Grand Knight's Report

From William Fuhrer, Our Grand Knight

My mom was so disappointed in the first mass at St. Joseph Church in Pittsburgh not in Latin. Her response was "if I wanted to go to a Protestant mass I would go to one". I thought a purge of the Latin mass was in the Vatican II documents and kind of wondered why potential priest and nuns were leaving from vocations. Even though I flunked Latin I in public school I knew it was a special language since it was the root of all the romance languages.

I never really was curious enough to find Second Vatican II documents. The Second Vatican Council put forward the following principles regarding a liturgical reform:

1. During the liturgical celebration, the human, the temporal and action must be directed towards the divine, the eternal, and contemplation; the role of the former must be subordinated to the latter.

2. During the liturgical

celebration, the realization that the earthly liturgy participates in the heavenly liturgy will have to be encouraged

3. There must be absolutely no innovation, therefore no new creation of liturgical rites, especially in the rite of the Mass, unless it is for a true and certain gain for the Church, and provided that all is done prudently and, if it is warranted, that new forms replace the existing ones organically.

4. The rite of the Mass must be such that the sacred is more explicitly addressed.

5. Latin must be preserved in the liturgy, especially in Holy Mass
6. Gregorian chant has pride of place in the liturgy.

If there is no weighty reason for saying the Mass in English, what reasons are there for using the Latin language?

The Latin language is well adapted for service of the Church because:

It is a Venerable Language

It is venerable on account of its origin and its antiquity. It is the language in which praises of God resounded from the lips of Christians during the first centuries.

It is a Mysterious Language

Because it is a dead language, not understood by the people, there is an element of mystery about the Latin tongue. The use of an unknown tongue conveys in the mind of the people that something is going on upon the altar which is beyond their comprehension. That a mystery is being enacted. The Jews in their worship made use of the ancient Hebrew, the language of the Patriarchs. Both the Greek Catholics and the Greek schismatics employ the old form of the Greek language for divine service.

It Fosters Unity in the Church

The use of Latin is a means of maintaining unity in the Church, as well as uniformity in her services, for the use of one and the same language in Catholic churches all over the surface of the globe is a connecting link-binding them to Rome and making one out of nations which are separated by a diversity of tongues. The Universal Church must have a universal language.

It Safeguards Truth

A dead language is not subject to change. Languages in daily use undergo a continual process of change. The meaning of the words in a dead language is fixed. If a living language were employed in divine worship, heresies and errors would inevitably creep into the Church. And sacred words would be employed in an irreverent or mocking manner by the unbeliever.

Dr. Charles Owen Becomes One of 7 New KC Members Since January

By Joe T. Kovach, Knight since 1996

Dr. Charles William Owen is amongst seven new Knights of Columbus Council 5300 members in recent weeks.

Each issue of the Knightline will feature at least one of these men. Goleta Valley Council 5300 welcomes each of them. They are: Mario B. Cervantes, Stephen A. DeWalt, Brian Fittipaldi, James M. Gannon, Nicholas A. Mino and Ramon San Vicente.

Dr. Owen is a long time St. Raphael Church parishioner (1960) and five years ago moved to Arizona with his wife Helen. He joined the Knights' Council 13286 in Scottsdale in 2012, with Joe Calosimo his sponsor.

Moving back to Goleta in January 2014, they are enjoying attending parish events, KCs Friday Fish Frys and Breakfasts, Masses and seeing former parishioners. They are residing in Encina Royale.

Born on October 20, 1927 in Los Angeles, Dr. Owen's parents, Charles and Ella, were proud of their son's achievements in school, in the military and his professional career as a medical doctor.

Chuck and Helen Palmore (native of Santa Paula) first met at a Beginning Experience Retreat at Old Mission Santa Barbara and soon after on August 20, 1983 were married at St. Raphael Church with Rev. Thomas Meskill, the celebrant.

Dr. Owen started his medical career in 1960 in private

practice of Pediatrics in Goleta and in 1968 accepted a position at the UCSB Student Health Service Center where he retired in 1990.

His education started at Raymond Avenue Elementary School in LA, graduated from George Washington High in LA, Loyola University in LA and then Stritch School of Medicine of Loyola University, Chicago, Illinois. Dr. Owen's hospital internships were at Harbor Hospital in Torrance, Calif., and Pediatric Residency at Children's Hospital in Los Angeles.

He served in the U.S. Air Force in 1955-58 at various SAC bases in England.

Chuck and Helen are proud parents of sons and daughters: Ron Owen, Mary Owen, Kathy Blair, Kevin Owen and Christine Hurley. Also proud grandparents of Kayleigh Owen, Elizabeth Owen, Emily Owen, Liam Hurley, Ava Hurley, Jacob Blair and Hunter Blair.

Over the years their favorite hobbies were traveling and music. Travel destinations took them to England, Europe, South America, Mexico. Hong Kong, Bali, Mexico and U.S.

Lenten Fish Frys Happening

by Rich Scholl, Chairman

Three of the 2014 Fish Frys are history. If you aren't coming out to this delicious and low-cost dinner, you are really missing out. The Council has netted about \$4500 so far. But we need more Council member participation to make one of our

biggest fund raisers an even bigger success. Our partner charities are also doing well. Fellowship of Catholic

Students has realized \$650 and Mary's Meals has taken in \$159.

The crew is really doing a great job and it's a joy to be a part of the effort. Over 20 Knights and their Ladies and friends have contributed their time to make the Fish Frys a big success. As usual, a big thank you to Tom Modugno at Santa Cruz Markets for getting us good fish at a great price.

Pro-life Report for March 2014

We are preparing now for another **40-Days for Life** campaign, for this coming Lent from 5 March to 13 April 2014. It is a Supreme K of C recommended activity, and now a local K of C sponsored event as well. Please consider signing up to spend 1-hour per week during this Lent to peacefully pray outside the local Planned Parenthood at 518 Garden Street in Santa Barbara. This is a peaceful, prayerful, non-confrontational way to pray for the life of the unborn, their parents and the workers inside the abortion facility. Posters will be provided. Please bring your own rosary. Also, please consider bring a friend, your family or a group with you; the more of us there is, the greater the impact. All prayers will be heard, guaranteed. We have His Word on that. Please contact me for more info.

Words from Our Holy Father on Lent:

"The Gospel is the real antidote to spiritual destitution: wherever we go, we are called as Christians to proclaim the liberating news that forgiveness for sins committed is possible, **that God is greater than our sinfulness, that he freely loves us at all times and that we were made for communion and eternal life.** The Lord asks us to be joyous heralds of this message of mercy and hope! It is thrilling to experience the joy of spreading this good news, sharing the treasure entrusted to us, consoling broken hearts and offering hope to our brothers and sisters experiencing darkness. It means following and imitating Jesus, who sought out the poor and sinners as a shepherd lovingly seeks his lost sheep. In union with Jesus, we can courageously open up new paths of evangelization and human promotion.

Dear brothers and sisters, may this Lenten season find the whole Church ready to bear witness to all those who live in material, moral and spiritual destitution the Gospel message of the merciful love of God our Father, who is ready to embrace everyone in Christ. We can do so to the extent that we imitate Christ who became poor and enriched us by his poverty. Lent is a fitting time for self-denial; we would do well to ask ourselves what we can give up in order to help and enrich others by our own poverty. Let us not forget that real poverty hurts: no self-denial is real without this dimension of penance. **I distrust a charity that costs nothing and does not hurt."**

Father Richard needs a car!

Can You Help???

Father Richard Kayizzi resided at St. Raphael for one year while he was studying for his ordination at St. John's Seminary. He is now at Boston College getting a Masters Degree in Pastoral Care and Counseling and will finish on May 19. His last assignment was Chaplain at a boys boarding school in Uganda, his homeland, with 1,200 boys and girls school with 700 girls. Kids love him!

When he returns to Uganda, his Bishop has proposed that he train all the CCD teachers in his diocese of Kampala. This means he will have to go to over 500 schools! Each of the 56 parishes have about 10 outlying missions and all of them have schools, but Father Richard has no car. The Bishop does not have the means to provide one. Can you help?

Council 5300 offered proceeds from the March Pancake Breakfast and Grand Knight Bill Fuhrer hopes Knights will make individual donations to help Father Richard toward getting this car for him. Gifts can be dropped off at the Rectory or given to Fuhrer. For more information please contact Barbara Flynn at 805-636-3144 and Pinky Bratton. Fr. Richard has stated, "I was thinking of a well-raised car to manage the village pot holes...like maybe a Toyota RAV4."

We would love if you would contribute toward getting this car for him. We know that the work he is doing for Our Lord in Uganda is important to further God's kingdom in Africa.
