PM-7:00 PM.

Thurs (1st): Chapel of the Poor Clares, 4:00 PM for 24 Hours.

Fri (each): Our Lady of Guadalupe, 6:00 PM-8:00 PM, SB Mission, 4:00 PM -5:00 PM

Fri (1st): St. Raphael's Church, 24 Hour Exposition begins at 8:00 AM, San Roque, 9:00 AM- 10:00 AM, St. Mark's, 5:45 PM – 7:00 PM.

Sat (1st): St. Raphael's Church, Benediction 8:00 AM.

Sun & Holy Days: Chapel of the Poor Clares, all day.

Ash Wednesday February 22, 2012

"We ought to fast, and to abstain from all vice, and from all that will lead us into sin, as well as from extravagance and superfluity. We should often visit the churches, and venerate and reverence all ecclesiastics on account of their office, and because they distribute the Sacred Body and Blood of Christ, which they offer in sacrifice, receive themselves, and administer to others. And let everyone know and hold for certain that we cannot be saved except through the sacred Words and the Precious Blood of our Lord Jesus Christ, which priests preach, announce, and distribute, and of which they are the sole ministers."

-St. Francis of Assisi

New Adoration Times!

As of the first week in January, we have added **Thursdays** to our weekly schedule of Eucharistic Adoration at Bishop High School Chapel. The days and hours, are every Monday, Tuesday, Wednesday, and Thursday from 8:00 a.m. to 8:00 p.m. Please consider signing up to spend a little time with GOD in the Eucharist! For sign-ups or more information, please contact **Margaret Priest** at margpriest@aol.com or 967-7391.

KC Member, Scoutmaster Glenn Schiferl Earns Unit Leader Award of Merit

Pictured: Scoutmaster Glenn Schiferl with his son Thomas, an Eagle Scout.

By Joe Kovach

KC Member since 1996

Glenn T. Schiferl, Scoutmaster of Troop 105 for the past four years, was the recipient of the Unit Leader Award of Merit at two ceremonies recently. Life Scout Fritz Mora and his parents, Assad and Kathy, showed up in a surprise visit at Glenn's workplace at UCSB's Physics Department during winter break by reading the award's requirements and presenting him with a plaque, plant, balloon and plate of cookies.

Again, at the regular Wednesday meeting in January of the Troop, a formal presentation was made of the certificate in front of the entire troop and many of the parents.

Highlights of Glenn's experience as Scoutmaster to date:

- Going to Camp Chanwanakee in the Sierras seven years in a row. Spending a week outdoors, camping and competing with other troops in scouting skills, working on merit badges and working as a team to have as much fun as possible.

- Skiing and snowboarding, backpacking in the Sierras and whitewater rafting;
- Launching rockets in the desert, spending a night on the USS Hornet, camp and kayak at Santa Cruz Island, go sailing, visit fire stations, learn about robotics, chess, welding, dentistry, fingerprinting, financial management, learn to cook, play games, attend religious retreats, serve the parish and the community and all the while earn ranks, badges and community accolades.

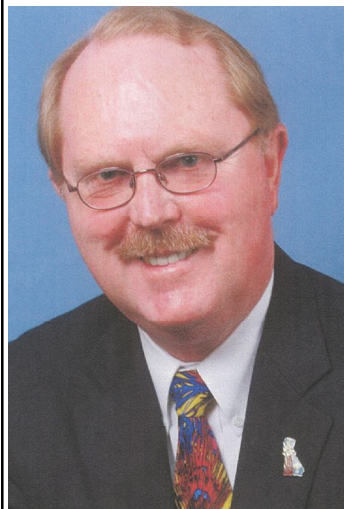

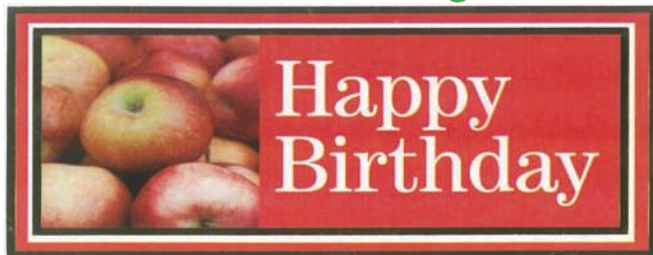

Glenn was born on September 10, 1961 in Milwaukee, Wisconsin. His parents, Ralph and Annie, purchased a new home in Lake Los Carneros in 1967. His father, a professor, was the chair of the SBCC Computer Science Department for 22-years.

As a youngster, Glenn was a Cub Scout in Pack 104, hosted by LaPatera School. His father was the Cubmaster of the pack for several years. Glenn rejoined boy Scouts as a Tiger Cub leader when his son Thomas became a Cub Scout in first grade. He then served as a Wolf and Bear Den Leader and took on the role of Cubmaster for three years. When Mark Vampola agreed to become Cubmaster, Glenn was able to serve the Troop as an Assistant Scoutmaster. When Tom Good retired as Scoutmaster in 2001 Glenn then took that role.

Responding to the question, what were the reasons you decided to become a Boy Scout Leader, Glenn stated, "You get an opportunity to have fun with your son, train youth in important skills and instill ideas of character and citizenship. By being a role model and interacting with the boys, you provide a positive experience for them and with the community. They get to learn how to interact with adults, and are appreciative of the experience. They come back after becoming adults and express thanks."

Ten Scouts have earned the prestigious Eagle Scout Rank during Glenn's Scoutmaster work. They are Chris Brenton, Michael Schlesselmann, Patrick Burgess, Sam Verhasselt, David Pilkington, Joe Yonke, Bren Valier, Patrick Schlesselmann, Thomas Schiferl and Andrew Leicht.

This month's Family of the Month goes to Brother John Vasellina and his wife Phyllis. They celebrated their 32nd Wedding Anniversary on January 19th. Brother John is a First Degree Knight. He is very active as Youth Director for St. Raphael's Parish since 1997 as well as the Youth Choir Director for the 5:30 PM Sunday Mass. Brother John commented on what marriage is on the LifeTeen Blog (<http://straphaelslifeteen.com/>). Here is an excerpt Brother John posted regarding his thoughts and advice about marriage:

"January 19th. Phyllis and I celebrate our 32nd wedding anniversary. If I told you it was all easy and a piece of cake, I'd be lying. A lot of work, a lot of fun, joys and struggles, laughter and tears. There is no riding off in the sunset, living happily ever after. But I can tell you if you do the day in and day out work that needs to be done to keep the marriage healthy, you will sustain the marriage and be married for the rest of your life....until death do us part. We are on the road to longevity. Every day we

both make the decision to love, commit, and journey together."

I encourage our members to read the blog entry. Congratulations Brother John and Phyllis.

Knight of the Month

Brother Jose Meza

By Ed Barrier, Grand Knight

This month's Knight of the Month goes to our Faithful Outside Guard Jose Meza. Brother Jose has always helped out Brother Jim Bradbury with our Pancake Breakfast and 4th Degree Dinner meetings. He has also been very active with the 4th Degree Color Corps as well. He received his First Degree on October 12, 1981 and received his Fourth Degree on November 15th 1981. He is an Honorary Life Member with the Knights. He also is an active member of Our Lady of Sorrows Parish at the 5:30 Sunday Mass as a substitute usher. Congratulations Brother Jose.

"If we truly think of Christ as our source of holiness, we shall refrain from anything wicked or impure in thought or act and thus show ourselves to be worthy bearers of his name. For the quality of holiness is shown not by what we say but by what we do in life."

Anniversaries, Birthdays, Special Announcements With Business Ads make Color Knightline Possible

For the past eight months the Knightline has been carrying business advertisements and recently also paid announcements on anniversaries, birthdays and obituaries. KC members have been receiving their monthly paper in full color thanks to the loyal advertisers and members placing these special announcements.

Each 16-page edition in full color for the 275 copies printed along with newly selected Editor Laura Schuberg's pay of \$120 cost approximately \$835. The advertising revenue for the past eight issues has totaled \$5,000. The KC Council 5300 budget allocates \$192.00 per issue thus a minimum of \$628.00 is needed in advertising per 16-pages.

"We have been fortunate to have these loyal, generous advertisers and KC members each month so the KC's are receiving their paper at no extra cost," stated Joe T. Kovach, volunteer ad salesman. Anyone wishing to assist Joe in soliciting ads each month would be deeply appreciated.

Readers are requested to patronize these business advertisers whenever possible and tell them "THANK YOU" for being a big part of the paper.

For anyone desiring to have their advertisement in upcoming issues, give Kovach a call at 964-0881 or email

him at joetk79@cox.net. Deadline to reserve ad space is the 20th of each month.

The Editor has 10 pages of KC content. Prior to the color printing the Knightline was 8 or 12 page issue.
