Grand Knight's Article

By Patrick Donohoe

Dear Brother Knights,

We had a successful April membership drive at our Sunday breakfast on Sunday, April 14th. Thanks to Bill Fuhrer for hosting the recruitment table and signing up three possible new Knights. Over a hundred breakfasts were served at this lively event. Many thanks to the kitchen crew of Tim Hogan, Jim Bonsel, John McLafferty, James Delarvin, Jose Meza, and of course Evelina and Paul Curzan.

The Fourth Degree Color Corps has been called back into action with Confirmation Season at hand. Two Confirmation Services were presided by the Corp; at St. Raphael's and one Confirmation Service at Our Lady of Sorrows in April. Much appreciation to our faithful commander Paul Coyne for his great leadership. We have three new members of the Corps, Frank Donohoe, John Kirk, and Thomas Bauer.

Our spring season is in full swing with an event filled month of May ahead of us. Our Council has volunteered to cook tri-trip for the St. Mark's Parish Carnival Dinner Auction on May 4th at 5:30 pm with dinner served at 7 pm and auction to follow. For more information contact Brother Knights Thomas Bauer or Shane Soliz.

Happy 76th Birthday on May 18th Francis 'Frank' Donohoe

Sir Knight Frank and Patrick Donohoe in their 4th degree Color Corps regalia, providing honor guard at a recent Confirmation ceremony.

Francis at his First Communion With his father and mother, Francis Sr., Margaret O'Neill and sister Mary.

Family gathering in the Donohoe home in Ventura on Easter Sunday, 2012.

Front row: Jasper, Annebel, Kadin, Jacob and family dog, Callie. 2nd row: Paul, Dorin, Cay, Frank, Cathleen, Sharon, Pjot van der Meulen, Patrick.

Francis 'Frank' Joseph Donohoe Jr. was born on May 18, 1937 in Wilmington, Delaware.

Frank and Cay (Cyback) were married on Sept. 7, 1963, 50 years ago this summer, at the Old Mission Santa Barbara by Father Emmanuel Meusseingang, the Pastor. This year is their 50th Wedding Anniversary.

Proud parents of four grown children: Patrick, Sharon, Cathleen and Paul.

Proud grandparents of Annebel (14) and Jasper (12) van der Meulen and Kadin (13) and Jacob(11) Donohoe. Cay and Frank feel most blessed to have three children and all four grandchildren living in Santa Barbara.

Both Frank and Cay have been active in the St. Raphael and Goleta community since 1963. Frank was one of the three original Eucharistic Ministers in 1969 along with Tony Varesio and Mike Bowers. He has been a member of the Parish Council, teacher in the Jr. High CCD program, Lector and Cantor at Mass. Frank served as the 35th Grand Knight of the Goleta Valley Knights of Columbus during the 1996-97 Columbian year. Now his son Patrick has been elected Grand Knight for Columbian year 2012-13, the first "second generation" GK for Council 5300. Frank joined the Knights in Kokomo, Indiana in 1961 and rejoined Council 5300 in 1990 with Ken Kuether as his sponsor.

The Donohoes first met while both were working for Delco in Goleta. Frank came from the Kokomo plant in 1962 while Cay Cyback transferred from GM's Cadillac Division in Cleveland, Ohio.

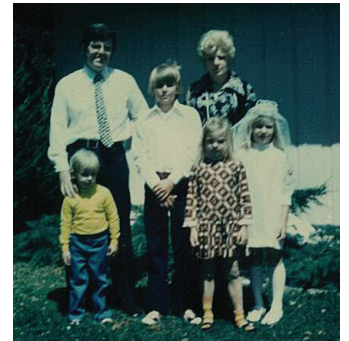

Frank graduated from St. Thomas the Apostle Grade School in Bloomfield, N.J. and Bloomfield High School in 1954. He received his BEE degree in 1958 from Villanova University in Pennsylvania and his MBA in 1983 from Golden Gate Univ., in San Francisco. He served in the U.S. Marine Corps Reserves from 1960-68.

Frank retired in 1995 as a Principal Engineer after 35-years with General Motors Corp. He then worked for Raytheon Company from 1995-2006.

Cay has been a realtor for more than 33-years, presently working with the family owned brokerage. Her parish involvements have included helping with the Parish Centennial Yearbook's portrait scheduling, Finance Committee, Parish Council and Women's Auxiliary.

Eagle Court of Honor

Patrick J. Konkol

The family of Patrick John Konkol is proud to announce that he will be receiving his Boy Scout Eagle Rank at a Court of Honor on May 12 at 7 p.m. in the St Raphael Parish Hall.

The 16 year old Dos Pueblos High School Sophomore took on a difficult community project to complete his Eagle requirements, organizing the project of installing 50 trail signs in the area near Figueroa Mountain by Midland School. There was a previous write up about Patrick and details of his project in the December 2012 Knightline on pages 8-10.

Patrick is very thankful for the Knights contribution to and support of his Eagle project and their continued sponsorship of the BSA program at St Raphael's Parish.

In addition to being a new Eagle Scout, Patrick is also active in many other activities: He plays trumpet in the DPHS Advanced Jazz Band and is on the Wrestling Team. At St Raphael Church, he is a volunteer at the Sunday

morning Children's Sunday School with Cecilia Marks and he was Confirmed on April 6 with the Teen Life program run by John Vasselina.

Patrick's family is very proud of him, his activities and accomplishments, in scouting, at church and at school. He is truly a hardworking, helpful and enthusiastic young man.

We are delighted to welcome you to our dental family! We're committed to providing a full range of preventive and cosmetic services to enhance your smile and well-being. Please call today for a free consultation.

Of Lenten Fish Fry Meals

On request from several fish fry “aficionados”, here is some history of lenten fish consumption and information on the fish we serve. Evidently, Lenten fish frys are a part of the sweep of history.

Pictured: One of our very successful Lenten Fish Fry's. We sure know how to pack the Parish Hall!

What gave Christopher Columbus, our model, the confidence in 1492 to set out across the Atlantic Ocean? It would be convenient to believe that Columbus and his men were uniquely courageous. A more reasonable explanation, however, is that Columbus was heir to a body of knowledge about seas and ships acquired at great cost over many centuries. Anthropologist Brian Fagan's book, *Fish on Friday*, tells a new story of the discovery of America.

In his view, the Church's tradition of not eating meats on Fridays and in holy times created a vast market for fish that could not be fully satisfied by

emerging methods of fish farming, better fishing equipment, or new preservation techniques such as smoking and salting. Then, when the onset of the Little Ice Age diminished fish stocks off Norway and Iceland, fishermen were forced to range ever farther to the south and west, eventually discovering incredibly rich shoals within sight of the Maine coast. Columbus probably heard about this rich land to the west. The rest is history.

The scientific name of the fish we buy from Santa Cruz Market is *Pangasius hypophthalmus*. The market name for this fish is swai. *Pangasius* is a genus of imported freshwater fish that has become the tenth most popular seafood product eaten in the United States. *Pangasius* species are primarily found in Vietnam, Cambodia and neighboring nations. The demand for these fish is driving an expansion of farming operations in other nations including China, Cambodia, Laos and Thailand and helping to bring these nations into a stable world economy. Wild harvest is possible but very limited, and the wild fish are subject to considerable variation in quality. Various organizations, regional and national authorities, and third parties have focused on measures to assure sustainability. Producers, buyers, international organizations, and national authorities are advancing and mandating the use of Best Aquaculture Practices (BAP'S) to minimize impacts on local environments and communities. *Pangasius* species have a low to moderate fat content with high levels of protein. Market attempts to distinguish product sources have resulted in publicity claims about food safety issues related to pollution or the use of antibiotics in these products. While some of these concerns may have been partially true in prior and limited situations, both growers and governments have responded to these claims by imposing additional food safety controls and specific product monitoring procedures.

This article is adapted from the Amazon review of *Fish on Friday*, Seafood Health Facts (A joint project of Oregon State University, Cornell University, and the Universities of Delaware, Rhode Island, Florida and California), and various internet blogs
