

## Family of the Month

This month's Family of the Month goes to Joe and Karen Darga. As Grand Knight you have to depend on others in the council to step up and help at every turn and sometimes that means asking for help. That is not the case with Joe and Karen. They come and ask how they can be of service. It's a great feeling knowing these are the kind of people we have at our side as we continue to serve as Knights.

Joe is our current Treasurer and is very involved with all the Knight's events and activities. Most recently he was instrumental in helping with the picture taking at the Christmas Boutique offering his technical prowess in producing the photos with his printer he brought from home. In addition he is currently arranging to have gifts distributed to all of the widow of Passed Knights. Thank you Joe and Karen we appreciate all you do.
