

Knight of the Month

This month's Knight of the month goes to Steven Schlesselmann who is putting up a great fight. As you all may know by now Steve has been hospitalized for over a month with a life threatening condition and remains in MICU at Cottage Hospital. Steve has been a dedicated Knight putting in endless hours of service to our council and over the last two years he has expanded his efforts to other councils in our district. We all pray Steve will recover from his misfortune and we hope to welcome him back soon. Please keep the prayers coming.

Steve is a Forth Degree Knight and is a Past Grand Knight of Council 5300. He has served as a Trustee and is currently serving his second year as District Deputy. Steve is always willing to participate in the activities of the council and has been the go to guy on many occasions when the deadlines approached. We miss his participation and pray for his recovery and return to our council.
